The authority or ability of any Transaction Obligor to conduct its business is limited or wholly or substantially curtailed by any seizure, expropriation, nationalisation, intervention, restriction or other action by or on behalf of any governmental, regulatory or other authority or other person in relation to any Transaction Obligor or any of its assets other than:

- (a) an arrest or detention of the Ship referred to in Clause 26.13 (*Arrest*); or
- (b) any Requisition.

**26.15 Repudiation and rescission of agreements**

A Transaction Obligor (or any other relevant party) rescinds or purports to rescind or repudiates or purports to repudiate a Transaction Document (excluding a Charter) or any of the Transaction Security or evidences an intention to rescind or repudiate a Transaction Document or any Transaction Security.

**26.16 Litigation**

Any litigation, arbitration or administrative proceedings or investigations of, or before, any court, arbitral body or agency are started or threatened, or any judgment or order of a court, arbitral body or agency is made, in relation to any of the Transaction Documents or the transactions contemplated in any of the Transaction Documents or its assets which has or is reasonably likely to have a Material Adverse Effect.

**26.17 Material adverse change**

Any event or circumstance occurs which has or is reasonably likely to have a Material Adverse Effect.

**26.18 Termination of Initial Charters or Assignable Charters**

- (a) If the Initial Charter or any Assignable Charter is frustrated, terminated (except by mere effluxion of time or in the case of Total Loss of the Ship), cancelled or rescinded or purported to be cancelled or rescinded or the Ship is withdrawn from service under that Initial Charter or Assignable Charter before the last day of the Security Period by the Borrower.
- (b) No Event of Default under paragraph (a) above will be triggered if as soon as possible after (and in any event within 60 days after) such cancellation, rescission, termination or withdrawal, the Borrower has entered into an approved charter commitment (a "**Replacement Charter**") in respect of the Ship on terms (including, without limitation, as to the tenor, charter hire and credit standing of the charterer) acceptable to the Facility Agent in its absolute discretion and, forthwith after the entry into such Replacement Charter, the Borrower has granted in favour of the Security Agent a Charterparty Assignment in respect of such Replacement Charter.

For the avoidance of doubt, no Event of Default shall occur under this Clause 26.18, if the Borrower complies in full with the requirements set out in Clause 20.1(b)(i) (*Borrower's minimum liquidity*), in circumstances where the duration of the Initial Charter is not extended pursuant to a Qualifying Extension, or substituted by a Substitute Initial Charter (as such term is defined in Clause 20.1(b)(i) (*Borrower's minimum liquidity*)).

**26.19 Acceleration**

On and at any time after the occurrence of an Event of Default which is continuing the Facility Agent may, and shall if so directed by the Lenders:

- (a) by notice to the Borrower:

- (i) cancel the Total Commitments, whereupon they shall immediately be cancelled;
  - (ii) declare that all or part of the Loan, together with accrued interest, and all other amounts accrued or outstanding under the Finance Documents be immediately due and payable, whereupon it shall become immediately due and payable; and/or
  - (iii) declare that all or part of the Loan be payable on demand, whereupon it shall immediately become payable on demand by the Facility Agent acting on the instructions of the Majority Lenders; and/or
- (b) exercise or direct the Security Agent to exercise any or all of its rights, remedies, powers or discretions under the Finance Documents,

and the Facility Agent may serve notices under sub-paragraphs (i), (ii) or (iii) of paragraph (a) above simultaneously or on different dates and any Servicing Party may take any action referred to in paragraph (b) above or Clause 26.20 (*Enforcement of security*) if no such notice is served or simultaneously with or at any time after the service of any of such notice.

**26.20 Enforcement of security**

On and at any time after the occurrence of an Event of Default the Security Agent may, and shall if so directed by the Majority Lenders, take any action which, as a result of the Event of Default or any notice served under Clause 26.19 (*Acceleration*), the Security Agent is entitled to take under any Finance Document or any applicable law or regulation.

**SECTION 9**  
**CHANGES TO PARTIES**

**27 CHANGES TO THE LENDERS**

**27.1 Assignments and transfers by the Lenders**

Subject to this Clause 27 (*Changes to the Lenders*), a Lender (the “**Existing Lender**”) may:

- (a) assign any of its rights; or
- (b) transfer by novation any of its rights and obligations,

under the Finance Documents to another bank or financial institution or to a trust, fund or other entity which is regularly engaged in or established for the purpose of making, purchasing or investing in loans, securities or other financial assets (the “**New Lender**”).

**27.2 Conditions of assignment or transfer**

- (a) The Borrower’s consent is not required for an assignment or transfer by an Existing Lender.
- (b) An assignment will only be effective on:
  - (i) receipt by the Facility Agent (whether in the Assignment Agreement or otherwise) of written confirmation from the New Lender (in form and substance satisfactory to the Facility Agent) that the New Lender will assume the same obligations to the other Secured Parties as it would have been under if it had been an Original Lender; and
  - (ii) performance by the Facility Agent of all necessary “know your customer” or other similar checks under all applicable laws and regulations in relation to such assignment to a New Lender, the completion of which the Facility Agent shall promptly notify to the Existing Lender and the New Lender.
- (c) Each Obligor on behalf of itself and each Transaction Obligor agrees that all rights and interests (present, future or contingent) which the Existing Lender has under or by virtue of the Finance Documents are assigned to the New Lender absolutely, free of any defects in the Existing Lender’s title and of any rights or equities which the Borrower or any other Transaction Obligor had against the Existing Lender.
- (d) A transfer will only be effective if the procedure set out in Clause 27.5 (*Procedure for transfer*) is complied with.
- (e) If:
  - (i) a Lender assigns or transfers any of its rights or obligations under the Finance Documents or changes its Facility Office; and
  - (ii) as a result of circumstances existing at the date the assignment, transfer or change occurs, a Transaction Obligor would be obliged to make a payment to the New Lender or Lender acting through its new Facility Office under Clause 12 (*Tax Gross Up and*

*Indemnities*) or under that clause as incorporated by reference or in full in any other Finance Document or Clause 13 (*Increased Costs*),

then the New Lender or Lender acting through its new Facility Office is only entitled to receive payment under those Clauses to the same extent as the Existing Lender or Lender acting through its previous Facility Office would have been if the assignment, transfer or change had not occurred.

- (f) Each New Lender, by executing the relevant Transfer Certificate or Assignment Agreement, confirms, for the avoidance of doubt, that the Facility Agent has authority to execute on its behalf any amendment or waiver that has been approved by or on behalf of the requisite Lender or Lenders in accordance with this Agreement on or prior to the date on which the transfer or assignment becomes effective in accordance with this Agreement and that it is bound by that decision to the same extent as the Existing Lender would have been had it remained a Lender.

### **27.3 Assignment or transfer fee**

The New Lender shall, on the date upon which an assignment or transfer takes effect, pay to the Facility Agent (for its own account) a fee of \$5,000.

### **27.4 Limitation of responsibility of Existing Lenders**

- (a) Unless expressly agreed to the contrary, an Existing Lender makes no representation or warranty and assumes no responsibility to a New Lender for:
- (i) the legality, validity, effectiveness, adequacy or enforceability of the Transaction Documents, the Transaction Security or any other documents;
  - (ii) the financial condition of any Transaction Obligor;
  - (iii) the performance and observance by any Transaction Obligor of its obligations under the Transaction Documents or any other documents; or
  - (iv) the accuracy of any statements (whether written or oral) made in or in connection with any Transaction Document or any other document,

and any representations or warranties implied by law are excluded.

- (b) Each New Lender confirms to the Existing Lender and the other Finance Parties and the Secured Parties that it:
- (i) has made (and shall continue to make) its own independent investigation and assessment of the financial condition and affairs of each Transaction Obligor and its related entities in connection with its participation in this Agreement and has not relied exclusively on any information provided to it by the Existing Lender or any other Finance Party in connection with any Transaction Document or the Transaction Security; and
  - (ii) will continue to make its own independent appraisal of the creditworthiness of each Transaction Obligor and its related entities throughout the Security Period.
- (c) Nothing in any Finance Document obliges an Existing Lender to:

- (i) accept a re-transfer or re-assignment from a New Lender of any of the rights and obligations assigned or transferred under this Clause 27 (*Changes to the Lenders*); or
- (ii) support any losses directly or indirectly incurred by the New Lender by reason of the non-performance by any Transaction Obligor of its obligations under the Transaction Documents or otherwise.

## 27.5

### Procedure for transfer

- (a) Subject to the conditions set out in Clause 27.2 (*Conditions of assignment or transfer*), a transfer is effected in accordance with paragraph (c) below when the Facility Agent executes an otherwise duly completed Transfer Certificate delivered to it by the Existing Lender and the New Lender. The Facility Agent shall, subject to paragraph (b) below as soon as reasonably practicable after receipt by it of a duly completed Transfer Certificate appearing on its face to comply with this Agreement and delivered in accordance with this Agreement, execute that Transfer Certificate.
- (b) The Facility Agent shall only be obliged to execute a Transfer Certificate delivered to it by the Existing Lender and the New Lender once it is satisfied in its sole discretion that it has complied with all necessary "know your customer" or other similar checks under all applicable laws and regulations in relation to the transfer to such New Lender.
- (c) Subject to Clause 27.9 (*Pro rata interest settlement*), on the Transfer Date:
  - (i) to the extent that in the Transfer Certificate the Existing Lender seeks to transfer by novation its rights and obligations under the Finance Documents and in respect of the Transaction Security, each of the Transaction Obligors and the Existing Lender shall be released from further obligations towards one another under the Finance Documents and in respect of the Transaction Security and their respective rights against one another under the Finance Documents and in respect of the Transaction Security shall be cancelled (being the "**Discharged Rights and Obligations**");
  - (ii) each of the Transaction Obligors and the New Lender shall assume obligations towards one another and/or acquire rights against one another which differ from the Discharged Rights and Obligations only insofar as that Transaction Obligor and the New Lender have assumed and/or acquired the same in place of that Transaction Obligor and the Existing Lender;
  - (iii) the Facility Agent, the Security Agent, the Arranger, the New Lender and other Lenders shall acquire the same rights and assume the same obligations between themselves and in respect of the Transaction Security as they would have acquired and assumed had the New Lender been an Original Lender with the rights and/or obligations acquired or assumed by it as a result of the transfer and to that extent the Facility Agent, the Security Agent, the Arranger and the Existing Lenders shall each be released from further obligations to each other under the Finance Documents; and
  - (iv) the New Lender shall become a Party as a "Lender".

**27.6****Procedure for assignment**

- (a) Subject to the conditions set out in Clause 27.2 (*Conditions of assignment or transfer*) an assignment may be effected in accordance with paragraph (b) below when the Facility Agent executes an otherwise duly completed Assignment Agreement delivered to it by the Existing Lender and the New Lender. The Facility Agent shall, subject to paragraph (b) below, as soon as reasonably practicable after receipt by it of a duly completed Assignment Agreement appearing on its face to comply with the terms of this Agreement and delivered in accordance with the terms of this Agreement, execute that Assignment Agreement.
- (b) The Facility Agent shall only be obliged to execute an Assignment Agreement delivered to it by the Existing Lender and the New Lender once it is satisfied in its sole discretion it has complied with all necessary “know your customer” or other similar checks under all applicable laws and regulations in relation to the assignment to such New Lender.

Subject to Clause 27.9 (*Pro rata interest settlement*), on the Transfer Date:

- (i) the Existing Lender will assign absolutely to the New Lender its rights under the Finance Documents and in respect of the Transaction Security expressed to be the subject of the assignment in the Assignment Agreement;
  - (ii) the Existing Lender will be released from the obligations (the “**Relevant Obligations**”) expressed to be the subject of the release in the Assignment Agreement (and any corresponding obligations by which it is bound in respect of the Transaction Security); and
  - (iii) the New Lender shall become a Party as a “Lender” and will be bound by obligations equivalent to the Relevant Obligations.
- (c) Lenders may utilise procedures other than those set out in this Clause 27.6 (*Procedure for assignment*) to assign their rights under the Finance Documents (but not, without the consent of the relevant Transaction Obligor or unless in accordance with Clause 27.5 (*Procedure for transfer*), to obtain a release by that Transaction Obligor from the obligations owed to that Transaction Obligor by the Lenders nor the assumption of equivalent obligations by a New Lender) **provided that** they comply with the conditions set out in Clause 27.2 (*Conditions of assignment or transfer*).

**27.7****Copy of Transfer Certificate or Assignment Agreement to Borrower**

The Facility Agent shall, as soon as reasonably practicable after it has executed a Transfer Certificate or an Assignment Agreement (and in any event no later than three Business Days of execution), send to the Borrower a copy of that Transfer Certificate or Assignment Agreement.

**27.8****Security over Lenders' rights**

In addition to the other rights provided to Lenders under this Clause 27 (*Changes to the Lenders*), each Lender may without consulting with or obtaining consent from any Transaction Obligor, at any time charge, assign or otherwise create Security in or over (whether by way of collateral or otherwise) all or any of its rights under any Finance Document to secure obligations of that Lender including, without limitation:

- (a) any charge, assignment or other Security to secure obligations to a federal reserve or central bank; and

- (b) any charge, assignment or other Security granted to any holders (or trustee or representatives of holders) of obligations owed, or securities issued, by that Lender as security for those obligations or securities,

except that no such charge, assignment or Security shall:

- (i) release a Lender from any of its obligations under the Finance Documents or substitute the beneficiary of the relevant charge, assignment or Security for the Lender as a party to any of the Finance Documents; or
- (ii) require any payments to be made by a Transaction Obligor other than or in excess of, or grant to any person any more extensive rights than, those required to be made or granted to the relevant Lender under the Finance Documents.

## 27.9

### Pro rata interest settlement

- (a) If the Facility Agent has notified the Lenders that it is able to distribute interest payments on a “*pro rata* basis” to Existing Lenders and New Lenders then (in respect of any transfer pursuant to Clause 27.5 (*Procedure for transfer*) or any assignment pursuant to Clause 27.6 (*Procedure for assignment*) the Transfer Date of which, in each case, is after the date of such notification and is not on the last day of an Interest Period):
  - (i) any interest or fees in respect of the relevant participation which are expressed to accrue by reference to the lapse of time shall continue to accrue in favour of the Existing Lender up to but excluding the Transfer Date (“**Accrued Amounts**”) and shall become due and payable to the Existing Lender (without further interest accruing on them) on the last day of the current Interest Period (or, if the Interest Period is longer than six Months, on the next of the dates which falls at six Monthly intervals after the first day of that Interest Period); and
  - (ii) the rights assigned or transferred by the Existing Lender will not include the right to the Accrued Amounts, so that, for the avoidance of doubt:
    - (A) when the Accrued Amounts become payable, those Accrued Amounts will be payable to the Existing Lender; and
    - (B) the amount payable to the New Lender on that date will be the amount which would, but for the application of this Clause 27.9 (*Pro rata interest settlement*), have been payable to it on that date, but after deduction of the Accrued Amounts.
- (b) In this Clause 27.9 (*Pro rata interest settlement*) references to “Interest Period” shall be construed to include a reference to any other period for accrual of fees.
- (c) An Existing Lender which retains the right to the Accrued Amounts pursuant to this Clause 27.9 (*Pro rata interest settlement*) but which does not have a Commitment shall be deemed not to be a Lender for the purposes of ascertaining whether the agreement of any specified group of Lenders has been obtained to approve any request for a consent, waiver, amendment or other vote of Lenders under the Finance Documents.

## **28 CHANGES TO THE OBLIGORS**

### **28.1 Assignment or transfer by Obligors**

No Obligor may assign any of its rights or transfer any of its rights or obligations under the Finance Documents, without the prior written consent of the Facility Agent.

### **28.2 Release of security**

- (a) If a disposal of any asset subject to security created by a Security Document is made in the following circumstances:
- (i) the disposal is permitted by the terms of any Finance Document;
  - (ii) the Lenders agree to the disposal;
  - (iii) the disposal is being made at the request of the Security Agent in circumstances where any security created by the Security Documents has become enforceable; or
  - (iv) the disposal is being effected by enforcement of a Security Document,

the Security Agent may release the asset(s) being disposed of from any security over those assets created by a Security Document. However, the proceeds of any disposal (or an amount corresponding to them) must be applied in accordance with the requirements of the Finance Documents (if any).

- (b) If the Security Agent is satisfied that a release is allowed under this Clause 28.2 (*Release of security*) (at the request and expense of the Borrower) each Finance Party must enter into any document and do all such other things which are reasonably required to achieve that release. Each other Finance Party irrevocably authorises the Security Agent to enter into any such document. Any release will not affect the obligations of any other Obligor under the Finance Documents.

### **28.3 Additional Subordinated Creditors**

- (a) The Borrower may request that any person becomes a Subordinated Creditor, with the prior approval of the Facility Agent, by delivering to the Facility Agent:
- (i) a duly executed Subordination Agreement;
  - (ii) a duly executed Subordinated Debt Security; and
  - (iii) such constitutional documents, corporate authorisations and other documents and matters as the Facility Agent may reasonably require, in form and substance satisfactory to the Facility Agent, to verify that the person's obligations are legally binding, valid and enforceable and to satisfy any applicable legal and regulatory requirements.
- (b) A person referred to in paragraph (a) above will become a Subordinated Creditor on the date the Security Agent enters into the Subordination Agreement and the Subordinated Debt Security delivered under paragraph (a) above.

## SECTION 10

### THE FINANCE PARTIES

#### 29 THE FACILITY AGENT, THE ARRANGER AND THE REFERENCE BANKS

##### 29.1 Appointment of the Facility Agent

- (a) Each of the Arranger and the Lenders appoints the Facility Agent to act as its agent under and in connection with the Finance Documents.
- (b) Each of the Arranger and the Lenders authorises the Facility Agent to perform the duties, obligations and responsibilities and to exercise the rights, powers, authorities and discretions specifically given to the Facility Agent under, or in connection with, the Finance Documents together with any other incidental rights, powers, authorities and discretions.

##### 29.2 Instructions

- (a) The Facility Agent shall:
  - (i) unless a contrary indication appears in a Finance Document, exercise or refrain from exercising any right, power, authority or discretion vested in it as Facility Agent in accordance with any instructions given to it by:
    - (A) all Lenders if the relevant Finance Document stipulates the matter is an all Lender decision; and
    - (B) in all other cases, the Majority Lenders; and
  - (ii) not be liable for any act (or omission) if it acts (or refrains from acting) in accordance with sub-paragraph (i) above (or, if this Agreement stipulates the matter is a decision for any other Finance Party or group of Finance Parties, in accordance with instructions given to it by that Finance Party or group of Finance Parties).
- (b) The Facility Agent shall be entitled to request instructions, or clarification of any instruction, from the Majority Lenders (or, if the relevant Finance Document stipulates the matter is a decision for any other Finance Party or group of Finance Parties, from that Finance Party or group of Finance Parties) as to whether, and in what manner, it should exercise or refrain from exercising any right, power, authority or discretion and the Facility Agent may refrain from acting unless and until it receives any such instructions or clarification that it has requested.
- (c) Save in the case of decisions stipulated to be a matter for any other Finance Party or group of Finance Parties under the relevant Finance Document and unless a contrary indication appears in a Finance Document, any instructions given to the Facility Agent by the Majority Lenders shall override any conflicting instructions given by any other Parties and will be binding on all Finance Parties.
- (d) Paragraph (a) above shall not apply:
  - (i) where a Finance Document requires the Facility Agent to act (on the instruction of the Majority Lenders or the Lenders as applicable) in a specified manner or to take a specified action;

- (ii) in respect of any provision which protects the Facility Agent's own position in its personal capacity as opposed to its role of Facility Agent for the relevant Finance Parties.
- (e) If giving effect to instructions given by the Majority Lenders would in the Facility Agent's opinion have an effect equivalent to an amendment or waiver referred to in Clause 42 (*Amendments and Waivers*), the Facility Agent shall not act in accordance with those instructions unless consent to it so acting is obtained from each Party (other than the Facility Agent) whose consent would have been required in respect of that amendment or waiver.
- (f) The Facility Agent may refrain from acting in accordance with any instructions of any Finance Party or group of Finance Parties until it has received any indemnification and/or security that it may in its discretion require (which may be greater in extent than that contained in the Finance Documents and which may include payment in advance) for any cost, loss or liability (together with any applicable VAT) which it may incur in complying with those instructions.
- (g) Without prejudice to the remainder of this Clause 29.2 (*Instructions*), in the absence of instructions, the Facility Agent shall not be obliged to take any action (or refrain from taking action) even if it considers acting or not acting to be in the best interests of the Finance Parties.
- (h) The Facility Agent is not authorised to act on behalf of a Finance Party (without first obtaining that Finance Party's consent) in any legal or arbitration proceedings relating to any Finance Document.

### 29.3

#### **Duties of the Facility Agent**

- (a) The Facility Agent's duties under the Finance Documents are solely mechanical and administrative in nature.
- (b) Subject to paragraph (c) below, the Facility Agent shall promptly forward to a Party the original or a copy of any document which is delivered to the Facility Agent for that Party by any other Party.
- (c) Without prejudice to Clause 27.7 (*Copy of Transfer Certificate or Assignment Agreement to Borrower*), paragraph (b) above shall not apply to any Transfer Certificate or any Assignment Agreement.
- (d) Notwithstanding anything set out in any Transaction Document, the Facility Agent is not obliged to review or check the adequacy, accuracy or completeness of any document it forwards to another Party.
- (e) If the Facility Agent receives notice from a Party referring to any Finance Document, describing a circumstance and stating that the circumstance described is a Default, it shall promptly notify the other Finance Parties but shall not have any duty to verify whether the circumstance described has actually occurred or whether it constitutes a Default, unless it receives instructions from the Majority Lenders to investigate such circumstance.
- (f) If the Facility Agent is aware of the non-payment of any principal, interest, commitment fee or other fee payable to a Finance Party (other than the Facility Agent, the Arranger or

the Security Agent) under this Agreement, it shall promptly notify the other Finance Parties.

- (g) The Facility Agent shall have only those duties, obligations and responsibilities expressly specified in the Finance Documents to which it is expressed to be a party (and no others shall be implied).

**29.4 Role of the Arranger**

Except as specifically provided in the Finance Documents, the Arranger has no obligations of any kind to any other Party under or in connection with any Finance Document.

**29.5 No fiduciary duties**

- (a) Nothing in any Finance Document constitutes the Facility Agent or the Arranger as a trustee or fiduciary of any other person.
- (b) Neither the Facility Agent nor the Arranger shall be bound to account to other Finance Party for any sum or the profit element of any sum received by it for its own account.

**29.6 Application of receipts**

Except as expressly stated to the contrary in any Finance Document, any moneys which the Facility Agent receives or recovers in its capacity as Facility Agent shall be applied by the Facility Agent in accordance with Clause 33.5 (*Application of receipts; partial payments*).

**29.7 Business with the Group**

The Facility Agent and the Arranger may accept deposits from, lend money to, and generally engage in any kind of banking or other business with, any member of the Group.

**29.8 Rights and discretions**

- (a) The Facility Agent may:
- (i) rely on any representation, communication, notice or document believed by it to be genuine, correct and appropriately authorised;
  - (ii) assume that:
    - (A) any instructions received by it from the Majority Lenders, any Finance Parties or any group of Finance Parties are duly given in accordance with the terms of the Finance Documents; and
    - (B) unless it has received notice of revocation, that those instructions have not been revoked; and
  - (iii) rely on a certificate from any person:
    - (A) as to any matter of fact or circumstance which might reasonably be expected to be within the knowledge of that person; or
    - (B) to the effect that such person approves of any particular dealing, transaction, step, action or thing,

as sufficient evidence that that is the case and, in the case of paragraph (A) above, may assume the truth and accuracy of that certificate.

- (b) The Facility Agent may assume (unless it has received notice to the contrary in its capacity as agent for the Finance Parties) that:
  - (i) no Default has occurred (unless it has actual knowledge of a Default arising under Clause 26.2 (*Non-payment*));
  - (ii) any right, power, authority or discretion vested in any Party or any group of Finance Parties has not been exercised; and
  - (iii) any notice or request made by the Borrower (other than a Utilisation Request or a Selection Notice) is made on behalf of and with the consent and knowledge of all the Transaction Obligors.
- (c) The Facility Agent may engage (at the Borrower's expense) the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts.
- (d) Without prejudice to the generality of paragraph (c) above or paragraph (e) below, the Facility Agent may at any time engage (at the Borrower's expense) the services of any lawyers to act as independent counsel to the Facility Agent (and so separate from any lawyers instructed by the Lenders) if the Facility Agent in its reasonable opinion deems this to be desirable.
- (e) The Facility Agent may rely on the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts (whether obtained by the Facility Agent or by any other Party) and shall not be liable for any damages, costs or losses to any person, any diminution in value or any liability whatsoever arising as a result of its so relying.
- (f) The Facility Agent may act in relation to the Finance Documents and the Security Property through its officers, employees and agents and shall not:
  - (i) be liable for any error of judgment made by any such person; or
  - (ii) be bound to supervise, or be in any way responsible for any loss incurred by reason of misconduct, omission or default on the part of any such person,

unless such error or such loss was directly caused by the Facility Agent's gross negligence or wilful misconduct.

- (g) Unless a Finance Document expressly provides otherwise the Facility Agent may disclose to any other Party any information it reasonably believes it has received as agent under the Finance Documents.
- (h) Notwithstanding any other provision of any Finance Document to the contrary and without prejudice to Clause 29.5 (*No fiduciary duties*), neither the Facility Agent nor the Arranger is obliged to do or omit to do anything if it would or might, in its reasonable opinion, constitute a breach of any law or regulation or a breach of a fiduciary duty or duty of confidentiality.

- (i) Notwithstanding any provision of any Finance Document to the contrary, the Facility Agent is not obliged to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties, obligations or responsibilities or the exercise of any right, power, authority or discretion if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not reasonably assured to it.

**29.9 Responsibility for documentation**

Neither the Facility Agent nor the Arranger is responsible or liable for:

- (a) the adequacy, accuracy or completeness of any information (whether oral or written) supplied by the Facility Agent, the Security Agent, the Arranger, a Transaction Obligor or any other person in, or in connection with, any Transaction Document or the transactions contemplated in the Transaction Documents or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Transaction Document; or
- (b) the legality, validity, effectiveness, adequacy or enforceability of any Transaction Document or the Security Property or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with, any Transaction Document or the Security Property; or
- (c) any determination as to whether any information provided or to be provided to any Finance Party or Secured Party is non-public information the use of which may be regulated or prohibited by applicable law or regulation relating to insider dealing or otherwise.

**29.10 No duty to monitor**

The Facility Agent shall not be bound to enquire:

- (a) whether or not any Default has occurred;
- (b) as to the performance, default or any breach by any Transaction Obligor of its obligations under any Transaction Document; or
- (c) whether any other event specified in any Transaction Document has occurred.

**29.11 Exclusion of liability**

- (a) Without limiting paragraph (b) below (and without prejudice to paragraph (e) of Clause 33.11 (*Disruption to Payment Systems etc.*) or any other provision of any Finance Document excluding or limiting the liability of the Facility Agent), the Facility Agent will not be liable (including, without limitation, for negligence) for:
  - (i) any damages, costs or losses to any person, any diminution in value, or any liability whatsoever arising as a result of taking or not taking any action under or in connection with any Transaction Document or the Security Property, unless directly caused by its gross negligence or wilful misconduct;
  - (ii) exercising, or not exercising, any right, power, authority or discretion given to it by, or in connection with, any Transaction Document, the Security Property or any other

agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with, any Transaction Document or the Security Property; or

- (iii) any shortfall which arises on the enforcement or realisation of the Security Property; or
- (iv) without prejudice to the generality of paragraphs (i) to (iii) above, any damages, costs or losses to any person, any diminution in value or any liability whatsoever arising as a result of:
  - (A) any act, event or circumstance not reasonably within its control; or
  - (B) the general risks of investment in, or the holding of assets in, any jurisdiction,

including (in each case and without limitation) such damages, costs, losses, diminution in value or liability arising as a result of nationalisation, expropriation or other governmental actions; any regulation, currency restriction, devaluation or fluctuation; market conditions affecting the execution or settlement of transactions or the value of assets (including any Disruption Event); breakdown, failure or malfunction of any third party transport, telecommunications, computer services or systems; natural disasters or acts of God; war, terrorism, insurrection or revolution; or strikes or industrial action.

- (b) No Party other than the Facility Agent may take any proceedings against any officer, employee or agent of the Facility Agent in respect of any claim it might have against the Facility Agent or in respect of any act or omission of any kind by that officer, employee or agent in relation to any Transaction Document or any Security Property and any officer, employee or agent of the Facility Agent may rely on this Clause subject to Clause 1.5 (*Third party rights*) and the provisions of the Third Parties Act.
- (c) The Facility Agent will not be liable for any delay (or any related consequences) in crediting an account with an amount required under the Finance Documents to be paid by the Facility Agent if the Facility Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Facility Agent for that purpose.
- (d) Nothing in this Agreement shall oblige the Facility Agent or the Arranger to carry out:
  - (i) any "know your customer" or other checks in relation to any person; or
  - (ii) any check on the extent to which any transaction contemplated by this Agreement might be unlawful for any Finance Party,

on behalf of any Finance Party and each Finance Party confirms to the Facility Agent and the Arranger that it is solely responsible for any such checks it is required to carry out and that it may not rely on any statement in relation to such checks made by the Facility Agent or the Arranger.

- (e) Without prejudice to any provision of any Finance Document excluding or limiting the Facility Agent's liability, any liability (including, without limitation, for negligence) of the Facility Agent arising under or in connection with any Transaction Document or the Security Property shall be limited to the amount of actual loss which has been finally

## SECTION 12

### GOVERNING LAW AND ENFORCEMENT

#### 46 GOVERNING LAW

This Agreement and any non-contractual obligations arising out of or in connection with it are governed by English law.

#### 47 ENFORCEMENT

##### 47.1 Jurisdiction

- (a) Unless specifically provided in another Finance Document in relation to that Finance Document, the courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with any Finance Document (including a dispute regarding the existence, validity or termination of any Finance Document or any non-contractual obligation arising out of or in connection with any Finance Document) (a **"Dispute"**).
- (b) The Obligors accept that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Obligor will argue to the contrary.
- (c) This Clause 47.1 (*Jurisdiction*) is for the benefit of the Secured Parties only. As a result, no Secured Party shall be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Secured Parties may take concurrent proceedings in any number of jurisdictions.

##### 47.2 Service of process

- (a) Without prejudice to any other mode of service allowed under any relevant law, each Obligor (other than an Obligor incorporated or formed in England and Wales):
  - (i) irrevocably appoints Saville & Co. at its registered office for the time being, presently at One Carey Lane, London EC2V 8AE, England as its agent for service of process in relation to any proceedings before the English courts in connection with any Finance Document; and
  - (ii) agrees that failure by a process agent to notify the relevant Obligor of the process will not invalidate the proceedings concerned.
- (b) If any person appointed as an agent for service of process is unable for any reason to act as agent for service of process, the Borrower (on behalf of all the Obligors) must immediately (and in any event within 3 days of such event taking place) appoint another agent on terms acceptable to the Facility Agent. Failing this, the Facility Agent may appoint another agent for this purpose.

If it becomes unlawful in any applicable jurisdiction for a Lender to perform any of its obligations as contemplated by this Agreement or to fund or maintain its participation in a Tranche or the Loan or any part of the Loan or any part thereof or it becomes unlawful for any Affiliate of a Lender for that Lender to do so:

- (a) that Lender shall promptly notify the Facility Agent upon becoming aware of that event;
- (b) upon the Facility Agent notifying the Borrowers, the Available Commitment of that Lender will be immediately cancelled; and
- (c) the Borrowers shall prepay that Lender's participation in the Loan on the last day of the Interest Period applicable to the Loan occurring after the Facility Agent has notified the Borrowers or, if earlier, the date specified by that Lender in the notice delivered to the Facility Agent (being no earlier than the last day of any applicable grace period permitted by law) and that Lender's corresponding Commitment shall be cancelled in the amount of the participation prepaid.

### 7.2 Voluntary cancellation

The Borrowers may, if they give the Facility Agent not less than 5 Business Days' (or such shorter period as the Majority Lenders may agree) prior notice, cancel the whole or any part (being a minimum amount of \$1,000,000 or a multiple of that amount) of the Available Facility.

### 7.3 Voluntary prepayment of Loan

The Borrowers may, if they give the Facility Agent not less than 5 Business Days' prior irrevocable written notice, prepay the whole or any part of the Loan (but, if in part, being a minimum amount of \$1,000,000 or a multiple of that amount) on the last day of an Interest Period.

### 7.4 Mandatory prepayment on sale or Total Loss

- (a) If a Ship is sold (without prejudice to paragraph (a) of Clause 22.12 (*Disposals*)) or becomes a Total Loss the Borrowers shall, on the Relevant Date, prepay the Relevant Amount.
- (b) Provided that no Default has occurred and is continuing, any remaining proceeds of the sale or Total Loss of a Ship after the prepayment referred to in paragraph (a) above has been made, together with all other amounts that are payable on any such prepayment pursuant to the Finance Documents, shall be paid to the Borrowers.
- (c) Each Borrower undertakes, in the case of a sale or Total Loss of the Ship owned by it, to deposit the sale proceeds relating to such sale or the insurance proceeds relating to such Total Loss (as the case may be) to the Earnings Account in respect of that Borrower to be applied towards the prepayment of the Loan as required to be made by the Borrowers pursuant to paragraph
- (d) and (b) above.

In this Clause 7.4 (Mandatory prepayment on sale or Total Loss):

"**Relevant Amount**" means:

- (a) any amount outstanding, at the time, under the Tranche relating to the Ship which has been sold or become a Total Loss; and
- (b) an additional amount (if necessary) which after the application of the prepayment in paragraph (a) above to be made pursuant to this Clause 7.4 (*Mandatory prepayment on sale or Total Loss*) results in the Security Cover Ratio being the higher of:
  - (i) 130 per cent.; and
  - (ii) the percentage which applied immediately prior to the relevant Total Loss or the sale (as applicable).

For the avoidance of doubt, the additional amount under (b) shall be applied pro rata against the Loan outstanding under the remaining Tranches in inverse order of maturity.

  - (i) the date on which the sale is completed by delivery of that Ship to the buyer of that Ship; and

## 7.5 **Change of Control**

If a Change of Control occurs the Borrowers and the Parent Guarantor shall promptly notify the Facility Agent upon becoming aware of that event and if the Majority Lenders so require, the Facility Agent shall (acting on the instructions of the Majority Lenders), by not less than 15 days' notice to the Borrowers, cancel the Facility and declare the Loan, together with accrued interest, and all other amounts accrued under the Finance Documents immediately due and payable, whereupon the Facility will be cancelled and the Loan and all such outstanding interest and other amounts will become immediately due and payable.

For the purpose of this clause, a "**Change of Control**" occurs if, during the Security Period:

(a) a change occurs in the direct or indirect legal or beneficial ownership or control of any Borrower (other than a change in the legal or beneficial ownership or control of the Parent Guarantor which does not otherwise constitute a Change of Control in accordance with this definition);

(b) Mr George Giouroukos ceases to own at least 50 per cent. of the number of shares of the Parent Guarantor (either directly or through one or more affiliates) held by him on the date of the completion of the Merger (excluding any share split or reverse split) other than by reason of death or other incapacity in managing his affairs;

(c) Mr George Giouroukos ceases to be the Executive Chairman of (or to hold an equivalent executive officer position in) the Parent Guarantor other than by reason of death or other incapacity in managing his affairs; or

that Lender and its intention to procure the repayment of that Lender's participation in the Loan.

- (b) On receipt of a notice of cancellation referred to in paragraph (a) above, the Commitment of that Lender shall immediately be reduced to zero.

#### 7.7 Termination of Initial Charter

- (a) If, in respect of a Ship, the Initial Charter relating to that Ship is frustrated, terminated (except by mere effluxion of time or in the case of Total Loss of that Ship), cancelled or rescinded or purported to be cancelled or rescinded prior to its expiration date, the Borrowers shall prepay the Tranche in respect of that Ship.
- (b) No such prepayment will need to be made if, as soon as possible after (and in any event within 60 days after) such cancellation, rescission, termination or withdrawal the Borrower owning that Ship has entered into a charter (which shall, without limitation, include a binding and unconditional recapitulation of terms, a "**Replacement Charter**") in respect of that Ship on terms (including, without limitation as to the tenor and charter hire) acceptable to the Facility Agent in its absolute discretion and, promptly after the entry into such Replacement Charter, that Borrower has granted in favour of the Security Agent a Charterparty Assignment in respect of such Replacement Charter.

- (f) If the Facility Agent receives a notice under this Clause 7 (*Prepayment and Cancellation*) it shall promptly forward a copy of that notice to either the Borrowers and/or the affected Lenders, as appropriate.
- (g) If all or part of any Lender's participation in the Loan is repaid or prepaid, an amount of that Lender's Commitment (equal to the amount of the participation which is repaid or prepaid) will be deemed to be cancelled on the date of repayment or prepayment.

**7.9****Application of prepayments**

Subject to Clause 6.2 (d) (*Effect of cancellation and prepayment on scheduled repayments*), any prepayment of any part of the Loan (other than a prepayment pursuant to Clause 7.1 (*Illegality*) or Clause 7.6 (*Right of repayment and cancellation in relation to a single Lender*)) shall be applied pro rata to each Lender's participation in that part of the Loan.

Any interest accruing under this Clause 8.3 (*Default interest*) shall be immediately payable by the Transaction Obligor on demand by the Facility Agent.

## SECTION 6

## ADDITIONAL PAYMENT OBLIGATIONS

## 12 TAX GROSS UP AND INDEMNITIES

## 12.1 Definitions

(a) In this Agreement:

"**Protected Party**" means a Finance Party which is or will be subject to any liability, or required to make any payment, for or on account of Tax in relation to a sum received or receivable (or any sum deemed for the purposes of Tax to be received or receivable) under a Finance Document.

"**Tax Credit**" means a credit against, relief or remission for, or repayment of any Tax.

"**Tax Deduction**" means a deduction or withholding for or on account of Tax from a payment under a Finance Document, other than a FATCA Deduction.

"**Tax Payment**" means either the increase in a payment made by an Obligor to a Finance Party under Clause 12.2 (*Tax gross-up*) or a payment under Clause 12.3 (*Tax indemnity*).

(b) Unless a contrary indication appears, in this Clause 12 (*Tax Gross Up and Indemnities*) reference to "determines" or "determined" means a determination made in the absolute discretion of the person making the determination.

## 12.2 Tax gross-up

(a) Each Obligor shall make all payments to be made by it without any Tax Deduction, unless a Tax Deduction is required by law.

(b) The Borrowers shall promptly upon becoming aware that an Obligor must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Facility Agent accordingly. Similarly, a Lender shall notify the Facility Agent on becoming so aware in respect of a payment payable to that Lender. If the Facility Agent receives such notification from a Lender it shall notify the Borrowers and that Obligor.

(c) If a Tax Deduction is required by law to be made by an Obligor, the amount of the payment due from that Obligor shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required.

(d) If an Obligor is required to make a Tax Deduction, that Obligor shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.

(e) Within 30 days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Obligor making that Tax Deduction shall deliver to the Facility Agent for the Finance Party entitled to the payment evidence reasonably satisfactory to that Finance Party that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.

**12.3 Tax indemnity**

- (a) The Obligors shall (within three Business Days of demand by the Facility Agent) pay to a Protected Party an amount equal to the loss, liability or cost which that Protected Party determines will be or has been (directly or indirectly) suffered for or on account of Tax by that Protected Party in respect of a Finance Document.
- (b) Paragraph (a) above shall not apply:
- (i) with respect to any Tax assessed on a Finance Party:
- (A) under the law of the jurisdiction in which that Finance Party is incorporated or, if different, the jurisdiction (or jurisdictions) in which that Finance Party is treated as resident for tax purposes; or
- (B) under the law of the jurisdiction in which that Finance Party's Facility Office is located in respect of amounts received or receivable in that jurisdiction,
- if that Tax is imposed on or calculated by reference to the net income received or receivable (but not any sum deemed to be received or receivable) by that Finance Party; or
- (ii) to the extent a loss, liability or cost:
- (A) is compensated for by an increased payment under Clause 12.2 (*Tax gross-up*); or
- (B) relates to a FATCA Deduction required to be made by a Party.
- (c) A Protected Party making, or intending to make, a claim under paragraph (a) above shall promptly notify the Facility Agent of the event which will give, or has given, rise to the claim, following which the Facility Agent shall notify the Obligors.
- (d) A Protected Party shall, on receiving a payment from an Obligor under this Clause 12.3 (*Tax indemnity*), notify the Facility Agent.

**12.4 Tax Credit**

If an Obligor makes a Tax Payment and the relevant Finance Party determines that:

- (a) a Tax Credit is attributable to an increased payment of which that Tax Payment forms part, to that Tax Payment or to a Tax Deduction in consequence of which that Tax Payment was received; and
- (b) that Finance Party has obtained and utilised that Tax Credit,

the Finance Party shall pay an amount to the Obligor which that Finance Party determines will leave it (after that payment) in the same after-Tax position as it would have been in had the Tax Payment not been required to be made by the Obligor.

**12.5 Stamp taxes**

The Obligors shall pay and, within three Business Days of demand, indemnify each Secured Party against any cost, loss or liability which that Secured Party incurs in relation to all stamp duty, registration and other similar Taxes payable in respect of any Finance Document.

**12.6 VAT**

- (a) All amounts expressed to be payable under a Finance Document by any Party to a Finance Document which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply, and accordingly, subject to paragraph (b) below, if VAT is or becomes chargeable on any supply made by any Finance Party to any Party under a Finance Document and such Finance Party is required to account to the relevant tax authority for the VAT, that Party must pay to such Finance Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT (and such Finance Party must promptly provide an appropriate VAT invoice to that Party).
- (b) If VAT is or becomes chargeable on any supply made by any Finance Party (the "**Supplier**") to any other Finance Party (the "**Recipient**") under a Finance Document, and any Party other than the Recipient (the "**Relevant Party**") is required by the terms of any Finance Document to pay an amount equal to the consideration for that supply to the Supplier (rather than being required to reimburse or indemnify the Recipient in respect of that consideration):
- (i) (where the Supplier is the person required to account to the relevant tax authority for the VAT) the Relevant Party must also pay to the Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The Recipient must (where this subparagraph (i) applies) promptly pay to the Relevant Party an amount equal to any credit or repayment the Recipient receives from the relevant tax authority which the Recipient reasonably determines relates to the VAT chargeable on that supply; and
  - (ii) (where the Recipient is the person required to account to the relevant tax authority for the VAT) the Relevant Party must promptly, following demand from the Recipient, pay to the Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.
- (c) Where a Finance Document requires any Party to reimburse or indemnify a Finance Party for any cost or expense, that Party shall reimburse or indemnify (as the case may be) such Finance Party for the full amount of such cost or expense, including such part of it as represents VAT, save to the extent that such Finance Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.
- (d) Any reference in this Clause 12.6 (VAT) to any Party shall, at any time when that Party is treated as a member of a group or unity (or fiscal unity) for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the person who is treated at that time as making the supply, or (as appropriate) receiving the supply, under the grouping rules provided for in Article 11 of Council Directive 2006/112/EC (or as implemented by the relevant member state of the European Union or equivalent provisions imposed elsewhere) so that a reference to a Party shall be construed as a reference to that Party or the relevant group or unity (or fiscal unity) of which that Party is a member for VAT purposes at the relevant time or the relevant representative member (or representative or head) of that group or unity at the relevant time (as the case may be).
- (e) In relation to any supply made by a Finance Party to any Party under a Finance Document, if reasonably requested by such Finance Party, that Party must promptly provide such Finance Party with details of that Party's VAT registration and such other information as is reasonably

requested in connection with such Finance Party's VAT reporting requirements in relation to such supply.

- (c) Paragraph (a) above shall not oblige any Finance Party to do anything and sub-paragraph (iii) of paragraph (a) above shall not oblige any other Party to do anything which would or might in its reasonable opinion constitute a breach of:

  - (ii) any fiduciary duty; or
  - (iii) any duty of confidentiality.
- (d) If a Party fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with sub-paragraphs (i) or (ii) of paragraph (a) above (including, for the avoidance of doubt, where paragraph (c) above applies), then such Party shall be treated for the purposes of the Finance Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the Party in question provides the requested confirmation, forms, documentation or other information.
- (e) If a Borrower is a US Tax Obligor, or the Facility Agent reasonably believes that its obligations under FATCA or any other applicable law or regulation require it, each Lender shall, within ten Business Days of:
- (i) where a Borrower is a US Tax Obligor and the relevant Lender is an Original Lender, the date of this Agreement;

- (f) The Facility Agent shall provide any withholding certificate, withholding statement, document, authorisation or waiver it receives from a Lender pursuant to paragraph (e) above to the Borrowers.
- (g) If any withholding certificate, withholding statement, document, authorisation or waiver provided to the Facility Agent by a Lender pursuant to paragraph (e) above is or becomes materially inaccurate or incomplete, that Lender shall promptly update it and provide such updated withholding certificate, withholding statement, document, authorisation or waiver to the Facility Agent unless it is unlawful for the Lender to do so (in which case the Lender shall promptly notify the Facility Agent). The Facility Agent shall provide any such updated withholding certificate, withholding statement, document, authorisation or waiver to the Borrowers.
- (h) The Facility Agent may rely on any withholding certificate, withholding statement, document, authorisation or waiver it receives from a Lender pursuant to paragraph (e) or (g) above without further verification. The Facility Agent shall not be liable for any action taken by it under or in connection with paragraphs (e), (f) or (g) above.

## **12.8 FATCA Deduction**

- (a) Each Party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no Party shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction.
- (b) Each Party shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or the basis of such FATCA Deduction), notify the Party to whom it is making the payment and, in addition, shall notify each Obligor and the Facility Agent and the Facility Agent shall notify the other Finance Parties.

**26.4 Shortfall in Earnings**

- (a) If the aggregate of the credit balances on the Earnings Accounts is insufficient in any calendar month for the required amount to be transferred to the Retention Account under Clause 26.3 (*Monthly retentions*), the Borrowers shall make up the amount of the insufficiency on demand from the Facility Agent.
- (b) Without prejudicing the Facility Agent's right to make such demand at any time, the Facility Agent may, if so authorised by the Majority Lenders, permit the Borrowers to make up all or part of the insufficiency by increasing the amount of any transfer under Clause 26.3 (*Monthly retentions*) from the Earnings received in the next or subsequent calendar months.

**26.5 Application of Earnings**

The Earnings on the Earnings Accounts shall be used in the following order of application:

- (a) FIRSTLY, for and towards payment of any unpaid fees, costs and expenses due to a Finance Party under this Agreement and the Finance Documents;
- (b) SECONDLY, for and towards payment of all amounts (other than principal and/or interest) due under this Agreement and the Finance Documents;
- (c) THIRDLY, for and towards making the transfers to the Retention Account required pursuant to Clause 26.3 (*Monthly retentions*);
- (d) FOURTHLY, for and towards payment of the liabilities of the Borrowers (including, but not limited to, the repayment of principal, interest, default interest and all relevant costs, expenses and indemnities) under this Agreement and the other Finance Documents to the extent not already covered by the retentions set out in paragraph (a) to (c) above;
- (e) FIFTHLY, for and towards any payment of the Special Reserve Amount and the Dry Docking Reserve Amount;
- (f) SIXTHLY, for and towards payment of the Operating Expenses of the Ships which are due and payable at such time; and
- (g) SEVENTHLY, subject to Clause 22.18 (*Dividends*) and provided that no Event of Default has occurred and is continuing at that time, any remaining amounts standing to the credit of the Earnings Accounts after application pursuant to the foregoing paragraphs shall be available to the Borrowers.

**26.6 Application of retentions**

- (a) The Security Agent has sole signing rights in relation to the Retention Account.
- (b) Until an Event of Default occurs, the Facility Agent shall instruct the Security Agent to release to it, on each Repayment Date and on each Interest Payment Date, for distribution to the Finance Parties in accordance with Clause 34.2 (*Distributions by the Facility Agent*) so much of the then balance on the Retention Account as equals:
- (i) any Repayment Instalment due on that Repayment Date;
- (ii) the amount of interest payable on that Interest Payment Date;

in discharge of the Borrowers' liability for that Repayment Instalment or that interest, as the case may be.

**26.7 Interest accrued on Retention Account**

Whenever a payment is due to be made from any of the Earnings Accounts or the Retention Account in accordance with this Clause 26, the Borrowers shall authorise the Account Bank to pay such amounts from the Earnings Accounts (or any of them) or the Retention Account to the applicable payee unless the Facility Agent notifies the Account Bank that:

- (a) an Event of Default has occurred and is continuing or would occur as a result (wholly or partly) of such withdrawal; or
- (b) any of Earnings Accounts or the Retention Account is overdrawn or would become overdrawn as a result of such withdrawal, whereby the Account Bank will act only in accordance with the instructions given by persons authorised by the Facility Agent in respect of the Earnings Accounts and the Retention Account.

### 27.5 Misrepresentation

Any representation or statement made or deemed to be made by a Transaction Obligor in the Finance Documents or any other document delivered by or on behalf of any Transaction Obligor under or in connection with any Finance Document is or proves to have been incorrect or misleading when made or deemed to be made unless such misrepresentation or statement is determined by the Facility Agent (acting on the instructions of the Majority Lenders) to have been made in error and is rectified within five Business Days from the date of such representation or statement.

- (b) A moratorium is declared in respect of any indebtedness of any Transaction Obligor. If a moratorium occurs, the ending of the moratorium will not remedy any Event of Default caused by that moratorium.

#### 27.8 **Insolvency proceedings**

- (a) Any corporate action, legal proceedings or other procedure or step is taken in relation to:

- (b) The state of the Approved Flag of a Ship or any Relevant Jurisdiction is or becomes involved in hostilities or civil war or there are events of political risk or instability or there is a seizure of power in such state by unconstitutional means, or any other event occurs in relation to a Ship, the Mortgage on that Ship or its Approved Flag and in the opinion of the Facility Agent such event is likely to have a Material Adverse Effect and the Borrower owning that Ship fails upon the request of the Facility Agent to promptly (and in any case within such timing as may be reasonably set by the Facility Agent, acting on the instructions of the Majority Lenders) register that Ship in its name under another Approved Flag together with a first priority or first preferred ship mortgage (as the case may be and as required under the relevant state of the Approved Flag) in favour of the Security Agent and on such terms as required by the Facility Agent at the relevant time and in any case on substantially the same terms as the terms of the Mortgage.

**27.19 Acceleration**

On and at any time after the occurrence of an Event of Default the Facility Agent may, and shall if so directed by the Majority Lenders:

- (a) by notice to the Borrowers:
  - (i) cancel the Total Commitments, whereupon they shall immediately be cancelled;
  - (ii) declare that all or part of the Loan, together with accrued interest, and all other amounts accrued or outstanding under the Finance Documents be immediately due and payable, whereupon it shall become immediately due and payable; and/or

**SECTION 9**  
**CHANGES TO PARTIES**

**28 CHANGES TO THE LENDERS**

**28.1 Assignments and transfers by the Lenders**

Subject to this Clause 28 (*Changes to the Lenders*) and without prejudice to any other rights available to it as a matter of applicable law, a Lender (the "**Existing Lender**") may (without any requirement for the Obligors to consent but with a 45 days' prior written notice) at any time:

- (a) assign any of its rights; or
  - (b) transfer by novation any of its rights and obligations (including, for the avoidance of doubt, its Commitment), under the Finance Documents to:
    - (i) another Lender;
    - (ii) any Affiliate of a Lender;
    - (iii) any other first class bank or financial institution;
    - (iv) any member of the European System of Central Banks; or
    - (v) any insurance company, trust or capital investment company or fund which is regularly engaged in or established for the purpose of making, purchasing or investing in loans, securities or other financial assets.
- (the "**New Lender**").

**28.2 Conditions of assignment or transfer**

- (a) An assignment will only be effective on:
  - (i) receipt by the Facility Agent (whether in the Assignment Agreement or otherwise) of written confirmation from the New Lender (in form and substance satisfactory to the Facility Agent) that the New Lender will assume the same obligations to the other Secured Parties as it would have been under if it had been an Original Lender; and
  - (ii) performance by the Facility Agent of all necessary "know your customer" or other similar checks under all applicable laws and regulations in relation to such assignment to a New Lender, the completion of which the Facility Agent shall promptly notify to the Existing Lender and the New Lender.
- (b) Each Obligor on behalf of itself and each Transaction Obligor agrees that all rights and interests (present, future or contingent) which the Existing Lender has under or by virtue of the Finance Documents are assigned to the New Lender absolutely, free of any defects in the Existing Lender's title and of any rights or equities which the Borrower or any other Transaction Obligor had against the Existing Lender.

(c) A transfer will only be effective if the procedure set out in Clause 28.5 (*Procedure for transfer*) is complied with.

(d) If:

- (i) a Lender assigns or transfers any of its rights or obligations under the Finance Documents or changes its Facility Office; and
- (ii) as a result of circumstances existing at the date the assignment, transfer or change occurs, a Transaction Obligor would be obliged to make a payment to the New Lender or Lender acting through its new Facility Office under Clause 12 (*Tax Gross Up and Indemnities*) or under that Clause as incorporated by reference or in full in any other Finance Document or Clause 13 (*Increased Costs*),

then the New Lender or Lender acting through its new Facility Office is only entitled to receive payment under those Clauses to the same extent as the Existing Lender or Lender acting through its previous Facility Office would have been if the assignment, transfer or change had not occurred. This paragraph (d) shall not apply in respect of an assignment or transfer made in the ordinary course of the primary syndication of the Facility.

(e) Each New Lender, by executing the relevant Transfer Certificate or Assignment Agreement, confirms, for the avoidance of doubt, that the Facility Agent has authority to execute on its behalf any amendment or waiver that has been approved by or on behalf of the requisite Lender or Lenders in accordance with this Agreement on or prior to the date on which the transfer or assignment becomes effective in accordance with this Agreement and that it is bound by that decision to the same extent as the Existing Lender would have been had it remained a Lender.

### **28.3 Assignment or transfer fee**

The New Lender shall, on the date upon which an assignment or transfer takes effect, pay to the Facility Agent (for its own account) a fee of \$2,500 unless otherwise agreed with or waived by the Facility Agent.

### **28.4 Limitation of responsibility of Existing Lenders**

(a) Unless expressly agreed to the contrary, an Existing Lender makes no representation or warranty and assumes no responsibility to a New Lender for:

- (i) the legality, validity, effectiveness, adequacy or enforceability of the Transaction Documents, the Transaction Security or any other documents;
- (ii) the financial condition of any Transaction Obligor;
- (iii) the performance and observance by any Transaction Obligor of its obligations under the Transaction Documents or any other documents; or
- (iv) the accuracy of any statements (whether written or oral) made in or in connection with any Transaction Document or any other document,

and any representations or warranties implied by law are excluded.

- (b) Each New Lender confirms to the Existing Lender and the other Finance Parties and the Secured Parties that it:
- (i) has made (and shall continue to make) its own independent investigation and assessment of the financial condition and affairs of each Transaction Obligor and its related entities in connection with its participation in this Agreement and has not relied exclusively on any information provided to it by the Existing Lender or any other Finance Party in connection with any Transaction Document or the Transaction Security; and
  - (ii) will continue to make its own independent appraisal of the creditworthiness of each Transaction Obligor and its related entities throughout the Security Period.
- (c) Nothing in any Finance Document obliges an Existing Lender to:
- (i) accept a re-transfer or re-assignment from a New Lender of any of the rights and obligations assigned or transferred under this Clause 28 (*Changes to the Lenders*); or
  - (ii) support any losses directly or indirectly incurred by the New Lender by reason of the non-performance by any Transaction Obligor of its obligations under the Transaction Documents or otherwise.

## 28.5 Procedure for transfer

- (a) Subject to the conditions set out in Clause 28.2 (*Conditions of assignment or transfer*), a transfer is effected in accordance with paragraph (c) below when the Facility Agent executes an otherwise duly completed Transfer Certificate delivered to it by the Existing Lender and the New Lender. The Facility Agent shall, subject to paragraph (b) below as soon as reasonably practicable after receipt by it of a duly completed Transfer Certificate appearing on its face to comply with this Agreement and delivered in accordance with this Agreement, execute that Transfer Certificate.
- (b) The Facility Agent shall only be obliged to execute a Transfer Certificate delivered to it by the Existing Lender and the New Lender once it is satisfied it has complied with all necessary "know your customer" or other similar checks under all applicable laws and regulations in relation to the transfer to such New Lender.
- (c) Subject to Clause 28.9 (*Pro rata interest settlement*), on the Transfer Date:
- (i) to the extent that in the Transfer Certificate the Existing Lender seeks to transfer by novation its rights and obligations under the Finance Documents and in respect of the Transaction Security, each of the Transaction Obligors and the Existing Lender shall be released from further obligations towards one another under the Finance Documents and in respect of the Transaction Security and their respective rights against one another under the Finance Documents and in respect of the Transaction Security shall be cancelled (being the "**Discharged Rights and Obligations**");
  - (ii) each of the Transaction Obligors and the New Lender shall assume obligations towards one another and/or acquire rights against one another which differ from the Discharged Rights and Obligations only insofar as that Transaction Obligor and the New Lender have assumed and/or acquired the same in place of that Transaction Obligor and the Existing Lender;

- (iii) the Facility Agent, the Security Agent, the New Lender and other Lenders shall acquire the same rights and assume the same obligations between themselves and in respect of the Transaction Security as they would have acquired and assumed had the New Lender been an Original Lender with the rights and/or obligations acquired or assumed by it as a result of the transfer and to that extent the Facility Agent, the Security Agent, and the Existing Lenders shall each be released from further obligations to each other under the Finance Documents; and
- (iv) the New Lender shall become a Party as a "Lender".

## 28.6 Procedure for assignment

- (a) Subject to the conditions set out in Clause 28.2 (*Conditions of assignment or transfer*) an assignment may be effected in accordance with paragraph (c) below when the Facility Agent executes an otherwise duly completed Assignment Agreement delivered to it by the Existing Lender and the New Lender. The Facility Agent shall, subject to paragraph (b) below, as soon as reasonably practicable after receipt by it of a duly completed Assignment Agreement appearing on its face to comply with the terms of this Agreement and delivered in accordance with the terms of this Agreement, execute that Assignment Agreement.
- (b) The Facility Agent shall only be obliged to execute an Assignment Agreement delivered to it by the Existing Lender and the New Lender once it is satisfied it has complied with all necessary "know your customer" or other similar checks under all applicable laws and regulations in relation to the assignment to such New Lender.
- (c) Subject to Clause 28.9 (*Pro rata interest settlement*), on the Transfer Date:
  - (i) the Existing Lender will assign absolutely to the New Lender its rights under the Finance Documents and in respect of the Transaction Security expressed to be the subject of the assignment in the Assignment Agreement;
  - (ii) the Existing Lender will be released from the obligations (the "**Relevant Obligations**") expressed to be the subject of the release in the Assignment Agreement (and any corresponding obligations by which it is bound in respect of the Transaction Security); and
  - (iii) the New Lender shall become a Party as a "Lender" and will be bound by obligations equivalent to the Relevant Obligations.
- (d) Lenders may utilise procedures other than those set out in this Clause 28.6 (*Procedure for assignment*) to assign their rights under the Finance Documents (but not, without the consent of the relevant Transaction Obligor or unless in accordance with Clause 28.5 (*Procedure for transfer*), to obtain a release by that Transaction Obligor from the obligations owed to that Transaction Obligor by the Lenders nor the assumption of equivalent obligations by a New Lender) **provided that** they comply with the conditions set out in Clause 28.2 (*Conditions of assignment or transfer*).

## 28.7 Copy of Transfer Certificate or Assignment Agreement to Borrowers

The Facility Agent shall, as soon as reasonably practicable after it has executed a Transfer Certificate or an Assignment Agreement, send to the Borrowers a copy of that Transfer Certificate or Assignment Agreement.

**28.8 Security over Lenders' rights**

In addition to the other rights provided to Lenders under this Clause 28 (*Changes to the Lenders*), each Lender may without consulting with or obtaining consent from any Transaction Obligor, at any time charge, assign or otherwise create Security in or over (whether by way of collateral or otherwise) all or any of its rights under any Finance Document to secure obligations of that Lender including, without limitation:

- (a) any charge, assignment or other Security to secure obligations to a federal reserve or central bank; and
- (b) any charge, assignment or other Security granted to any holders (or trustee or representatives of holders) of obligations owed, or securities issued, by that Lender as security for those obligations or securities,

except that no such charge, assignment or Security shall:

- (i) release a Lender from any of its obligations under the Finance Documents or substitute the beneficiary of the relevant charge, assignment or Security for the Lender as a party to any of the Finance Documents; or
- (ii) require any payments to be made by a Transaction Obligor other than or in excess of, or grant to any person any more extensive rights than, those required to be made or granted to the relevant Lender under the Finance Documents.

**28.9 Syndication and Securitisation**

The Obligors shall assist the Mandated Lead Arrangers in achieving a successful syndication or securitisation (or similar transaction) in respect of the Facility and the Finance Documents. The Obligors shall, if requested by either Mandated Lead Arranger, provide such information as may be required to produce a customary information memorandum (subject to Clause 44.2 (*Disclosure of Confidential Information*)) and also make available members of senior management for any meetings that potential syndicate lenders may request.

**28.10 Pro rata interest settlement**

(a) If the Facility Agent has notified the Lenders that it is able to distribute interest payments on a "pro rata basis" to Existing Lenders and New Lenders then (in respect of any transfer pursuant to Clause 28.5 (*Procedure for transfer*) or any assignment pursuant to Clause 28.6 (*Procedure for assignment*)) the Transfer Date of which, in each case, is after the date of such notification and is not on the last day of an Interest Period):

- (i) any interest or fees in respect of the relevant participation which are expressed to accrue by reference to the lapse of time shall continue to accrue in favour of the Existing Lender up to but excluding the Transfer Date ("**Accrued Amounts**") and shall become due and payable to the Existing Lender (without further interest accruing on them) on the last day of the current Interest Period (or, if the Interest Period is longer than three Months, on the next of the dates which falls at three Monthly intervals after the first day of that Interest Period); and
- (ii) the rights assigned or transferred by the Existing Lender will not include the right to the Accrued Amounts, so that, for the avoidance of doubt:

- (A) when the Accrued Amounts become payable, those Accrued Amounts will be payable to the Existing Lender; and
- (B) the amount payable to the New Lender on that date will be the amount which would, but for the application of this Clause 28.9 (*Pro rata interest settlement*), have been payable to it on that date, but after deduction of the Accrued Amounts.

(b) In this Clause 28.9 (*Pro rata interest settlement*) references to "Interest Period" shall be construed to include a reference to any other period for accrual of fees.

(c) An Existing Lender which retains the right to the Accrued Amounts pursuant to this Clause 28.9 (*Pro rata interest settlement*) but which does not have a Commitment shall be deemed not to be a Lender for the purposes of ascertaining whether the agreement of any specified group of Lenders has been obtained to approve any request for a consent, waiver, amendment or other vote of Lenders under the Finance Documents.

## 29 CHANGES TO THE TRANSACTION OBLIGORS

### 29.1 Assignment or transfer by Transaction Obligors

No Transaction Obligor may assign any of its rights or transfer any of its rights or obligations under the Finance Documents, without the prior written consent of the Facility Agent.

### 29.2 Release of security

(a) If a disposal of any asset subject to security created by a Security Document is made in the following circumstances:

- (i) the disposal is permitted by the terms of any Finance Document;
- (ii) the Majority Lenders agree to the disposal;
- (iii) the disposal is being made at the request of the Security Agent in circumstances where any security created by the Security Documents has become enforceable; or
- (iv) the disposal is being effected by enforcement of a Security Document,

the Security Agent may release the asset(s) being disposed of from any security over those assets created by a Security Document. However, the proceeds of any disposal (or an amount corresponding to them) must be applied in accordance with the requirements of the Finance Documents (if any).

(b) If the Security Agent is satisfied that a release is allowed under this Clause 29.2 (*Release of security*) (at the request and expense of the Borrowers) each Finance Party must enter into any document and do all such other things which are reasonably required to achieve that release. Each other Finance Party irrevocably authorises the Security Agent to enter into any such document. Any release will not affect the obligations of any other Transaction Obligor under the Finance Documents.

**29.3 Subordinated Creditors**

- (a) The Borrowers may request that any person becomes a Subordinated Creditor, with the prior approval of the Facility Agent, by delivering to the Facility Agent:
- (i) a duly executed Subordination Agreement;
  - (ii) a duly executed Subordinated Debt Security; and
  - (iii) such constitutional documents, corporate authorisations and other documents and matters as the Facility Agent may reasonably require, in form and substance satisfactory to the Facility Agent, to verify that the person's obligations are legally binding, valid and enforceable and to satisfy any applicable legal and regulatory requirements.
- (b) A person referred to in paragraph (a) above will become a Subordinated Creditor on the date the Security Agent enters into the Subordination Agreement and the Subordinated Debt Security delivered under paragraph (a) above.

**SECTION 10****THE FINANCE PARTIES****30 THE FACILITY AGENT AND THE REFERENCE BANKS****30.1 Appointment of the Facility Agent**

- (a) Each of the Lenders appoints the Facility Agent to act as its agent under and in connection with the Finance Documents.
- (b) Each of the Lenders authorises the Facility Agent to perform the duties, obligations and responsibilities and to exercise the rights, powers, authorities and discretions specifically given to the Facility Agent under, or in connection with, the Finance Documents together with any other incidental rights, powers, authorities and discretions.

**30.2 Instructions**

- (a) The Facility Agent shall:
  - (i) unless a contrary indication appears in a Finance Document, exercise or refrain from exercising any right, power, authority or discretion vested in it as Facility Agent in accordance with any instructions given to it by:
    - (A) all Lenders if the relevant Finance Document stipulates the matter is an all Lender decision; and
    - (B) in all other cases, the Majority Lenders; and
  - (ii) not be liable for any act (or omission) if it acts (or refrains from acting) in accordance with sub-paragraph (i) above (or, if this Agreement stipulates the matter is a decision for any other Finance Party or group of Finance Parties, in accordance with instructions given to it by that Finance Party or group of Finance Parties).
- (b) The Facility Agent shall be entitled to request instructions, or clarification of any instruction, from the Majority Lenders (or, if the relevant Finance Document stipulates the matter is a decision for any other Finance Party or group of Finance Parties, from that Finance Party or group of Finance Parties) as to whether, and in what manner, it should exercise or refrain from exercising any right, power, authority or discretion and the Facility Agent may refrain from acting unless and until it receives any such instructions or clarification that it has requested.

- (h) Without prejudice to the remainder of this Clause 30.2 (*Instructions*), in the absence of instructions, the Facility Agent shall not be obliged to take any action (or refrain from taking action) even if it considers acting or not acting to be in the best interests of the Finance Parties. The Facility Agent may act (or refrain from acting) as it considers to be in the best interest of the Finance Parties.

as sufficient evidence that that is the case and, in the case of paragraph (A) above, may assume the truth and accuracy of that certificate.

- (b) The Facility Agent may assume (unless it has received notice to the contrary in its capacity as agent for the Finance Parties) that:

- (h) Notwithstanding any other provision of any Finance Document to the contrary, the Facility Agent is not obliged to do or omit to do anything if it would or might, in its reasonable opinion, constitute a breach of any law or regulation or a breach of a fiduciary duty or duty of confidentiality.
- (i) Notwithstanding any provision of any Finance Document to the contrary, the Facility Agent is not obliged to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties, obligations or responsibilities or the exercise of any right, power, authority or discretion if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not reasonably assured to it.

- (c) The Facility Agent will not be liable for any delay (or any related consequences) in crediting an account with an amount required under the Finance Documents to be paid by the Facility Agent if the Facility Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Facility Agent for that purpose.
- (d) Nothing in this Agreement shall oblige the Facility Agent to carry out:
  - (i) any "know your customer" or other checks in relation to any person; or
  - (ii) any check on the extent to which any transaction contemplated by this Agreement might be unlawful for any Finance Party,

on behalf of any Finance Party and each Finance Party confirms to the Facility Agent that it is solely responsible for any such checks it is required to carry out and that it may not rely on any statement in relation to such checks made by the Facility Agent.

- (e) Without prejudice to any provision of any Finance Document excluding or limiting the Facility Agent's liability, any liability of the Facility Agent arising under or in connection with any Transaction Document or the Security Property shall be limited to the amount of actual loss which has been finally judicially determined to have been suffered (as determined by reference to the date of default of the Facility Agent or, if later, the date on which the loss arises as a result of such default) but without reference to any special conditions or circumstances known to the Facility Agent at any time which increase the amount of that loss. In no event shall the Facility Agent be liable for any loss of profits, goodwill, reputation, business opportunity or anticipated saving, or for special, punitive, indirect or consequential damages, whether or not the Facility Agent has been advised of the possibility of such loss or damages.

### **30.11 Lenders' indemnity to the Facility Agent**

any cost, loss or liability incurred by the Facility Agent (otherwise than by reason of the Facility Agent's gross negligence or wilful misconduct) (or, in the case of any cost, loss or liability pursuant to Clause 34.11 (*Disruption to Payment Systems etc.*) notwithstanding the Facility Agent's negligence, gross negligence or any other category of liability whatsoever but not including any claim based on the fraud of the Facility Agent) in acting as Facility Agent under the Finance Documents (unless the Facility Agent has been reimbursed by a Transaction Obligor pursuant to a Finance Document).

- (b) Subject to paragraph (c) below, the Borrowers shall immediately on demand reimburse any Lender for any payment that Lender makes to the Facility Agent pursuant to paragraph (a) above.

- (e) The retiring Facility Agent shall make available to the successor Facility Agent such documents and records and provide such assistance as the successor Facility Agent may reasonably request for the purposes of performing its functions as Facility Agent under the Finance Documents. The Borrowers shall, within three Business Days of demand, reimburse the retiring Facility Agent for the amount of all costs and expenses (including legal fees) properly incurred by it in making available such documents and records and providing such assistance.
- (f) The Facility Agent's resignation notice shall only take effect upon the appointment of a successor.
- (g) Upon the appointment of a successor, the retiring Facility Agent shall be discharged from any further obligation in respect of the Finance Documents (other than its obligations under paragraph (e) above) but shall remain entitled to the benefit of Clause 14.4 (*Indemnity to the*

    - (A) as to any matter of fact or circumstance which might reasonably be expected to be within the knowledge of that person; or
    - (B) to the effect that such person approves of any particular dealing, transaction, step, action or thing,

as sufficient evidence that that is the case and, in the case of paragraph (A) above, may assume the truth and accuracy of that certificate.

- (b) The Security Agent shall be entitled to carry out all dealings with the other Finance Parties through the Facility Agent and may give to the Facility Agent any notice or other communication required to be given by the Security Agent to any Finance Party.
- (c) The Security Agent may assume (unless it has received notice to the contrary in its capacity as security agent for the Secured Parties) that:

- (h) Unless a Finance Document expressly provides otherwise the Security Agent may disclose to any other Party any information it reasonably believes it has received as security agent under the Finance Documents.
- (i) Notwithstanding any other provision of any Finance Document to the contrary, the Security Agent is not obliged to do or omit to do anything if it would or might, in its reasonable opinion, constitute a breach of any law or regulation or a breach of a fiduciary duty or duty of confidentiality.

- (j) Notwithstanding any provision of any Finance Document to the contrary, the Security Agent is not obliged to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties, obligations or responsibilities or the exercise of any right, power, authority or discretion if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not reasonably assured to it.

#### **44.6 Notification of disclosure**

Each of the Finance Parties agrees (to the extent permitted by law and regulation) to inform the Borrowers:

- (a) of the circumstances of any disclosure of Confidential Information made pursuant to sub-paragraph (v) of paragraph (b) of Clause 44.2 (*Disclosure of Confidential Information*) except

- (b) The Facility Agent may disclose:
- (i) any Funding Rate (but not, for the avoidance of doubt, any Reference Bank Quotation) to the Borrower pursuant to Clause 8.4 (*Notification of rates of interest*); and
  - (ii) any Funding Rate or any Reference Bank Quotation to any person appointed by it to provide administration services in respect of one or more of the Finance Documents to the extent necessary to enable such service provider to provide those services if the service provider to whom that information is to be given has entered into a confidentiality agreement substantially in the form of the LMA Master Confidentiality Undertaking for Use With Administration/Settlement Service Providers or such other form of confidentiality undertaking agreed between the Facility Agent and the relevant Lender or Reference Bank, as the case may be.
- (c) The Facility Agent may disclose any Funding Rate or any Reference Bank Quotation, and each Obligor may disclose any Funding Rate, to:
- (i) any of its Affiliates and any of its or their officers, directors, employees, professional advisers, auditors, partners and Representatives, if any person to whom that Funding Rate or Reference Bank Quotation is to be given pursuant to this sub-paragraph (i) is informed in writing of its confidential nature and that it may be price sensitive information except that there shall be no such requirement to so inform if the recipient is subject to professional obligations to maintain the confidentiality of that Funding Rate or Reference Bank Quotation or is otherwise bound by requirements of confidentiality in relation to it;

- (ii) any person to whom information is required or requested to be disclosed by any court of competent jurisdiction or any governmental, banking, taxation or other regulatory authority or similar body, the rules of any relevant stock exchange or pursuant to any applicable law or regulation if the person to whom that Funding Rate or Reference Bank Quotation is to be given is informed in writing of its confidential nature and that it may be price sensitive information except that there shall be no requirement to so inform if, in the opinion of the Facility Agent or the relevant Obligor, as the case may be, it is not practicable to do so in the circumstances;
  - (iii) any person to whom information is required to be disclosed in connection with, and for the purposes of, any litigation, arbitration, administrative or other investigations, proceedings or disputes if the person to whom that Funding Rate or Reference Bank Quotation is to be given is informed in writing of its confidential nature and that it may be price sensitive information except that there shall be no requirement to so inform if, in the opinion of the Facility Agent or the relevant Obligor, as the case may be, it is not practicable to do so in the circumstances; and
  - (iv) any person with the consent of the relevant Lender or Reference Bank, as the case may be.
- (d) The Facility Agent's obligations in this Clause 45 (*Confidentiality of Funding Rates and Reference Bank Quotations*) relating to Reference Bank Quotations are without prejudice to its obligations to make notifications under Clause 8.4 (*Notification of rates of interest*) **provided that** (other than pursuant to sub-paragraph (i) of paragraph (b) above) the Facility Agent shall not include the details of any individual Reference Bank Quotation as part of any such notification.

#### 45.2 **Related obligations**

- (b) The Facility Agent and each Obligor agree (to the extent permitted by law and regulation) to inform the relevant Lender or Reference Bank, as the case may be:
- (i) of the circumstances of any disclosure made pursuant to sub-paragraph (ii) of paragraph (c) of Clause 45.1 (*Confidentiality and disclosure*) except where such disclosure is made to any of the persons referred to in that paragraph during the ordinary course of its supervisory or regulatory function; and
  - (ii) upon becoming aware that any information has been disclosed in breach of this Clause 45 (*Confidentiality of Funding Rates and Reference Bank Quotations*).

#### 45.3 **No Event of Default**

**COUNTERPARTS**

Each Finance Document may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of the Finance Document.

## SECTION 12

## GOVERNING LAW AND ENFORCEMENT

## 47 GOVERNING LAW

This Agreement and any non-contractual obligations arising out of or in connection with it are governed by English law.

## 48 ENFORCEMENT

## 48.1 Jurisdiction

- (a) Unless specifically provided in another Finance Document in relation to that Finance Document, the courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with any Finance Document (including a dispute regarding the existence, validity or termination of any Finance Document or any non-contractual obligation arising out of or in connection with any Finance Document) (a "**Dispute**").
- (b) The Obligors accept that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Obligor will argue to the contrary.
- (c) This Clause 48.1 (*Jurisdiction*) is for the benefit of the Secured Parties only. As a result, no Secured Party shall be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Secured Parties may take concurrent proceedings in any number of jurisdictions.

## 48.2 Service of process

- (a) Without prejudice to any other mode of service allowed under any relevant law, each Obligor:
- (i) irrevocably appoints Global Ship Lease Services Limited, currently at 150 Aldersgate Street, London EC1A 4AB, England, as its agent for service of process in relation to any proceedings before the English courts in connection with any Finance Document; and
  - (ii) agrees that failure by a process agent to notify the relevant Obligor of the process will not invalidate the proceedings concerned.
- (b) If any person appointed as an agent for service of process is unable for any reason to act as agent for service of process, the Borrowers (on behalf of all the Obligors) must immediately (and in any event within three days of such event taking place) appoint another agent on terms acceptable to the Facility Agent. Failing this, the Facility Agent may appoint another agent for this purpose.

**This Agreement has been entered into on the date stated at the beginning of this Agreement.**

## SECTION 6

### ADDITIONAL PAYMENT OBLIGATIONS

#### 12 TAX GROSS UP AND INDEMNITIES

##### 12.1 Definitions

(a) In this Agreement:

“**Tax Credit**” means a credit against, relief or remission for, or repayment of any Tax.

“**Tax Deduction**” means a deduction or withholding for or on account of Tax from a payment under a Finance Document, other than a FATCA Deduction.

“**Tax Payment**” means either the increase in a payment made by an Obligor to the Lender under Clause 12.2 (*Tax gross-up*) or a payment under Clause 12.3 (*Tax indemnity*).

(b) Unless a contrary indication appears, in this Clause 12 (*Tax Gross Up and Indemnities*) reference to “**determines**” or “**determined**” means a determination made in the absolute discretion of the person making the determination.

##### 12.2 Tax gross-up

(a) Each Obligor shall make all payments to be made by it without any Tax Deduction, unless a Tax Deduction is required by law.

(b) The Borrower shall promptly upon becoming aware that an Obligor must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Lender accordingly. Similarly, the Lender shall notify an Obligor on becoming so aware in respect of a payment payable to the Lender.

(c) If a Tax Deduction is required by law to be made by an Obligor, the amount of the payment due from that Obligor shall be increased to an amount which (after making any Tax Deduction) leaves an amount equal to the payment which would have been due if no Tax Deduction had been required.

(d) If an Obligor is required to make a Tax Deduction, that Obligor shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.

(e) Within 30 days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Obligor making that Tax Deduction shall deliver to the Lender evidence reasonably satisfactory to the Lender that the Tax Deduction has been made or (as applicable) any appropriate payment paid to the relevant taxing authority.

##### 12.3 Tax indemnity

(a) The Obligors shall (within three Business Days of demand by the Lender) pay to the Lender an amount equal to the loss, liability or cost which the Lender determines will be or has been (directly or indirectly) suffered for or on account of Tax by the Lender in respect of a Finance Document.

- (b) Paragraph (a) above shall not apply:
- (i) with respect to any Tax assessed on the Lender:
    - (A) under the law of the jurisdiction in which the Lender is incorporated or, if different, the jurisdiction (or jurisdictions) in which the Lender is treated as resident for tax purposes; or
    - (B) under the law of the jurisdiction in which the Lender's Facility Office is located in respect of amounts received or receivable in that jurisdiction,if that Tax is imposed on or calculated by reference to the net income received or receivable (but not any sum deemed to be received or receivable) by the Lender; or
  - (ii) to the extent a loss, liability or cost:
    - (A) is compensated for by an increased payment under Clause 12.2 (*Tax gross-up*); or
    - (B) relates to a FATCA Deduction required to be made by a Party.
- (c) The Lender shall, if making, or intending to make, a claim under paragraph (a) above promptly notify the Obligors of the event which will give, or has given, rise to the claim.

#### **12.4 Tax Credit**

If an Obligor makes a Tax Payment and the Lender determines that:

- (a) a Tax Credit is attributable to an increased payment of which that Tax Payment forms part, to that Tax Payment or to a Tax Deduction in consequence of which that Tax Payment was received; and
- (b) the Lender has obtained and utilised that Tax Credit,

the Lender shall pay an amount to the Obligor which the Lender determines will leave it (after that payment) in the same after-Tax position as it would have been in had the Tax Payment not been required to be made by the Obligor.

#### **12.5 Stamp taxes**

The Obligors shall pay and, within three Business Days of demand, indemnify the Lender against any cost, loss or liability which the Lender incurs in relation to all stamp duty, registration and other similar Taxes payable in respect of any Finance Document.

#### **12.6 VAT**

- (a) All amounts expressed to be payable under a Finance Document by any Party to the Lender which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply, and accordingly, if VAT is or becomes chargeable on any supply made by the Lender to any Party under a Finance Document and the Lender is required to account to the relevant tax authority for the VAT, that Party must pay to the Lender (in addition to and at the same time as paying any other

consideration for such supply) an amount equal to the amount of the VAT (and the Lender must promptly provide an appropriate VAT invoice to that Party).

- (b) Where a Finance Document requires any Party to reimburse or indemnify the Lender for any cost or expense, that Party shall reimburse or indemnify (as the case may be) the Lender for the full amount of such cost or expense, including such part of it as represents VAT, save to the extent that the Lender reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.
- (c) Any reference in this Clause 12.6 (VAT) to any Party shall, at any time when that Party is treated as a member of a group or unity (or fiscal unity) for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the person who is treated at that time as making the supply, or (as appropriate) receiving the supply, under the grouping rules provided for in Article 11 of Council Directive 2006/112/EC (or as implemented by the relevant member state of the European Union or equivalent provisions imposed elsewhere) so that a reference to a Party shall be construed as a reference to that Party or the relevant group or unity (or fiscal unity) of which that Party is a member for VAT purposes at the relevant time or the relevant representative member (or representative or head) of that group or unity at the relevant time (as the case may be).
- (d) In relation to any supply made by the Lender to any Party under a Finance Document, if reasonably requested by the Lender, that Party must promptly provide the Lender with details of that Party's VAT registration and such other information as is reasonably requested in connection with the Lender's VAT reporting requirements in relation to such supply.

## 12.7 FATCA Information

- (a) Subject to paragraph (c) below, each Party shall, within ten Business Days of a reasonable request by another Party:
  - (i) confirm to that other Party whether it is:
    - (A) a FATCA Exempt Party; or
    - (B) not a FATCA Exempt Party; and
  - (ii) supply to that other Party such forms, documentation and other information relating to its status under FATCA as that other Party reasonably requests for the purposes of that other Party's compliance with FATCA; and
  - (iii) supply to that other Party such forms, documentation and other information relating to its status as that other Party reasonably requests for the purposes of that other Party's compliance with any other law, regulation or exchange of information regime.
- (b) If a Party confirms to another Party pursuant to sub-paragraph (i) of paragraph (a) above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not, or has ceased to be a FATCA Exempt Party, that Party shall notify that other Party reasonably promptly.
- (c) Paragraph (a) above shall not oblige the Lender to do anything and sub-paragraph (iii) of paragraph (a) above shall not oblige any other Party to do anything which would or might in its reasonable opinion constitute a breach of:
  - (i) any law or regulation;

(ii) any fiduciary duty; or

(iii) any duty of confidentiality.

- (d) If a Party fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with sub-paragraphs (i) or (ii) of paragraph (a) above (including, for the avoidance of doubt, where paragraph (c) above applies), then such Party shall be treated for the purposes of the Finance Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the Party in question provides the requested confirmation, forms, documentation or other information.

## 12.8 FATCA Deduction

- (a) Each Party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no Party shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction.

- (b) Each Party shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or the basis of such FATCA Deduction), notify the Party to whom it is making the payment.

## 13 INCREASED COSTS

### 13.1 Increased costs

  - (C) any other law or regulation which implements Basel III.
- (iii) “**Increased Costs**” means:
- (A) a reduction in the rate of return from the Facility or on the Lender’s (or its Affiliate’s) overall capital;
  - (B) an additional or increased cost; or
  - (C) a reduction of any amount due and payable under any Finance Document,
- which is incurred or suffered by the Lender or any of its Affiliates to the extent that it is attributable to the Lender having entered into the Commitment or funding or performing its obligations under any Finance Document.

**13.2 Increased cost claims**

If the Lender intends to make a claim pursuant to Clause 13.1 (*Increased costs*) it shall notify the Borrower of the event giving rise to the claim.

**13.3 Payment of increased costs**

- (a) The Borrower shall pay to the Lender, within ten Business Days of the Lender’s notification as per Clause 13.2 (*Increased cost claims*) above, the amounts which the Lender from time to time specifies as necessary to compensate itself for the Increased Costs at the end of the Increased Costs Negotiation Period.

period of not more than 30 days starting with the date of the Borrower's Relevant Notice (the "**Increased Costs Negotiation Period**") with a view to mutually agreeing the final amount of the Increased Costs to be paid by the Borrower **Provided that** such Borrower's Relevant Notice may only be served within the Relevant Period;

(c) If a final amount of the Increased Costs is not mutually agreed between the Lender and the Borrower within the Increased Costs Negotiation Period, the Borrower shall give the Lender not less than ten Business Days' notice of their intention to prepay the Loan at the end of an Interest Period.

## SECTION 7

### GUARANTEE

#### 17 GUARANTEE AND INDEMNITY

##### 17.1 Guarantee and indemnity

The Parent Guarantor irrevocably and unconditionally:

- (a) guarantees to the Lender punctual performance by the Borrower of all its obligations under the Finance Documents;
- (b) undertakes with the Lender that whenever the Borrower does not pay any amount when due under or in connection with any Finance Document, the Parent Guarantor shall immediately on demand pay that amount as if it were the principal obligor; and
- (c) agrees with the Lender that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify the Lender immediately on demand by the Lender against any cost, loss or liability it incurs as a result of the Borrower not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under any Finance Document on the date when it would have been due. The amount payable by the Parent Guarantor under this indemnity will not exceed the amount it would have had to pay under this Clause 17 (*Guarantee and Indemnity*) if the amount claimed had been recoverable on the basis of a guarantee.

##### 17.2 Continuing guarantee

This guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by the Borrower under the Finance Documents, regardless of any intermediate payment or discharge in whole or in part.

##### 17.3 Reinstatement

If any discharge, release or arrangement (whether in respect of the obligations of any Transaction Obligor or any security for those obligations or otherwise) is made by the Lender in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, administration or otherwise, without limitation, then the liability of the Parent Guarantor under this Clause 17 (*Guarantee and Indemnity*) will continue or be reinstated as if the discharge, release or arrangement had not occurred.

##### 17.4 Waiver of defences

The obligations of the Parent Guarantor under this Clause 17 (*Guarantee and Indemnity*) and in respect of any Transaction Security will not be affected or discharged by an act, omission, matter or thing which, but for this Clause 17.4 (*Waiver of defences*), would reduce, release or prejudice any of its obligations under this Clause 17 (*Guarantee and Indemnity*) or in respect of any Transaction Security (without limitation and whether or not known to it or the Lender) including:

- (a) any time, waiver or consent granted to, or composition with, any Transaction Obligor or other person;

- (b) the release of any other Transaction Obligor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect or delay in perfecting, or refusal or neglect to take up or enforce, or delay in taking or enforcing any rights against, or security over assets of, any Transaction Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of an Obligor or any other person;
- (e) any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of any Finance Document or any other document or security including, without limitation, any change in the purpose of, any extension of or any increase in any facility or the addition of any new facility under any Finance Document or other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security; or
- (g) any insolvency or similar proceedings.

**17.5 Immediate recourse**

The Parent Guarantor waives any right it may have of first requiring the Lender (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person (including without limitation to commence any proceedings under any Finance Document or to enforce any Transaction Security) before claiming or commencing proceedings under this Clause 17 (*Guarantee and Indemnity*). This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

**17.6 Appropriations**

Until all amounts which may be or become payable by the Transaction Obligors under or in connection with the Finance Documents have been irrevocably paid in full, the Lender (or any trustee or agent on its behalf) may:

- (a) refrain from applying or enforcing any other moneys, security or rights held or received by the Lender (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and the Parent Guarantor shall not be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any moneys received from the Parent Guarantor or on account of the Parent Guarantor's liability under this Clause 17 (*Guarantee and Indemnity*).

**17.7 Deferral of Parent Guarantor's rights**

All rights which the Parent Guarantor at any time has (whether in respect of this guarantee, a mortgage or any other transaction) against the Borrower, any other Transaction Obligor or their respective assets shall be fully subordinated to the rights of the Lender under the Finance Documents and until the end of the Security Period and unless the Lender otherwise directs,

the Parent Guarantor will not exercise any rights which it may have (whether in respect of any Finance Document to which it is a Party or any other transaction) by reason of performance by it of its obligations under the Finance Documents or by reason of any amount being payable, or liability arising, under this Clause 17 (*Guarantee and Indemnity*):

- (a) to be indemnified by a Transaction Obligor;
- (b) to claim any contribution from any third party providing security for, or any other guarantor of, any Transaction Obligor's obligations under the Finance Documents;
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Lender under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Finance Documents by the Lender;
- (d) to bring legal or other proceedings for an order requiring any Transaction Obligor to make any payment, or perform any obligation, in respect of which the Parent Guarantor has given a guarantee, undertaking or indemnity under Clause 17.1 (*Guarantee and indemnity*);
- (e) to exercise any right of set-off against any Transaction Obligor; and/or
- (f) to claim or prove as a creditor of any Transaction Obligor in competition with the Lender.

If the Parent Guarantor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Lender by the Transaction Obligors under or in connection with the Finance Documents to be repaid in full on trust for the Lender and shall promptly pay or transfer the same to the Lender may direct for application in accordance with Clause 28 (*Payment Mechanics*).

#### **17.8 Additional security**

This guarantee and any other Security given by the Parent Guarantor is in addition to and is not in any way prejudiced by, and shall not prejudice, any other guarantee or Security or any other right of recourse now or subsequently held by the Lender or any right of set-off or netting or right to combine accounts in connection with the Finance Documents.

#### **17.9 Applicability of provisions of Guarantee to other Security**

Clauses 17.2 (*Continuing guarantee*), 17.3 (*Reinstatement*), 17.4 (*Waiver of defences*), 17.5 (*Immediate recourse*), 17.6 (*Appropriations*), 17.7 (*Deferral of Parent Guarantor's rights*) and 17.8 (*Additional security*) shall apply, with any necessary modifications, to any Security which the Parent Guarantor creates (whether at the time at which it signs this Agreement or at any later time) to secure the Secured Liabilities or any part of them.

Subject to this Clause 25 (*Changes to the Lender*), the Lender (the “**Existing Lender**”) may assign any of its rights under the Finance Documents to another bank or financial institution or to a trust, fund or other entity which is regularly engaged in or established for the purpose of making, purchasing or investing in loans, securities or other financial assets (the “**New Lender**”).

(c) If:

- (i) the Existing Lender assigns any of its rights or obligations under the Finance Documents or changes its Facility Office; and

then the New Lender or the Existing Lender acting through its new Facility Office is only entitled to receive payment under those Clauses to the same extent as the Existing Lender would have been if the assignment or change had not occurred.

(d) Each Obligor on behalf of itself and each Transaction Obligor agrees that all rights and interests (present, future or contingent) which the Existing Lender has under or by virtue of the Finance Documents are assigned to the New Lender absolutely, free of any defects in the Existing Lender’s title and of any rights or equities which the Borrower or any other Transaction Obligor had against the Existing Lender.

### 25.3 Security over Lender's rights

In addition to the other rights provided to the Lender under this Clause 25 (*Changes to the Lender*), the Lender may without consulting with or obtaining consent from any Transaction Obligor or any Approved Manager, at any time charge, assign or otherwise create Security in or over (whether by way of collateral or otherwise) all or any of its rights under any Finance Document to secure obligations of the Lender including, without limitation:

- (b) A person referred to in paragraph (a) above will become a Subordinated Creditor on the date the Lender enters into the Subordination Agreement and the Subordinated Debt Security delivered under paragraph (a) above.

**27 THE REFERENCE BANKS**

- (a) No Reference Bank is under any obligation to provide a quotation or any other information to the Lender.
- (b) No Reference Bank will be liable for any action taken by it under or in connection with any Finance Document, or for any Reference Bank Quotation, unless directly caused by its gross negligence or wilful misconduct.
- (c) No Party (other than the relevant Reference Bank) may take any proceedings against any officer, employee or agent of any Reference Bank in respect of any claim it might have against that Reference Bank or in respect of any act or omission of any kind by that officer, employee or agent in relation to any Finance Document, or to any Reference Bank Quotation, and any officer, employee or agent of each Reference Bank may rely on this Clause 27.1 (*Role of Reference Banks*) subject to Clause 1.5 (*Third party rights*) and the provisions of the Third Parties Act.

**27.2 Third Party Reference Banks**

This Agreement and any non-contractual obligations arising out of or in connection with it are governed by English law.

#### 43 ENFORCEMENT

##### 43.1 Jurisdiction

- (a) Unless specifically provided in another Finance Document in relation to that Finance Document, the courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with any Finance Document (including a dispute regarding the existence, validity or termination of any Finance Document or any non-contractual obligation arising out of or in connection with any Finance Document) (a “**Dispute**”).
- (b) The Obligors accept that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Obligor will argue to the contrary.
- (c) To the extent allowed by law, this Clause 43.1 (*Jurisdiction*) is for the benefit of the Lender only. As a result, the Lender shall not be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Lender may take concurrent proceedings in any number of jurisdictions.

  - (ii) agrees that failure by a process agent to notify the relevant Obligor of the process will not invalidate the proceedings concerned.
- (b) If any person appointed as an agent for service of process is unable for any reason to act as agent for service of process, the Borrower (on behalf of all the Obligors) must immediately (and in any event within five days of such event taking place) appoint another agent on terms acceptable to the Lender. Failing this, the Lender may appoint another agent for this purpose.

The Owners shall arrange for an authorised representative to board the Vessel as soon as reasonably practicable following the termination of the Charter. The Third Parties Act applies to this Charter as set out in this Clause 70.
- (b) Save as provided above, a person who is not a party to this Charter has no right under the Third Parties Act to enforce or to enjoy the benefit of any term of this Charter.

**71 Law and dispute resolution**

- (b) The Charterers consent generally in respect of any proceedings to the giving of any relief and the issue of any process in connection with such proceedings including (without limitation) the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment which is made or given in such proceedings. The Charterers agree that in any proceedings in England this waiver shall have the fullest scope permitted by the English State Immunity Act 1978 and that this waiver is intended to be irrevocable for the purposes of such Act.

## 73 Set-off

Following the occurrence of a Termination Event which is continuing, the Owners may set off any matured and/or contingent obligation due from the Charterers under the Transaction Documents against any obligation (whether matured or not) owed by the Owners to the Charterers, regardless of the place of payment or currency of either obligation. If the obligations are in different currencies, the Owners may convert either obligation at a market rate of exchange in their usual course of business for the purpose of the set-off.

## 74 Value Maintenance Covenants

- (a) In this Clause 74:
  - "**Value Maintenance Ratio**" means the ratio (expressed as a percentage) of:
    - (i) the Market Value of the Vessel; to

(ii) the aggregate of the Cost Balance then applicable as at the next applicable Hire Payment Date.

"Value Maintenance Threshold" means the ratio (expressed as a percentage) of one hundred and thirty-five per cent. (135%).

(b)

(i) For the purposes of testing the Value Maintenance Ratio on a Valuation Date, the Market Value shall be determined by the Owners based on the most recent Valuation Report provided to the Owners in accordance with the requirements under this Clause 74 **provided that**:

(A) in the absence of a Termination Event which is continuing, the Charterers shall arrange, deliver to the Owners and bear the cost of the issuance of each such Valuation Report once every six (6) months during the Charter Period, and any additional Valuation Report shall be at the Owners' cost; and

(B) upon the occurrence of a Termination Event that is continuing, the Charterers shall arrange, deliver to the Owners and bear the cost of the issuance of all Valuation Reports as may be required by the Owners (acting in their sole discretion),

**provided further that** if the Charterers fail to deliver any Valuation Report in accordance with the requirements under this Clause 74, the Owners shall be entitled to arrange a Valuation Report at the Charterers' cost.

(ii) Each Valuation Report to be provided by the Charterers to the Owners for the purpose of sub-paragraph (b)(i) above shall:

(A) be issued by an Approved Broker on the relevant Valuation Date;

(B) be made without physical inspection of the Vessel and on a desktop, charter-free basis;

(C) on the basis of a sale for prompt delivery for cash at arm's length on normal commercial terms as between a willing seller and a willing buyer; and

(D) upon occurrence of a Termination Event which is continuing, be delivered to the Owners within thirty (30) days from the day requested by the Owners to the Charterers in writing.

(iii) If an Approved Broker determines that the Market Value shall fall within a range, the valuation as determined by such Approved Broker should be the lower value of such range.

(iv) Each valuation shall be provided by an Approved Broker in US Dollars.

- (v) The Owners may test the Value Maintenance Ratio on any Valuation Date in accordance with the methodology described in subparagraph (b) above.
- (vi) If, after conducting testing the Value Maintenance Ratio on the relevant Valuation Date, the Owners determine that the Value Maintenance Ratio is less than the Value Maintenance Threshold, then the Charterers shall, within thirty (30) days of the Owners' notice to the Charterers of the same, provide cash collateral in the amount of the shortfall and deposit the same in the Operating Account or any other account nominated by the Owners, for the purpose of and in order to restore the Value Maintenance Ratio to the Value Maintenance Threshold. For the avoidance of doubt, the Minimum Cash Balance shall not at any time be included in the determination of any satisfaction of the Value Maintenance Threshold. The Market Value of the Vessel shall be determined one (1) month following the provision of such cash collateral at the Charterers' cost and, if the Value Maintenance Threshold is evidenced to be met, the Owners shall immediately release such cash collateral to the Charterers and, if the Value Maintenance Threshold is not met as at such time, the Market Value of the Vessel shall be determined each month thereafter at the Charterers' cost.

## 75 Financial covenants

- (a) The Charterers shall procure that the Charter Guarantor will ensure that at all times during the Agreement Term, maintain the Free Liquidity in an amount of twenty million US Dollars (US\$20,000,000).

For the purpose of this Clause 74(a), the following term has the meanings ascribed to them below:

**"Free Liquidity"** means, on a date of calculation, on a consolidated basis, the aggregate of the unencumbered cash balances held by the Charter Guarantor as evidenced by the Charter Guarantor's latest financial statements delivered pursuant to Clause 48(y).

- (b) Each of the financial covenants as set out in this Clause 75 shall be calculated in accordance with GAAP and tested by reference to each of the financial statements in respect of the Charter Guarantor delivered pursuant to Clause 48(x).
- (c) The Charterers shall supply and shall procure that the Charter Guarantor shall supply to the Owners a Compliance Certificate with each set of financial statements delivered pursuant to paragraph (b) above setting out (in reasonable detail) computations as to compliance with Clause 75 (*Financial Covenants*) as at the date as at which those financial statements were drawn up.
- (d) Each Compliance Certificate shall be signed by a director or the Chief Financial Officer of the Charter Guarantor.

- (e) If at any time any other Financial Indebtedness of the Charter Guarantor and/or any of its Subsidiaries shall include any financial covenant in respect of the Charter Guarantor (whether set forth as a covenant, undertaking, event of default, restriction or other such provision) (a "**Financial Covenant**") that would be more beneficial to the Owners than any analogous provision contained in this Charter (an "**Additional Financial Covenant**"), then such Additional Financial Covenant shall be deemed automatically incorporated into the terms of this Charter (an "**MFN Amendment**"). Such MFN Amendment shall be reversed and the financial covenants restored to those that were in effect immediately prior to an MFN Amendment when (i) such other financial indebtedness containing the Additional Financial Covenant is repaid in full other than as a result of or in connection with an actual event of default (howsoever defined); or (ii) the original terms of an Additional Financial Covenant provided that it has ceased to apply. The Charterers shall promptly notify the Owners of any change or event that requires the incorporation or reverse of an MFN Amendment. The Charterers agree that it will, and will procure that the Charter Guarantor will, promptly enter into such necessary documentation as may be required to amend and supplement the Charter Guarantee and this Charter so as to reflect and incorporate such new or amended financial covenants that are more favourable to the Owners in accordance with this clause.

- (i) any law or regulation;
  - (ii) any fiduciary duty; or
  - (iii) any duty of confidentiality.
- (d) If a Party fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with Clause 76(a)(i) or Clause 76(a)(ii) (including, for the avoidance of doubt, where Clause 76(c) applies), then such Party shall be treated for the purposes of the Transaction Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the Party in question provides the requested confirmation, forms, documentation or other information.
- (e) Each Party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no Party shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction.

- (b) Any other disclosure by each Party shall be subject to the prior written consent of the other Party, provided that the Charterers may disclose any information provided in connection with the Transaction Documents to their sub-contractors and any Sub-Charterers, in each case subject to the procurement of a confidentiality undertaking (in form and substance satisfactory to the Owners) from such sub-contractor or Sub-Charterers.

74 alternative 4(a) shall apply.

## 75 5. Time and place of delivery and notices

76 (a) The Vessel shall be delivered and taken over safely afloat at sea or a safe and accessible berth or  
77 anchorage ~~at/in~~ (subject to the trading limits as permitted under the Bareboat Charter) (state place/range) in the Sellers' option and as  
agreed by the Parties, provided that the Vessel shall not be delivered in a place that causes the Buyers to incur tax liabilities that the Buyers  
would not have incurred had the sale been completed in international waters.

78 Notice of Readiness shall not be tendered before: (date)

79 Cancelling Date (see Clauses 5(c), 6 (a)(i), 6 (a) (iii) and 14): **15 June 2021 or such later date as the Buyers may agree.**

80 (b) The Sellers shall keep the Buyers well informed of the Vessel's itinerary and shall  
81 provide the Buyers with twenty (20), ten (10), five (5) and three (3) **Banking d**Days' notice prior to the proposed Pre-positioning Date  
and of the ~~date the~~

82 ~~Sellers intend to tender Notice of Readiness and of the intended~~ date and place of delivery.

83 ~~When the Vessel is at the place of delivery and physically ready for delivery in accordance with~~  
84 ~~this Agreement, the Sellers shall give the Buyers a written Notice of Readiness for delivery.~~

85 (c) If the Sellers anticipate that, notwithstanding the exercise of due diligence by them, the  
86 Vessel will not be ready for delivery by the Cancelling Date they may notify the Buyers in writing  
87 stating the date when they anticipate that the Vessel will be ready for delivery and proposing a  
88 new Cancelling Date. Upon receipt of such notification the Buyers shall have the option of  
89 either cancelling this Agreement in accordance with Clause 14 (Sellers' Default) within three (3)  
90 Banking Days of receipt of the notice or of accepting the new date as the new Cancelling Date.  
91 If the Buyers have not declared their option within three (3) Banking Days of receipt of the  
92 Sellers' notification or if the Buyers accept the new date, the date proposed in the Sellers'  
93 notification shall be deemed to be the new Cancelling Date and shall be substituted for the  
94 Cancelling Date stipulated in line 79.

95 If this Agreement is maintained with the new Cancelling Date all other terms and conditions  
96 hereof including those contained in Clauses 5(b) and 5(d) shall remain unaltered and in full  
97 force and effect.

98 (d) Cancellation, failure to cancel or acceptance of the new Cancelling Date shall be entirely  
99 without prejudice to any claim for damages the Buyers may have under Clause 14 (Sellers'  
100 Default) for the Vessel not being ready by the original Cancelling Date.

101 (e) Should the Vessel become an actual, constructive or compromised total loss before delivery  
102 ~~the Deposit together with interest earned, if any, shall be released immediately to the Buyers~~  
103 ~~whereafter this~~ the Agreement shall be null and void **provided that the Sellers shall indemnify the Buyers in accordance with the terms**  
**set out in Clause 21, notwithstanding that this Agreement becomes null and void as a result of the Vessel being a total loss.**

## 104 6. Divers Inspection / Drydocking

The Vessel will be delivered without drydocking.

105 ~~(a)\*~~  
106 ~~(i) The Buyers shall have the option at their cost and expense to arrange for an underwater~~  
107 ~~inspection by a diver approved by the Classification Society prior to the delivery of the~~  
108 ~~Vessel. Such option shall be declared latest nine (9) days prior to the Vessel's intended~~  
109 ~~date of readiness for delivery as notified by the Sellers pursuant to Clause 5(b) of this~~  
110 ~~Agreement. The Sellers shall at their cost and expense make the Vessel available for~~  
111 ~~such inspection. This inspection shall be carried out without undue delay and in the~~  
112 ~~presence of a Classification Society surveyor arranged for by the Sellers and paid for by~~  
113 ~~the Buyers. The Buyers' representative(s) shall have the right to be present at the diver's~~  
114 ~~inspection as observer(s) only without interfering with the work or decisions of the~~  
115 ~~Classification Society surveyor. The extent of the inspection and the conditions under~~  
116 ~~which it is performed shall be to the satisfaction of the Classification Society. If the~~  
117 ~~conditions at the place of delivery are unsuitable for such inspection, the Sellers shall at~~  
118 ~~their cost and expense make the Vessel available at a suitable alternative place near to~~  
119 ~~the delivery port, in which event the Cancelling Date shall be extended by the additional~~  
120 ~~time required for such positioning and the subsequent re-positioning. The Sellers may~~  
121 ~~not tender Notice of Readiness prior to completion of the underwater inspection.~~

122 ~~(ii) If the rudder, propeller, bottom or other underwater parts below the deepest load line are~~  
123 ~~found broken, damaged or defective so as to affect the Vessel's class, then (1) unless~~  
124 ~~repairs can be carried out afloat to the satisfaction of the Classification Society, the~~  
125 ~~Sellers shall arrange for the Vessel to be drydocked at their expense for inspection by~~  
126 ~~the Classification Society of the Vessel's underwater parts below the deepest load line,~~  
127 ~~the extent of the inspection being in accordance with the Classification Society's rules (2)~~  
128 ~~such defects shall be made good by the Sellers at their cost and expense to the~~  
129 ~~satisfaction of the Classification Society without condition/recommendation\*\* and (3) the~~  
130 ~~Sellers shall pay for the underwater inspection and the Classification Society's~~  
131 ~~attendance.~~

132 ~~Notwithstanding anything to the contrary in this Agreement, if the Classification Society~~  
133 ~~do not require the aforementioned defects to be rectified before the next class~~  
134 ~~drydocking survey, the Sellers shall be entitled to deliver the Vessel with these defects~~  
135 ~~against a deduction from the Purchase Price of the estimated direct cost (of labour and~~  
136 ~~materials) of carrying out the repairs to the satisfaction of the Classification Society,~~  
137 ~~whereafter the Buyers shall have no further rights whatsoever in respect of the defects~~

138 and/or repairs. The estimated direct cost of the repairs shall be the average of quotes  
139 for the repair work obtained from two reputable independent shipyards at or in the  
140 vicinity of the port of delivery, one to be obtained by each of the Parties within two (2)  
141 Banking Days from the date of the imposition of the condition/recommendation, unless  
142 the Parties agree otherwise. Should either of the Parties fail to obtain such a quote within  
143 the stipulated time then the quote duly obtained by the other Party shall be the sole basis  
144 for the estimate of the direct repair costs. The Sellers may not tender Notice of  
145 Readiness prior to such estimate having been established.

146 (iii) If the Vessel is to be drydocked pursuant to Clause 6(a)(ii) and no suitable dry docking  
147 facilities are available at the port of delivery, the Sellers shall take the Vessel to a port  
148 where suitable drydocking facilities are available, whether within or outside the delivery  
149 range as per Clause 5(a). Once drydocking has taken place the Sellers shall deliver the  
150 Vessel at a port within the delivery range as per Clause 5(a) which shall, for the purpose  
151 of this Clause, become the new port of delivery. In such event the Cancelling Date shall  
152 be extended by the additional time required for the drydocking and extra steaming, but  
153 limited to a maximum of fourteen (14) days.

154 (b)\* The Sellers shall place the Vessel in drydock at the port of delivery for inspection by the  
155 Classification Society of the Vessel's underwater parts below the deepest load line, the extent  
156 of the inspection being in accordance with the Classification Society's rules. If the rudder,  
157 propeller, bottom or other underwater parts below the deepest load line are found broken,  
158 damaged or defective so as to affect the Vessel's class, such defects shall be made good at the  
159 Sellers' cost and expense to the satisfaction of the Classification Society without  
160 condition/recommendation\*\*. In such event the Sellers are also to pay for the costs and  
161 expenses in connection with putting the Vessel in and taking her out of drydock, including the  
162 drydock dues and the Classification Society's fees. The Sellers shall also pay for these costs  
163 and expenses if parts of the tailshaft system are condemned or found defective or broken so as  
164 to affect the Vessel's class. In all other cases, the Buyers shall pay the aforesaid costs and  
165 expenses, dues and fees.

166 (c) If the Vessel is drydocked pursuant to Clause 6 (a)(ii) or 6 (b) above:

167 (i) The Classification Society may require survey of the tailshaft system, the extent of the  
168 survey being to the satisfaction of the Classification surveyor. If such survey is  
169 not required by the Classification Society, the Buyers shall have the option to require the  
170 tailshaft to be drawn and surveyed by the Classification Society, the extent of the survey  
171 being in accordance with the Classification Society's rules for tailshaft survey and  
172 consistent with the current stage of the Vessel's survey cycle. The Buyers shall declare  
173 whether they require the tailshaft to be drawn and surveyed not later than by the  
174 completion of the inspection by the Classification Society. The drawing and refitting of  
175 the tailshaft shall be arranged by the Sellers. Should any parts of the tailshaft system be  
176 condemned or found defective so as to affect the Vessel's class, those parts shall be  
177 renewed or made good at the Sellers' cost and expense to the satisfaction of  
178 Classification Society without condition/recommendation\*\*.

179 (ii) The costs and expenses relating to the survey of the tailshaft system shall be borne by  
180 the Buyers unless the Classification Society requires such survey to be carried out or if  
181 parts of the system are condemned or found defective or broken so as to affect the  
182 Vessel's class, in which case the Sellers shall pay these costs and expenses.

183 (iii) The Buyers' representative(s) shall have the right to be present in the drydock, as  
184 observer(s) only without interfering with the work or decisions of the Classification

185 ~~Society surveyor.~~

186 ~~(iv) The Buyers shall have the right to have the underwater parts of the Vessel cleaned~~  
187 ~~and painted at their risk, cost and expense without interfering with the Sellers' or the~~  
188 ~~Classification Society surveyor's work, if any, and without affecting the Vessel's timely~~  
189 ~~delivery. If, however, the Buyers' work in drydock is still in progress when the~~  
190 ~~Sellers have completed the work which the Sellers are required to do, the additional~~  
191 ~~docking time needed to complete the Buyers' work shall be for the Buyers' risk, cost and~~  
192 ~~expense. In the event that the Buyers' work requires such additional time, the Sellers~~  
193 ~~may upon completion of the Sellers' work tender Notice of Readiness for delivery whilst~~  
194 ~~the Vessel is still in drydock and, notwithstanding Clause 5(a), the Buyers shall be~~  
195 ~~obliged to take delivery in accordance with Clause 3 (Payment), whether the Vessel is in~~  
196 ~~drydock or not.~~

197 ~~\*6 (a) and 6 (b) are alternatives; delete whichever is not applicable. In the absence of deletions,~~  
198 ~~alternative 6 (a) shall apply.~~

199 ~~\*\*Notes or memoranda, if any, in the surveyor's report which are accepted by the Classification~~  
200 ~~Society without condition/recommendation are not to be taken into account.~~

- (b) The Hire shall be paid in arrears on each Hire Payment Date (Shanghai time) (in respect of which time is of the essence) with the first (1<sup>st</sup>) Hire Payment Date falling on the date three (3) months after the Actual Delivery Date.
  - (c) Any payment provided herein due on any day which is not a Business Day shall be payable on the immediately preceding Business Day.
  - (d) All payments under this Charter shall be made to the account opened in the name of the Owners with such bank as the Owners may choose, the details of which shall be notified by the Owners to the Charterers prior to the first Hire Payment Date (or such other account as the Owners may notify the Charterers from time to time) for credit to the account of the Owners.
  - (e) Following delivery of the Vessel to, and acceptance by, the Charterers under this Charter, the Charterers' obligation to pay Hire and any other amounts in accordance with this Clause 40 shall be absolute irrespective of any contingency whatsoever including but not limited to:
    - (i) any set-off, counterclaim, recoupment, defence or other right which either party to this Charter may have against the other;
    - (ii) any unavailability of the Vessel, for any reason, including but not limited to any action or inaction by any Obligor or any Sub-Charterers, seaworthiness, condition, design, operation, merchantability or fitness for use or purpose of the Vessel or any apparent or latent defects in the Vessel or its machinery and equipment or the ineligibility of the Vessel for any particular use or trade or for registration of documentation under the laws of any relevant jurisdiction or lack of registration or the absence or

withdrawal of any consent required under the applicable law of any relevant jurisdiction for the ownership, chartering, use or operation of the Vessel or any damage to the Vessel;

- (iii) any lack or invalidity of title or any other defect in title, provided such lack or invalidity of title or defect does not affect the quiet and peaceful use, possession and enjoyment of the Vessel;
- (iv) any failure or delay on the part of either party to this Charter or any Obligor or any Sub-Charterer, whether with or without fault on its part, in performing or complying with any of the terms, conditions or other provisions of this Charter or any other Transaction Document;
- (v) any insolvency, bankruptcy, reorganisation, arrangement, readjustment of debt, dissolution, administration, liquidation or similar proceedings by or against the Owners, the Charterers, any Obligor, any Sub-Charterers, or any change in the constitution of the Owners, the Charterers, any Obligor or any Sub-Charterers;
- (vi) any invalidity or unenforceability or lack of due authorisation of or any defect in this Charter, any Sub-Charter or any other Transaction Document; or
- (vii) any other cause which would but for this provision have the effect of terminating or in any way affecting the obligations of the Charterers hereunder,

it being the intention of the parties that the provisions of this Clause 40, and the obligation of the Charterers to pay Hire and make any payments under this Charter, shall (save as expressly provided in this Clause 40) survive any frustration and that, save as expressly provided in this Charter, no moneys paid under this Charter by the Charterers to the Owners shall in any event or circumstance be repayable to the Charterers.

- (f) All payments of Hire and all other Unpaid Sums to the Owners pursuant to this Charter and the other relevant Transaction Documents shall be made in immediately available funds in US Dollars, free and clear of, and without deduction for or on account of, any taxes, unless the Charterers are required by law or regulation to make any such payment of Hire subject to such taxes.
- (g) In the event that the Charterers are required by any law or regulation to make any deduction or withholding on account of any taxes which arise as a consequence of any payment due under this Charter, then:
  - (i) the Charterers shall notify the Owners promptly after they become aware of such requirement;
  - (ii) the Charterers shall remit the amount of such taxes to the appropriate taxation authority within five (5) Business Days or any other shorter time period as required under any applicable law or regulation and in any event prior to the date on which penalties attach thereto; and

- (iii) such payment shall be increased by such amount as may be necessary to ensure that the Owners receive a net amount which, after deducting or withholding such taxes, is equal to the full amount which the Owners would have received had such payment not been subject to such taxes.
- (h) The Charterers shall promptly deliver to the Owners any receipts, certificates or other proof evidencing the amounts, if any, paid or payable in respect of any such withholding or deduction and that any such taxes have been remitted to the appropriate taxation authority within thirty (30) days after the expiry of any time limit within which such taxes must be so remitted or, if earlier, the date on which such taxes are so remitted.
- (i) If the Charterers fail to pay any amount payable by them to the Owners under a Transaction Document on its due date, interest shall accrue on the Unpaid Sum from the due date up to the date of actual payment (both before and after judgment) at a rate which is one per cent. (1%) per annum higher than the aggregate of the Margin and the Applicable Rate which would have been payable if the Unpaid Sum had, during the period of non-payment, constituted the Cost Balance for successive Hire Periods. Any interest accruing under this paragraph (i) shall be immediately payable by the Charterers on demand by the Owners. Default interest (if unpaid) arising on an Unpaid Sum will be compounded with the Unpaid Sum at the end of each Hire Period applicable to that Unpaid Sum but will remain immediately due and payable.
- (j) In the event that this Charter is terminated for whatever reason, the Charterers' obligation to pay Hire and such other Unpaid Sum which (in each case) has accrued due before, and which remains unpaid, at the date of such termination shall continue notwithstanding such termination.
- (k) In the event that it becomes unlawful or it is prohibited for the Owners to charter the Vessel pursuant to this Charter, then the Owners shall notify the Charterers of the relevant event and negotiate in good faith with the Charterers for a period of thirty (30) days from the date of the receipt of the relevant notice by the Charterers to agree an alternative arrangement. If such agreement is not reached within such thirty (30)-day period, the Charterers agree that, in such circumstances, the Owners shall have the right to terminate this Charter by delivering to the Charterers a Termination Notice specifying a Termination Payment Date, whereupon the Charterers shall be obliged to pay to the Owners the Termination Sum relative to the Termination Payment Date and comply with such other terms and conditions as may be specified in such Termination Notice.
