This Charter may be executed in any number of counterparts and any single counterpart or set of counterparts signed, in either case, by all the Parties shall be deemed to constitute a full and original agreement for all purposes.

**70 Third Parties Act**

- (a) The Security Trustee and any person which is an Indemnitee or a Finance Party from time to time and is not a party to this Charter shall be entitled to enforce such terms of this Charter as provided for in this Charter in relation to the obligations of the Charterers to the Security Trustee, such Indemnitee or (as the case may be) Finance Party, subject to the provisions of Clause 71 (*Law and dispute resolution*) and the Third Parties Act. The Third Parties Act applies to this Charter as set out in this Clause 70.
- (b) Save as provided above, a person who is not a party to this Charter has no right under the Third Parties Act to enforce or to enjoy the benefit of any term of this Charter.

**71 Law and dispute resolution**

- (a) This Charter and any non-contractual obligations arising from or in connection with it are in all respects governed by and shall be interpreted in accordance with English law and any dispute arising out of or in connection with this Agreement shall be referred to arbitration in London in accordance with the Arbitration Act 1996 or any statutory modification or re-enactment thereof save to the extent necessary to give effect to the provisions of this Clause.

- (b) The arbitration shall be conducted in accordance with the London Maritime Arbitrators Association (LMAA) Terms current at the time when the arbitration proceedings are commenced.
- (c) The reference shall be to three arbitrators. A party wishing to refer a dispute to arbitration shall appoint its arbitrator and send notice of such appointment in writing to the other party requiring the other party to appoint its own arbitrator within fourteen (14) calendar days of that notice and stating that it will appoint its arbitrator as sole arbitrator unless the other party appoints its own arbitrator and gives notice that it has done so within the fourteen (14) days specified. If the other party does not appoint its own arbitrator and give notice that it has done so within the fourteen (14) days specified, the party referring a dispute to arbitration may, without the requirement of any further prior notice to the other party, appoint its arbitrator as sole arbitrator and shall advise the other party accordingly. The award of a sole arbitrator shall be binding on both the Owners and the Charterers as if the sole arbitrator had been appointed by agreement.
- (d) Nothing herein shall prevent the parties agreeing in writing to vary these provisions to provide for the appointment of a sole arbitrator.
- (e) In cases where neither the claim nor any counterclaim exceeds the sum of US\$100,000 the arbitration shall be conducted in accordance with the LMAA Small Claims Procedure current at the time when the arbitration proceedings are commenced.

## **72 Waiver of immunity**

- (a) To the extent that the Charterers may in any jurisdiction claim for themselves or their assets or revenues immunity from any proceedings, suit, execution, attachment (whether in aid of execution, before judgment or otherwise) or other legal process and to the extent that such immunity (whether or not claimed) may be attributed in any such jurisdiction to the Charterers or their assets or revenues, the Charterers agree not to claim and irrevocably waive such immunity to the full extent permitted by the laws of such jurisdiction.
- (b) The Charterers consent generally in respect of any proceedings to the giving of any relief and the issue of any process in connection with such proceedings including (without limitation) the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment which is made or given in such proceedings. The Charterers agree that in any proceedings in England this waiver shall have the fullest scope permitted by the English State Immunity Act 1978 and that this waiver is intended to be irrevocable for the purposes of such Act.

## **73 Set-off**

Following the occurrence of a Termination Event which is continuing, the Owners may set off any matured and/or contingent obligation due from the Charterers under the Transaction Documents against any obligation (whether matured or not) owed by the Owners to the Charterers, regardless of the place of payment or currency of either obligation. If the obligations are in different currencies, the Owners may convert either

obligation at a market rate of exchange in their usual course of business for the purpose of the set-off.

#### Value Maintenance Covenants

(a) In this Clause 74:

"**Value Maintenance Ratio**" means the ratio (expressed as a percentage) of:

- (i) the Market Value of the Vessel; to
- (ii) the aggregate of the Cost Balance then applicable as at the next applicable Hire Payment Date.

"**Value Maintenance Threshold**" means the ratio (expressed as a percentage) of:

- (A) at any time from the Actual Delivery Date up to and including the third (3<sup>rd</sup>) anniversary thereof, one hundred and thirty five per cent. (135%); and
- (B) at any time after the third (3<sup>rd</sup>) anniversary of the Actual Delivery Date, one hundred and thirty per cent. (130%).

(b)

(i) For the purposes of testing the Value Maintenance Ratio on a Valuation Date, the Market Value shall be determined by the Owners based on the most recent Valuation Report provided to the Owners in accordance with the requirements under this Clause 74 **provided that**:

- (A) in the absence of a Termination Event which is continuing, the Charterers shall arrange, deliver to the Owners and bear the cost of the issuance of each such Valuation Report once every six (6) months during the Charter Period, and any additional Valuation Report shall be at the Owners' cost; and
- (B) upon the occurrence of a Termination Event that is continuing, the Charterers shall arrange, deliver to the Owners and bear the cost of the issuance of all Valuation Reports as may be required by the Owners (acting in their sole discretion),

**provided further that** if the Charterers fail to deliver any Valuation Report in accordance with the requirements under this Clause 74, the Owners shall be entitled to arrange a Valuation Report at the Charterers' cost.

(ii) Each Valuation Report to be provided by the Charterers to the Owners for the purpose of sub-paragraph (i) above shall:

- (A) be issued by an Approved Broker on the relevant Valuation Date;

- (B) be made without physical inspection of the Vessel and on a desktop, charter-free basis;
  - (C) on the basis of a sale for prompt delivery for cash at arm's length on normal commercial terms as between a willing seller and a willing buyer; and
  - (D) upon occurrence of a Termination Event which is continuing, be delivered to the Owners within thirty (30) days from the day requested by the Owners to the Charterers in writing.
- (iii) If an Approved Broker determines that the Market Value shall fall within a range, the valuation as determined by such Approved Broker should be the lower value of such range.
  - (iv) Each valuation shall be provided by an Approved Broker in US Dollars.
  - (v) The Owners may test the Value Maintenance Ratio on any Valuation Date in accordance with the methodology described in sub-paragraph (b) above.
  - (vi) If, after conducting testing the Value Maintenance Ratio on the relevant Valuation Date, the Owners determine that the Value Maintenance Ratio is less than the Value Maintenance Threshold, then the Charterers shall, within thirty (30) days of the Owners' notice to the Charterers of the same, provide cash collateral in the amount of the shortfall and deposit the same in the Operating Account or any other account nominated by the Owners, for the purpose of and in order to restore the Value Maintenance Ratio to the Value Maintenance Threshold. For the avoidance of doubt, the Minimum Cash Balance shall not at any time be included in the determination of any satisfaction of the Value Maintenance Threshold. The Market Value of the Vessel shall be determined one (1) month following the provision of such cash collateral at the Charterers' cost and, if the Value Maintenance Threshold is evidenced to be met, the Owners shall immediately release such cash collateral to the Charterers and, if the Value Maintenance Threshold is not met as at such time, the Market Value of the Vessel shall be determined each month thereafter at the Charterers' cost.

## 75 Financial covenants

- (a) The Charterers shall procure that the Charter Guarantor will ensure that at all times during the Agreement Term, maintain the Free Liquidity in an amount of twenty million US Dollars (US\$20,000,000).

For the purpose of this Clause 74(a), the following term has the meanings ascribed to them below:

**"Free Liquidity"** means, on a date of calculation, on a consolidated basis, the aggregate of the unencumbered cash balances held by the Charter

Guarantor as evidenced by the Charter Guarantor's latest financial statements delivered pursuant to Clause 48(y).

- (b) Each of the financial covenants as set out in this Clause 75 shall be calculated in accordance with GAAP and tested by reference to each of the financial statements in respect of the Charter Guarantor delivered pursuant to Clause 48(x).
- (c) The Charterers shall supply and shall procure that the Charter Guarantor shall supply to the Owners a Compliance Certificate with each set of financial statements delivered pursuant to paragraph (b) above setting out (in reasonable detail) computations as to compliance with Clause 75 (*Financial Covenants*) as at the date as at which those financial statements were drawn up.
- (d) Each Compliance Certificate shall be signed by a director or the Chief Financial Officer of the Charter Guarantor.
- (e) If at any time any other Financial Indebtedness of the Charter Guarantor and/or any of its Subsidiaries shall include any financial covenant in respect of the Charter Guarantor (whether set forth as a covenant, undertaking, event of default, restriction or other such provision) (a "**Financial Covenant**") that would be more beneficial to the Owners than any analogous provision contained in this Charter (an "**Additional Financial Covenant**"), then such Additional Financial Covenant shall be deemed automatically incorporated into the terms of this Charter (an "**MFN Amendment**"). Such MFN Amendment shall be reversed and the financial covenants restored to those that were in effect immediately prior to an MFN Amendment when (i) such other financial indebtedness containing the Additional Financial Covenant is repaid in full other than as a result of or in connection with an actual event of default (howsoever defined); or (ii) the original terms of an Additional Financial Covenant provided that it has ceased to apply. The Charterers shall promptly notify the Owners of any change or event that requires the incorporation or reverse of an MFN Amendment. The Charterers agree that it will, and will procure that the Charter Guarantor will, promptly enter into such necessary documentation as may be required to amend and supplement the Charter Guarantee and this Charter so as to reflect and incorporate such new or amended financial covenants that are more favourable to the Owners in accordance with this clause.

- (i) any law or regulation;
  - (ii) any fiduciary duty; or
  - (iii) any duty of confidentiality.
- (d) If a Party fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with Clause 76(a)(i) or Clause 76(a)(ii) (including, for the avoidance of doubt, where Clause 76(c) applies), then such Party shall be treated for the purposes of the Transaction Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the Party in question provides the requested confirmation, forms, documentation or other information.
- (e) Each Party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no Party shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction.

114 ~~inspection as observer(s) only without interfering with the work or decisions of the~~  
115 ~~Classification Society surveyor. The extent of the inspection and the conditions under~~  
116 ~~which it is performed shall be to the satisfaction of the Classification Society. If the~~

130 ~~Sellers shall pay for the underwater inspection and the Classification Society's~~  
131 ~~attendance.~~

132 ~~Notwithstanding anything to the contrary in this Agreement, if the Classification Society~~

133 do not require the aforementioned defects to be rectified before the next class  
134 drydocking survey, the Sellers shall be entitled to deliver the Vessel with these defects  
135 against a deduction from the Purchase Price of the estimated direct cost (of labour and  
136 materials) of carrying out the repairs to the satisfaction of the Classification Society,  
137 whereafter the Buyers shall have no further rights whatsoever in respect of the defects  
138 and/or repairs. The estimated direct cost of the repairs shall be the average of quotes  
139 for the repair work obtained from two reputable independent shipyards at or in the  
140 vicinity of the port of delivery, one to be obtained by each of the Parties within two (2)  
141 Banking Days from the date of the imposition of the condition/recommendation, unless  
142 the Parties agree otherwise. Should either of the Parties fail to obtain such a quote within  
143 the stipulated time then the quote duly obtained by the other Party shall be the sole basis  
144 for the estimate of the direct repair costs. The Sellers may not tender Notice of  
145 Readiness prior to such estimate having been established.

146 (iii) If the Vessel is to be drydocked pursuant to Clause 6(a)(ii) and no suitable dry docking  
147 facilities are available at the port of delivery, the Sellers shall take the Vessel to a port  
148 where suitable drydocking facilities are available, whether within or outside the delivery  
149 range as per Clause 5(a). Once drydocking has taken place the Sellers shall deliver the  
150 Vessel at a port within the delivery range as per Clause 5(a) which shall, for the purpose  
151 of this Clause, become the new port of delivery. In such event the Cancelling Date shall  
152 be extended by the additional time required for the drydocking and extra steaming, but  
153 limited to a maximum of fourteen (14) days.

154 (b)\* The Sellers shall place the Vessel in drydock at the port of delivery for inspection by the  
155 Classification Society of the Vessel's underwater parts below the deepest load line, the extent  
156 of the inspection being in accordance with the Classification Society's rules. If the rudder,  
157 propeller, bottom or other underwater parts below the deepest load line are found broken,  
158 damaged or defective so as to affect the Vessel's class, such defects shall be made good at the  
159 Sellers' cost and expense to the satisfaction of the Classification Society without  
160 condition/recommendation\*\*. In such event the Sellers are also to pay for the costs and  
161 expenses in connection with putting the Vessel in and taking her out of drydock, including the  
162 drydock dues and the Classification Society's fees. The Sellers shall also pay for these costs  
163 and expenses if parts of the tailshaft system are condemned or found defective or broken so as  
164 to affect the Vessel's class. In all other cases, the Buyers shall pay the aforesaid costs and  
165 expenses, dues and fees.

166 (c) If the Vessel is drydocked pursuant to Clause 6 (a)(ii) or 6 (b) above:

167 (i) The Classification Society may require survey of the tailshaft system, the extent of the  
168 survey being to the satisfaction of the Classification surveyor. If such survey is  
169 not required by the Classification Society, the Buyers shall have the option to require the  
170 tailshaft to be drawn and surveyed by the Classification Society, the extent of the survey  
171 being in accordance with the Classification Society's rules for tailshaft survey and  
172 consistent with the current stage of the Vessel's survey cycle. The Buyers shall declare  
173 whether they require the tailshaft to be drawn and surveyed not later than by the  
174 completion of the inspection by the Classification Society. The drawing and refitting of  
175 the tailshaft shall be arranged by the Sellers. Should any parts of the tailshaft system be  
176 condemned or found defective so as to affect the Vessel's class, those parts shall be  
177 renewed or made good at the Sellers' cost and expense to the satisfaction of  
178 Classification Society without condition/recommendation\*\*.

179 (ii) The costs and expenses relating to the survey of the tailshaft system shall be borne by  
180 the Buyers unless the Classification Society requires such survey to be carried out or if

181 parts of the system are condemned or found defective or broken so as to affect the  
182 Vessel's class, in which case the Sellers shall pay these costs and expenses.

183 (iii) The Buyers' representative(s) shall have the right to be present in the drydock, as  
184 observer(s) only without interfering with the work or decisions of the Classification  
185 Society surveyor.

186 (iv) The Buyers shall have the right to have the underwater parts of the Vessel cleaned  
187 and painted at their risk, cost and expense without interfering with the Sellers' or the  
188 Classification Society surveyor's work, if any, and without affecting the Vessel's timely  
189 delivery. If, however, the Buyers' work in drydock is still in progress when the  
190 Sellers have completed the work which the Sellers are required to do, the additional  
191 docking time needed to complete the Buyers' work shall be for the Buyers' risk, cost and  
192 expense. In the event that the Buyers' work requires such additional time, the Sellers  
193 may upon completion of the Sellers' work tender Notice of Readiness for delivery whilst  
194 the Vessel is still in drydock and, notwithstanding Clause 5(a), the Buyers shall be  
195 obliged to take delivery in accordance with Clause 3 (Payment), whether the Vessel is in  
196 drydock or not.

197 \*6 (a) and 6 (b) are alternatives; delete whichever is not applicable. In the absence of deletions,  
198 alternative 6 (a) shall apply.

199 \*\*Notes or memoranda, if any, in the surveyor's report which are accepted by the Classification  
200 Society without condition/recommendation are not to be taken into account.

delivery date set out in the Payment Notice) and whether or not the Vessel is in the possession or the control of the Sellers or otherwise in relation to any non-delivery to or acceptance by the Sellers (as charterers) of the Vessel under the Bareboat Charter.

- (b) Notwithstanding anything to the contrary herein, any breach of the terms of this Agreement or termination of this Agreement pursuant to the terms hereof, the indemnities provided by the Sellers in favour of the Buyers shall continue in full force and effect.

## 22. Payment

- (a) The Sellers and the Buyers agree that the Relevant Amount shall, subject to Clause 23 (*Partial set-off of Purchase Price*) below (if applicable), be paid in full by the Buyers by depositing with the Initial Sellers' Bank (in a suspense account) in accordance with the Payment Notice, the Relevant Amount which shall be subsequently released to the Sellers or to such person(s) as may be nominated by the Sellers in accordance with paragraph (b) below. The Payment Notice shall be issued by the Sellers to the Buyers after all the Pre-positioning Date CPs have been satisfied or waived to the satisfaction of the Buyers, which shall be on or before the date falling two (2) Banking Days prior to the proposed Pre-positioning Date.
- (b) On or before the Pre-positioning Date if the Buyers have received evidence (which may be in the form of confirmation that an MT199 message is acceptable to the Sellers' Bank and the Buyers (the "**Conditional Payment Message**")) that the Relevant Amount will be held to the order of the Buyers, and to be released to such person(s) as may be nominated by the sellers upon presentation to the Initial Sellers' Bank of a copy (transmitted by fax, email or otherwise) of each of (i) the protocol of delivery and acceptance under the Initial MOA which is duly signed by an authorised signatory of the Initial Sellers and an authorised signatory of the Sellers evidencing the delivery by the Initial Sellers and acceptance by the Sellers of the Vessel under the Initial MOA and (ii) the Release Letter which is signed by an authorised signatory of the Sellers which is named in the Conditional Payment Message and approved by the Buyers, the Buyers shall deposit with the Initial Sellers' Bank the Relevant Amount to be so held and so released, **provided that** the Buyers' obligation to deposit with the Initial Sellers' Bank the Relevant Amount is always subject to the Buyers being satisfied that all of the Pre-Positioning Date CPs have been satisfied.
- (c) A transfer of funds by the Buyers to the Initial Sellers' Bank in accordance with paragraph (b) above shall constitute payment of the Purchase Price for the purposes of this Agreement and shall, as from the date of such transfer, constitute a valid and binding obligation upon the Sellers in respect of the repayment of the Relevant Amount in accordance with and in the manner contemplated by this Agreement (including but not limited to Clauses 22(d)), the Conditional Payment Message and the Release Letter. The Sellers agree to release, discharge, defend, indemnify, waive and hold harmless the Buyers from and against any liability, obligation or claim which may be

- (d) Without prejudice to any other provisions under this Agreement, the Sellers shall pay to the Buyers:
- (i) within five (5) Banking Days after the date on which any part of the Purchase Price is released in accordance with paragraph (b) above, and in accordance with the invoice to be issued by the Buyers to the Sellers for the same; and

### **23. Partial set-off of Purchase Price**

The Sellers hereby consent, acknowledge and confirm that:

- (a) notwithstanding Clause 1 (*Purchase Price*), the amount due and payable from the Buyers to the Sellers in accordance with Clause 22 (*Payment*) shall be set off against the amount of Advance Hire (as defined in the Bareboat Charter) and the Arrangement Fee due from the Sellers (as charterers) to the Buyers (as owners) payable pursuant to the Bareboat Charter; and
- (b) for the avoidance of doubt, on the date of payment of the Relevant Amount, (A) the Buyers shall not be obliged to pay the Sellers and the Sellers shall not be entitled to receive from the Buyers an amount which is more than the difference between (i) the Purchase Price and (ii) the aggregate of the Advance Hire and the Arrangement Fee as set off in accordance with paragraph (a) above and (B) the Sellers shall not be obliged to pay the Buyers and the Buyers shall not be entitled to receive from the Sellers payments towards the Advance Hire as a result of this Clause 23 (*Partial set-off of Purchase Price*).

- (b) Upon the occurrence of any Termination Event which is continuing, if the Owners decide to retake possession of the Vessel pursuant to paragraph (c) of Clause 49 (*Termination Events*), the Charterers shall at their expense restore the Vessel to its former condition (fair wear and tear excepted) unless the changes made are carried out:

- (ii) on each and every Hire Payment Date, pay to the Owners the Fixed Hire;
  - (iii) on each and every Hire Payment Date, pay to the Owners by way of variable hire (each a "**Variable Hire**") then payable, calculated by multiplying (A) (in relation to the first Hire Payment Date) the Owners' Cost or (in relation to any other Hire Payment Date) the Cost Balance immediately prior to the relevant Hire Payment Date by (B) the aggregate of the applicable Margin and the Applicable Rate and (C) a fraction whose denominator is three hundred and sixty (360) and numerator is the number of days which will elapse from the Actual Delivery Date (in respect of the first Hire Payment Date), or the immediately preceding Hire Payment Date (in respect of any subsequent Hire Payment Date) (in each case including that day) until, in respect of the Hire Payment Date of the final Hire Period during the Charter Period, the last day of such Hire Period (including that day), and, in respect of all other Hire Payment Dates, that Hire Payment Date (not including that date); and
  - (iv) for the purpose of determining any Hire payment, Variable Hire shall accrue from and including the first day of a Hire Period to the last day of such Hire Period.
- (b) The Hire shall be paid in arrears on each Hire Payment Date (Shanghai time) (in respect of which time is of the essence) with the first (1st) Hire Payment Date falling on the date three (3) months after the Actual Delivery Date.
  - (c) Any payment provided herein due on any day which is not a Business Day shall be payable on the immediately preceding Business Day.
  - (d) All payments under this Charter shall be made to the account opened in the name of the Owners with such bank as the Owners may choose, the details of which shall be notified by the Owners to the Charterers prior to the first Hire Payment Date (or such other account as the Owners may notify the Charterers from time to time) for credit to the account of the Owners.
  - (e) Following delivery of the Vessel to, and acceptance by, the Charterers under this Charter, the Charterers' obligation to pay Hire and any other amounts in accordance with this Clause 40 shall be absolute irrespective of any contingency whatsoever including but not limited to:
    - (i) any set-off, counterclaim, recoupment, defence or other right which either party to this Charter may have against the other;
    - (ii) any unavailability of the Vessel, for any reason, including but not limited to any action or inaction by any Obligor or any Sub-Charterers, seaworthiness, condition, design, operation, merchantability or fitness for use or purpose of the Vessel or any apparent or latent defects in the Vessel or its machinery and equipment or the ineligibility of the Vessel for any particular use or trade or for registration of documentation under the laws of any relevant jurisdiction or lack of registration or the absence or

withdrawal of any consent required under the applicable law of any relevant jurisdiction for the ownership, chartering, use or operation of the Vessel or any damage to the Vessel;

- (iii) any lack or invalidity of title or any other defect in title, provided such lack or invalidity of title or defect does not affect the quiet and peaceful use, possession and enjoyment of the Vessel;
- (iv) any failure or delay on the part of either party to this Charter or any Obligor or any Sub-Charterer, whether with or without fault on its part, in performing or complying with any of the terms, conditions or other provisions of this Charter or any other Transaction Document;
- (v) any insolvency, bankruptcy, reorganisation, arrangement, readjustment of debt, dissolution, administration, liquidation or similar proceedings by or against the Owners, the Charterers, any Obligor, any Sub-Charterers, or any change in the constitution of the Owners, the Charterers, any Obligor or any Sub-Charterers;
- (vi) any invalidity or unenforceability or lack of due authorisation of or any defect in this Charter, any Sub-Charter or any other Transaction Document; or
- (vii) any other cause which would but for this provision have the effect of terminating or in any way affecting the obligations of the Charterers hereunder,

it being the intention of the parties that the provisions of this Clause 40, and the obligation of the Charterers to pay Hire and make any payments under this Charter, shall (save as expressly provided in this Clause 40) survive any frustration and that, save as expressly provided in this Charter, no moneys paid under this Charter by the Charterers to the Owners shall in any event or circumstance be repayable to the Charterers.

- (f) All payments of Hire and all other Unpaid Sums to the Owners pursuant to this Charter and the other relevant Transaction Documents shall be made in immediately available funds in US Dollars, free and clear of, and without deduction for or on account of, any taxes, unless the Charterers are required by law or regulation to make any such payment of Hire subject to such taxes.
- (g) In the event that the Charterers are required by any law or regulation to make any deduction or withholding on account of any taxes which arise as a consequence of any payment due under this Charter, then:
  - (i) the Charterers shall notify the Owners promptly after they become aware of such requirement;
  - (ii) the Charterers shall remit the amount of such taxes to the appropriate taxation authority within five (5) Business Days or any other shorter time period as required under any applicable law or regulation and in any event prior to the date on which penalties attach thereto; and

- (iii) such payment shall be increased by such amount as may be necessary to ensure that the Owners receive a net amount which, after deducting or withholding such taxes, is equal to the full amount which the Owners would have received had such payment not been subject to such taxes.
- (h) The Charterers shall promptly deliver to the Owners any receipts, certificates or other proof evidencing the amounts, if any, paid or payable in respect of any such withholding or deduction and that any such taxes have been remitted to the appropriate taxation authority within thirty (30) days after the expiry of any time limit within which such taxes must be so remitted or, if earlier, the date on which such taxes are so remitted.
- (i) If the Charterers fail to pay any amount payable by them to the Owners under a Transaction Document on its due date, interest shall accrue on the Unpaid Sum from the due date up to the date of actual payment (both before and after judgment) at a rate which is one per cent. (1%) per annum higher than the aggregate of the Margin and the Applicable Rate which would have been payable if the Unpaid Sum had, during the period of non-payment, constituted the Cost Balance for successive Hire Periods. Any interest accruing under this paragraph (i) shall be immediately payable by the Charterers on demand by the Owners. Default interest (if unpaid) arising on an Unpaid Sum will be compounded with the Unpaid Sum at the end of each Hire Period applicable to that Unpaid Sum but will remain immediately due and payable.
- (j) In the event that this Charter is terminated for whatever reason, the Charterers' obligation to pay Hire and such other Unpaid Sum which (in each case) has accrued due before, and which remains unpaid, at the date of such termination shall continue notwithstanding such termination.
- (k) In the event that it becomes unlawful or it is prohibited for the Owners to charter the Vessel pursuant to this Charter, then the Owners shall notify the Charterers of the relevant event and negotiate in good faith with the Charterers for a period of thirty (30) days from the date of the receipt of the relevant notice by the Charterers to agree an alternative arrangement. If such agreement is not reached within such thirty (30)-day period, the Charterers agree that, in such circumstances, the Owners shall have the right to terminate this Charter by delivering to the Charterers a Termination Notice specifying a Termination Payment Date, whereupon the Charterers shall be obliged to pay to the Owners the Termination Sum relative to the Termination Payment Date and comply with such other terms and conditions as may be specified in such Termination Notice.
- (l) The Charterers shall, within ten (10) Business Days of demand by the Owners, pay to the Owners any Break Costs and any Swap Losses (where applicable).
- (m)
  - (i) If a Screen Rate Replacement Event has occurred, any amendment or waiver which relates to:

- (A) providing for the use of a Replacement Benchmark in place of (or in addition to) the affected Screen Rate; and
- (B) any or all of the following:
  - (1) aligning any provision of any Transaction Document to the use of that Replacement Benchmark;
  - (2) enabling that Replacement Benchmark to be used for the calculation of Variable Hire under this Charter (including, without limitation, any consequential changes required to enable that Replacement Benchmark to be used for the purposes of this Charter);
  - (3) implementing market conventions applicable to that Replacement Benchmark;
  - (4) providing for appropriate fallback (and market disruption) provisions for that Replacement Benchmark; or
  - (5) adjusting the pricing to reduce or eliminate, to the extent reasonably practicable, any transfer of economic value from one Party to another as a result of the application of that Replacement Benchmark (and if any adjustment or method for calculating any adjustment has been formally designated, nominated or recommended by the Relevant Nominating Body, the adjustment shall be determined on the basis of that designation, nomination or recommendation),

may be made with the consent of the Owners and the Charterers.

- (ii) If, as at 30 September 2022 this Charter provides that the Variable Hire is to be determined by reference to the Screen Rate for LIBOR:
    - (A) a Screen Rate Replacement Event shall be deemed to have occurred on that date in relation to the Screen Rate; and

In the event of any dispute arising between the Charterers and any broker, underwriter or association with respect to any obligation to make any payment to the Charterers or to the Security Trustee and the Owners and/or if applicable, any of the Finance Parties under or in connection with any of the Insurances, or with respect to the amount of any such payment, the Security Trustee, the Owners and/or if applicable, any of the Finance Parties shall be entitled to settle that dispute directly with the broker, underwriter or association concerned. Any such settlement shall be binding on the Charterers.
- (p)
  - (i) The Security Trustee and the Owners agree that any amounts which may become due under any protection and indemnity entry or insurance shall be paid to the Charterers to reimburse the Charterers for, and in discharge of, the loss, damage or expense in respect of which they shall have become due, unless, at the time the amount in question becomes due, a Termination Event shall have occurred and is continuing, in which event the Security Trustee and the Owners shall be entitled to receive the amounts in question and to apply them either in reduction of any amount owed by the Charterers pursuant to paragraph (d) of Clause 49 (*Termination Events*) or, at the option of the Security Trustee and the Owners, to the discharge of the liability in respect of which they were paid.
  - (ii) Without prejudice to the forgoing and subject to the terms of the Finance Documents (if any), all other claims in relation to the Insurances (other than in respect of a Total Loss), shall, unless and until the occurrence of a Termination Event which is continuing, in which event all claims under the relevant policy shall be payable directly to the Security Trustee and the Owners, be payable as follows:

- (A) a claim in respect of any one casualty where the aggregate claim against all insurers does not exceed the Threshold Amount, prior to adjustment for any franchise or deductible under the terms of the relevant policy, shall be paid directly to the Charterers (as agent for the Owners) for the repair, salvage or other charges involved or as a reimbursement if the Charterers fully repaired the damage to the satisfaction of the Security Trustee and the Owners (acting reasonably) and paid all of the salvage or other charges;
- (B) a claim in respect of any one casualty where the aggregate claim against all insurers exceeds the Threshold Amount prior to adjustment for any franchise or deductible under the terms of the relevant policy, shall, subject to the prior written consent of the Security Trustee and the Owners (such consent not to be unreasonably withheld), be paid to the Charterers as and when the Vessel is restored to her former state and condition and the liability in respect of which the insurance loss is payable is discharged, and provided that the insurers may with such consent make payment on account of repairs in the course of being effected, but, in the absence of such prior written consent shall be payable directly to the Security Trustee and the Owners.

- (q) The Charterers shall not settle, compromise or abandon any claim under or in connection with any of the Insurances (other than a claim of less than the Threshold Amount arising other than from a Total Loss in the absence of any Termination Event that is continuing) without the prior written consent of the Security Trustee and the Owners (such consent not to be unreasonably withheld).
- (r) If the Charterers fail to effect or keep in force the Insurances, the Security Trustee and the Owners may (but shall not be obliged to) effect and/or keep in force such insurances on the Vessel and such entries in protection and indemnity or war risks associations as the Security Trustee and the Owners in their discretion consider desirable, and the Security Trustee and/or the Owners may (but shall not be obliged to) pay any unpaid premiums, calls or contributions. The Charterers will reimburse the Security Trustee and the Owners from time to time within ten (10) Business Days of a demand for all such premiums, calls or contributions paid by the Security Trustee and the Owners.
- (s) The Charterers shall comply strictly with the requirements of any legislation relating to pollution or protection of the environment which may from time to time be applicable to the Vessel in any jurisdiction in which the Vessel shall trade and in particular the Charterers shall comply strictly with the requirements of the United States Oil Pollution Act 1990 (the "**Act**") if the Vessel is to trade in the United States of America and Exclusive Economic Zone (as defined in the Act). Before any such trade is commenced and during the entire period during which such trade is carried on, the Charterers shall:
- (i) pay any additional premiums required to maintain protection and indemnity cover for oil pollution up to the limit available to the Charterers for the Vessel in the market; and
  - (ii) make all such quarterly or other voyage declarations as may from time to time be required by the Vessel's protection and indemnity association in order to maintain such cover, and promptly deliver to the Owners copies of such declarations; and

  - (iv) implement any recommendations contained in the reports issued following the surveys referred to in paragraph (iii) above within the relevant time limits contained in such reports, and provide evidence satisfactory to the Security Trustee and the Owners that the protection and indemnity insurers are satisfied that this has been done; and
  - (v) in addition to the foregoing (if such trade is in the United States of America and Exclusive Economic Zone):

- (A) obtain and retain a certificate of financial responsibility under the Act in form and substance satisfactory to the United States Coast Guard and provide the Security Trustee and the Owners with evidence of the same; and
  - (B) procure that the protection and indemnity insurances do not contain a US Trading Exclusion Clause or any other analogous provision and provide the Owners with evidence that this is so; and
  - (C) comply strictly with any operational or structural regulations issued from time to time by any relevant authorities under the Act so that at all times the Vessel falls within the provisions which limit strict liability under the Act for oil pollution.
- (vi) The Security Trustee and/or the Owners shall at any date be at liberty to take out an Innocent Owners' Interest Insurance in relation to the Vessel in any amount and on such terms and conditions as the Security Trustee and the Owners may from time to time decide, and the Charterers shall from time to time upon the Security Trustee's and/or the Owners' demand (A) pay the relevant insurers directly for all costs, premiums and expenses payable or (B) reimburse the Security Trustee and the Owners for all costs, premiums and expenses paid or incurred by the Security Trustee and the Owners, in connection with any Innocent Owners' Interest Insurance.

#### Value Maintenance Covenants

(a) In this Clause 74:

"**Value Maintenance Ratio**" means the ratio (expressed as a percentage) of:

- (i) the Market Value of the Vessel; to
- (ii) the aggregate of the Cost Balance then applicable as at the next applicable Hire Payment Date.

"**Value Maintenance Threshold**" means the ratio (expressed as a percentage) of:

- (A) at any time from the Actual Delivery Date up to and including the third (3<sup>rd</sup>) anniversary thereof, one hundred and thirty five per cent. (135%); and
- (B) at any time after the third (3<sup>rd</sup>) anniversary of the Actual Delivery Date, one hundred and thirty per cent. (130%).

(b)

(i) For the purposes of testing the Value Maintenance Ratio on a Valuation Date, the Market Value shall be determined by the Owners based on the most recent Valuation Report provided to the Owners in accordance with the requirements under this Clause 74 **provided that**:

- (A) in the absence of a Termination Event which is continuing, the Charterers shall arrange, deliver to the Owners and bear the cost of the issuance of each such Valuation Report once every six (6) months during the Charter Period, and any additional Valuation Report shall be at the Owners' cost; and
- (B) upon the occurrence of a Termination Event that is continuing, the Charterers shall arrange, deliver to the Owners and bear the cost of the issuance of all Valuation Reports as may be required by the Owners (acting in their sole discretion),

**provided further that** if the Charterers fail to deliver any Valuation Report in accordance with the requirements under this Clause 74, the Owners shall be entitled to arrange a Valuation Report at the Charterers' cost.

(ii) Each Valuation Report to be provided by the Charterers to the Owners for the purpose of sub-paragraph (i) above shall:

- (A) be issued by an Approved Broker on the relevant Valuation Date;

- (B) be made without physical inspection of the Vessel and on a desktop, charter-free basis;
  - (C) on the basis of a sale for prompt delivery for cash at arm's length on normal commercial terms as between a willing seller and a willing buyer; and
  - (D) upon occurrence of a Termination Event which is continuing, be delivered to the Owners within thirty (30) days from the day requested by the Owners to the Charterers in writing.
- (iii) If an Approved Broker determines that the Market Value shall fall within a range, the valuation as determined by such Approved Broker should be the lower value of such range.
  - (iv) Each valuation shall be provided by an Approved Broker in US Dollars.
  - (v) The Owners may test the Value Maintenance Ratio on any Valuation Date in accordance with the methodology described in subparagraph (b) above.
  - (vi) If, after conducting testing the Value Maintenance Ratio on the relevant Valuation Date, the Owners determine that the Value Maintenance Ratio is less than the Value Maintenance Threshold, then the Charterers shall, within thirty (30) days of the Owners' notice to the Charterers of the same, provide cash collateral in the amount of the shortfall and deposit the same in the Operating Account or any other account nominated by the Owners, for the purpose of and in order to restore the Value Maintenance Ratio to the Value Maintenance Threshold. For the avoidance of doubt, the Minimum Cash Balance shall not at any time be included in the determination of any satisfaction of the Value Maintenance Threshold. The Market Value of the Vessel shall be determined one (1) month following the provision of such cash collateral at the Charterers' cost and, if the Value Maintenance Threshold is evidenced to be met, the Owners shall immediately release such cash collateral to the Charterers and, if the Value Maintenance Threshold is not met as at such time, the Market Value of the Vessel shall be determined each month thereafter at the Charterers' cost.

## 75 Financial covenants

- (a) The Charterers shall procure that the Charter Guarantor will ensure that at all times during the Agreement Term, maintain the Free Liquidity in an amount of twenty million US Dollars (US\$20,000,000).

- (d) Each Compliance Certificate shall be signed by a director or the Chief Financial Officer of the Charter Guarantor.

Such MFN Amendment shall be reversed and the financial covenants restored to those that were in effect immediately prior to an MFN Amendment when (i) such other financial indebtedness containing the Additional Financial Covenant is repaid in full other than as a result of or in connection with an actual event of default (howsoever defined); or (ii) the original terms of an Additional Financial Covenant provided that it has ceased to apply. The Charterers shall promptly notify the Owners of any change or event that requires the incorporation or reverse of an MFN Amendment.     - (iii) any duty of confidentiality.
  - (d) If a Party fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with Clause 76(a)(i) or Clause 76(a)(ii) (including, for the avoidance of doubt, where Clause 76(c) applies), then such Party shall be treated for the purposes of the Transaction Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the Party in question provides the requested confirmation, forms, documentation or other information.

57 ~~whether same are accepted or not within (state date/period).~~

58 ~~The Sellers shall make the Vessel available for inspection at/in (state place/range) within~~

62 ~~The Buyers shall inspect the Vessel without opening up and without cost to the Sellers.~~

63 ~~During the inspection, the Vessel's deck and engine log books shall be made available for~~  
64 ~~examination by the Buyers.~~

65 ~~The sale shall become outright and definite, subject only to the terms and conditions of this~~  
66 ~~Agreement, provided that the Sellers receive written notice of acceptance of the Vessel from~~  
67 ~~the Buyers within seventy two (72) hours after completion of such inspection or after the~~  
68 ~~date/last day of the period stated in Line 59, whichever is earlier.~~

69 ~~Should the Buyers fail to undertake the inspection as scheduled and/or notice of acceptance of~~  
70 ~~the Vessel's classification records and/or of the Vessel not be received by the Sellers as~~  
71 ~~aforesaid, the Deposit together with interest earned, if any, shall be released immediately to the~~  
72 ~~Buyers, whereafter this Agreement shall be null and void.~~

73 ~~\*4(a) and 4(b) are alternatives; delete whichever is not applicable. In the absence of deletions,~~  
74 ~~alternative 4(a) shall apply.~~

## 75 **5. Time and place of delivery and notices**

76 (a) The Vessel shall be delivered and taken over safely afloat at sea or a safe and accessible berth or  
77 anchorage ~~at/in~~ **(subject to the trading limits as permitted under the Bareboat Charter)** (state place/range) in the Sellers' option **and as**  
**agreed by the Parties, provided that the Vessel shall not be delivered in a place that causes the Buyers to incur tax liabilities that the**  
**Buyers would not have incurred had the sale been completed in international waters.**

78 Notice of Readiness shall not be tendered before: (date)

79 Cancelling Date (see Clauses 5(c), 6 (a)(i), 6 (a) (iii) and 14): **11 November 2021 or such later date as the Buyers may agree.**

80 (b) ~~The Sellers shall keep the Buyers well informed of the Vessel's itinerary and shall,~~ **immediately upon receipt, provide to the Buyers**  
81 **copies of any notices received from the Initial Sellers under clause 5(b) of the Initial MOA, and**  
82 **provide the Buyers with twenty (20), ten (10), five (5) and three (3) two (2) Banking Days' notice prior to the proposed Pre-positioning Date**  
**and of the date the**  
~~Sellers intend to tender Notice of Readiness and of the intended date and place of delivery.~~

83 ~~When the Vessel is at the place of delivery and physically ready for delivery in accordance with~~  
84 ~~this Agreement, the Sellers shall give the Buyers a written Notice of Readiness for delivery.~~

85 (c) If the Sellers anticipate that, notwithstanding the exercise of due diligence by them, the  
86 Vessel will not be ready for delivery by the Cancelling Date they may notify the Buyers in writing  
87 stating the date when they anticipate that the Vessel will be ready for delivery and proposing a  
88 new Cancelling Date. Upon receipt of such notification the Buyers shall have the option of  
89 either cancelling this Agreement in accordance with Clause 14 (Sellers' Default) within three (3)  
90 Banking Days of receipt of the notice or of accepting the new date as the new Cancelling Date.

91 If the Buyers have not declared their option within three (3) Banking Days of receipt of the  
92 Sellers' notification or if the Buyers accept the new date, the date proposed in the Sellers'  
93 notification shall be deemed to be the new Cancelling Date and shall be substituted for the  
94 Cancelling Date stipulated in line 79.

95 If this Agreement is maintained with the new Cancelling Date all other terms and conditions  
96 hereof including those contained in Clauses 5(b) and 5(d) shall remain unaltered and in full

101 (e) Should the Vessel become an actual, constructive or compromised total loss before delivery  
102 the Deposit together with interest earned, if any, shall be released immediately to the Buyers  
103 whereafter this the Agreement shall be null and void provided that the Sellers shall indemnify the Buyers in accordance with the terms set out in Clause 21, notwithstanding that this Agreement becomes null and void as a result of the Vessel being a total loss.

## 104 6. Divers Inspection / Drydocking

### The Vessel will be delivered without drydocking.

105 (a)\*  
106 (i) ~~The Buyers shall have the option at their cost and expense to arrange for an underwater  
107 inspection by a diver approved by the Classification Society prior to the delivery of the  
108 Vessel. Such option shall be declared latest nine (9) days prior to the Vessel's intended  
109 date of readiness for delivery as notified by the Sellers pursuant to Clause 5(b) of this  
110 Agreement. The Sellers shall at their cost and expense make the Vessel available for  
111 such inspection. This inspection shall be carried out without undue delay and in the  
112 presence of a Classification Society surveyor arranged for by the Sellers and paid for by  
113 the Buyers. The Buyers' representative(s) shall have the right to be present at the diver's  
114 inspection as observer(s) only without interfering with the work or decisions of the  
115 Classification Society surveyor. The extent of the inspection and the conditions under  
116 which it is performed shall be to the satisfaction of the Classification Society. If the  
117 conditions at the place of delivery are unsuitable for such inspection, the Sellers shall at  
118 their cost and expense make the Vessel available at a suitable alternative place near to  
119 the delivery port, in which event the Cancelling Date shall be extended by the additional  
120 time required for such positioning and the subsequent re-positioning. The Sellers may  
121 not tender Notice of Readiness prior to completion of the underwater inspection.~~

122 ~~(ii) If the rudder, propeller, bottom or other underwater parts below the deepest load line are  
123 found broken, damaged or defective so as to affect the Vessel's class, then (1) unless  
124 repairs can be carried out afloat to the satisfaction of the Classification Society, the  
125 Sellers shall arrange for the Vessel to be drydocked at their expense for inspection by  
126 the Classification Society of the Vessel's underwater parts below the deepest load line,  
127 the extent of the inspection being in accordance with the Classification Society's rules (2)  
128 such defects shall be made good by the Sellers at their cost and expense to the  
129 satisfaction of the Classification Society without condition/recommendation\*\* and (3) the  
130 Sellers shall pay for the underwater inspection and the Classification Society's  
131 attendance.~~

132 Notwithstanding anything to the contrary in this Agreement, if the Classification Society

133 do not require the aforementioned defects to be rectified before the next class  
134 drydocking survey, the Sellers shall be entitled to deliver the Vessel with these defects  
135 against a deduction from the Purchase Price of the estimated direct cost (of labour and  
136 materials) of carrying out the repairs to the satisfaction of the Classification Society,  
137 whereafter the Buyers shall have no further rights whatsoever in respect of the defects  
138 and/or repairs. The estimated direct cost of the repairs shall be the average of quotes  
139 for the repair work obtained from two reputable independent shipyards at or in the  
140 vicinity of the port of delivery, one to be obtained by each of the Parties within two (2)  
141 Banking Days from the date of the imposition of the condition/recommendation, unless  
142 the Parties agree otherwise. Should either of the Parties fail to obtain such a quote within  
143 the stipulated time then the quote duly obtained by the other Party shall be the sole basis  
144 for the estimate of the direct repair costs. The Sellers may not tender Notice of  
145 Readiness prior to such estimate having been established.

146 (iii) If the Vessel is to be drydocked pursuant to Clause 6(a)(ii) and no suitable dry docking  
147 facilities are available at the port of delivery, the Sellers shall take the Vessel to a port  
148 where suitable drydocking facilities are available, whether within or outside the delivery  
149 range as per Clause 5(a). Once drydocking has taken place the Sellers shall deliver the  
150 Vessel at a port within the delivery range as per Clause 5(a) which shall, for the purpose  
151 of this Clause, become the new port of delivery. In such event the Cancelling Date shall  
152 be extended by the additional time required for the drydocking and extra steaming, but  
153 limited to a maximum of fourteen (14) days.

154 (b)\* The Sellers shall place the Vessel in drydock at the port of delivery for inspection by the  
155 Classification Society of the Vessel's underwater parts below the deepest load line, the extent  
156 of the inspection being in accordance with the Classification Society's rules. If the rudder,  
157 propeller, bottom or other underwater parts below the deepest load line are found broken,  
158 damaged or defective so as to affect the Vessel's class, such defects shall be made good at the  
159 Sellers' cost and expense to the satisfaction of the Classification Society without  
160 condition/recommendation\*\*. In such event the Sellers are also to pay for the costs and  
161 expenses in connection with putting the Vessel in and taking her out of drydock, including the  
162 drydock dues and the Classification Society's fees. The Sellers shall also pay for these costs  
163 and expenses if parts of the tailshaft system are condemned or found defective or broken so as  
164 to affect the Vessel's class. In all other cases, the Buyers shall pay the aforesaid costs and  
165 expenses, dues and fees.

166 (e) If the Vessel is drydocked pursuant to Clause 6 (a)(ii) or 6 (b) above:

167 (i) The Classification Society may require survey of the tailshaft system, the extent of the  
168 survey being to the satisfaction of the Classification surveyor. If such survey is  
169 not required by the Classification Society, the Buyers shall have the option to require the  
170 tailshaft to be drawn and surveyed by the Classification Society, the extent of the survey  
171 being in accordance with the Classification Society's rules for tailshaft survey and  
172 consistent with the current stage of the Vessel's survey cycle. The Buyers shall declare  
173 whether they require the tailshaft to be drawn and surveyed not later than by the  
174 completion of the inspection by the Classification Society. The drawing and refitting of  
175 the tailshaft shall be arranged by the Sellers. Should any parts of the tailshaft system be  
176 condemned or found defective so as to affect the Vessel's class, those parts shall be  
177 renewed or made good at the Sellers' cost and expense to the satisfaction of  
178 Classification Society without condition/recommendation\*\*.

179 (ii) The costs and expenses relating to the survey of the tailshaft system shall be borne by  
180 the Buyers unless the Classification Society requires such survey to be carried out or if

181 parts of the system are condemned or found defective or broken so as to affect the  
182 Vessel's class, in which case the Sellers shall pay these costs and expenses.

183 (iii) The Buyers' representative(s) shall have the right to be present in the drydock, as  
184 observer(s) only without interfering with the work or decisions of the Classification  
185 Society surveyor.

186 (iv) The Buyers shall have the right to have the underwater parts of the Vessel cleaned  
187 and painted at their risk, cost and expense without interfering with the Sellers' or the  
188 Classification Society surveyor's work, if any, and without affecting the Vessel's timely  
189 delivery. If, however, the Buyers' work in drydock is still in progress when the  
190 Sellers have completed the work which the Sellers are required to do, the additional  
191 docking time needed to complete the Buyers' work shall be for the Buyers' risk, cost and  
192 expense. In the event that the Buyers' work requires such additional time, the Sellers  
193 may upon completion of the Sellers' work tender Notice of Readiness for delivery whilst  
194 the Vessel is still in drydock and, notwithstanding Clause 5(a), the Buyers shall be  
195 obliged to take delivery in accordance with Clause 3 (Payment), whether the Vessel is in  
196 drydock or not.

197 \*6 (a) and 6 (b) are alternatives; delete whichever is not applicable. In the absence of deletions,  
198 alternative 6 (a) shall apply.

199 \*\*Notes or memoranda, if any, in the surveyor's report which are accepted by the Classification  
200 Society without condition/recommendation are not to be taken into account.

## 201 7. Spares, bunkers and other items

202 The Sellers shall deliver the Vessel to the Buyers with everything belonging to her on board  
203 and on shore. All spare parts and spare equipment including spare tail-end shaft(s) and/or

215 ~~the sale without compensation: (include list)~~

217 ~~above, shall be replaced or procured by the Sellers prior to delivery at their cost and expense.~~ **Any remaining bunkers and unused**  
**lubricating and hydraulic oils and greases in storage tanks and unopened drums shall remain the property of the Sellers or the Initial**  
**Sub-Charterers but remain on board the Vessel on or after delivery and no payment shall be required by the Buyers in respect**  
**thereof.**

218 The Buyers shall take over remaining bunkers and unused lubricating and hydraulic oils and  
219 greases in storage tanks and unopened drums and pay either:

220 (a) \*the actual net price (excluding barging expenses) as evidenced by invoices or vouchers; or

221 ~~(b) \*the current net market price (excluding barging expenses) at the port and date of delivery~~  
222 ~~of the Vessel or, if unavailable, at the nearest bunkering port,~~

223 ~~for the quantities taken over.~~

224 ~~Payment under this Clause shall be made at the same time and place and in the same~~  
225 ~~currency as the Purchase Price.~~

226 ~~"inspection" in this Clause 7, shall mean the Buyers' inspection according to Clause 4(a) or 4(b)~~  
227 ~~(Inspection), if applicable. If the Vessel is taken over without inspection, the date of this~~  
228 ~~Agreement shall be the relevant date.~~

354 ~~These representatives are on board for the purpose of familiarisation and in the capacity of~~  
355 ~~observers only, and they shall not interfere in any respect with the operation of the Vessel. The~~

- (vii) any other cause which would but for this provision have the effect of terminating or in any way affecting the obligations of the Charterers hereunder,

it being the intention of the parties that the provisions of this Clause 40, and the obligation of the Charterers to pay Hire and make any payments under this Charter, shall (save as expressly provided in this Clause 40) survive any frustration and that, save as expressly provided in this Charter, no moneys paid under this Charter by the Charterers to the Owners shall in any event or circumstance be repayable to the Charterers.

- (f) All payments of Hire and all other Unpaid Sums to the Owners pursuant to this Charter and the other relevant Transaction Documents shall be made in immediately available funds in US Dollars, free and clear of, and without deduction for or on account of, any taxes, unless the Charterers are required by law or regulation to make any such payment of Hire subject to such taxes.
- (g) In the event that the Charterers are required by any law or regulation to make any deduction or withholding on account of any taxes which arise as a consequence of any payment due under this Charter, then:
  - (i) the Charterers shall notify the Owners promptly after they become aware of such requirement;
  - (ii) the Charterers shall remit the amount of such taxes to the appropriate taxation authority within five (5) Business Days or any other shorter time period as required under any applicable law or regulation and in any event prior to the date on which penalties attach thereto; and

- (iii) such payment shall be increased by such amount as may be necessary to ensure that the Owners receive a net amount which, after deducting or withholding such taxes, is equal to the full amount which the Owners would have received had such payment not been subject to such taxes.
- (h) The Charterers shall promptly deliver to the Owners any receipts, certificates or other proof evidencing the amounts, if any, paid or payable in respect of any such withholding or deduction and that any such taxes have been remitted to the appropriate taxation authority within thirty (30) days after the expiry of any time limit within which such taxes must be so remitted or, if earlier, the date on which such taxes are so remitted.
- (i) If the Charterers fail to pay any amount payable by them to the Owners under a Transaction Document on its due date, interest shall accrue on the Unpaid Sum from the due date up to the date of actual payment (both before and after judgment) at a rate which is one per cent. (1%) per annum higher than the aggregate of the Margin and the Applicable Rate which would have been payable if the Unpaid Sum had, during the period of non-payment, constituted the Cost Balance for successive Hire Periods. Any interest accruing under this paragraph (i) shall be immediately payable by the Charterers on demand by the Owners. Default interest (if unpaid) arising on an Unpaid Sum will be compounded with the Unpaid Sum at the end of each Hire Period applicable to that Unpaid Sum but will remain immediately due and payable.
- (j) In the event that this Charter is terminated for whatever reason, the Charterers' obligation to pay Hire and such other Unpaid Sum which (in each case) has accrued due before, and which remains unpaid, at the date of such termination shall continue notwithstanding such termination.
- (k) In the event that it becomes unlawful or it is prohibited for the Owners to charter the Vessel pursuant to this Charter, then the Owners shall notify the Charterers of the relevant event and negotiate in good faith with the Charterers for a period of thirty (30) days from the date of the receipt of the relevant notice by the Charterers to agree an alternative arrangement. If such agreement is not reached within such thirty (30)-day period, the Charterers agree that, in such circumstances, the Owners shall have the right to terminate this Charter by delivering to the Charterers a Termination Notice specifying a Termination Payment Date, whereupon the Charterers shall be obliged to pay to the Owners the Termination Sum relative to the Termination Payment Date and comply with such other terms and conditions as may be specified in such Termination Notice.
- (l) The Charterers shall, within ten (10) Business Days of demand by the Owners, pay to the Owners any Break Costs and any Swap Losses (where applicable).
- (m)
  - (i) If a Screen Rate Replacement Event has occurred, any amendment or waiver which relates to:

- (A) providing for the use of a Replacement Benchmark in place of (or in addition to) the affected Screen Rate; and
- (B) any or all of the following:
  - (1) aligning any provision of any Transaction Document to the use of that Replacement Benchmark;
  - (2) enabling that Replacement Benchmark to be used for the calculation of Variable Hire under this Charter (including, without limitation, any consequential changes required to enable that Replacement Benchmark to be used for the purposes of this Charter);
  - (3) implementing market conventions applicable to that Replacement Benchmark;
  - (4) providing for appropriate fallback (and market disruption) provisions for that Replacement Benchmark; or
  - (5) adjusting the pricing to reduce or eliminate, to the extent reasonably practicable, any transfer of economic value from one Party to another as a result of the application of that Replacement Benchmark (and if any adjustment or method for calculating any adjustment has been formally designated, nominated or recommended by the Relevant Nominating Body, the adjustment shall be determined on the basis of that designation, nomination or recommendation),

may be made with the consent of the Owners and the Charterers.

- (ii) If, as at 30 September 2022 this Charter provides that the Variable Hire is to be determined by reference to the Screen Rate for LIBOR:

- (A) a Screen Rate Replacement Event shall be deemed to have occurred on that date in relation to the Screen Rate; and
- (B) the Owners and the Charterers shall enter into negotiations in good faith with a view to agreeing the use of a Replacement Benchmark in place of that Screen Rate from and including a date no later than 31 December 2022.

  - (ii) Without prejudice to the forgoing and subject to the terms of the Finance Documents (if any), all other claims in relation to the Insurances (other than in respect of a Total Loss), shall, unless and until the occurrence of a Termination Event which is continuing, in which event all claims under the relevant policy shall be payable directly to the Security Trustee and the Owners, be payable as follows:

- (A) a claim in respect of any one casualty where the aggregate claim against all insurers does not exceed the Threshold Amount, prior to adjustment for any franchise or deductible under the terms of the relevant policy, shall be paid directly to the Charterers (as agent for the Owners) for the repair, salvage or other charges involved or as a reimbursement if the Charterers fully repaired the damage to the satisfaction of the Security Trustee and the Owners (acting reasonably) and paid all of the salvage or other charges;

- (q) The Charterers shall not settle, compromise or abandon any claim under or in connection with any of the Insurances (other than a claim of less than the Threshold Amount arising other than from a Total Loss in the absence of any Termination Event that is continuing) without the prior written consent of the Security Trustee and the Owners (such consent not to be unreasonably withheld).
- (r) If the Charterers fail to effect or keep in force the Insurances, the Security Trustee and the Owners may (but shall not be obliged to) effect and/or keep in force such insurances on the Vessel and such entries in protection and indemnity or war risks associations as the Security Trustee and the Owners in their discretion consider desirable, and the Security Trustee and/or the Owners may (but shall not be obliged to) pay any unpaid premiums, calls or contributions. The Charterers will reimburse the Security Trustee and the Owners from time to time within ten (10) Business Days of a demand for all such premiums, calls or contributions paid by the Security Trustee and the Owners.
- (s) The Charterers shall comply strictly with the requirements of any legislation relating to pollution or protection of the environment which may from time to time be applicable to the Vessel in any jurisdiction in which the Vessel shall trade and in particular the Charterers shall comply strictly with the requirements of the United States Oil Pollution Act 1990 (the "**Act**") if the Vessel is to trade in the United States of America and Exclusive Economic

  - (C) comply strictly with any operational or structural regulations issued from time to time by any relevant authorities under the Act so that at all times the Vessel falls within the provisions which limit strict liability under the Act for oil pollution.
- (vi) The Security Trustee and/or the Owners shall at any date be at liberty to take out an Innocent Owners' Interest Insurance in relation to the Vessel in any amount and on such terms and conditions as the Security Trustee and the Owners may from time to time decide, and the Charterers shall from time to time upon the Security Trustee's and/or the Owners' demand (A) pay the relevant insurers directly for all costs, premiums and

**68 Survival of Charterers' obligations**

The termination of this Charter for any cause whatsoever shall not affect the right of the Owners to recover from the Charterers any money due to the Owners in consequence thereof and all other rights of the Owners (including but not limited to any rights, benefits or indemnities which are provided to continue after the termination of this Charter) are reserved hereunder.

**69 Counterparts**

This Charter may be executed in any number of counterparts and any single counterpart or set of counterparts signed, in either case, by all the Parties shall be deemed to constitute a full and original agreement for all purposes.

**70 Third Parties Act**

- (a) The Security Trustee and any person which is an Indemnatee or a Finance Party from time to time and is not a party to this Charter shall be entitled to enforce such terms of this Charter as provided for in this Charter in relation to the obligations of the Charterers to the Security Trustee, such Indemnatee or (as the case may be) Finance Party, subject to the provisions of Clause 71 (*Law and dispute resolution*) and the Third Parties Act. The Third Parties Act applies to this Charter as set out in this Clause 70.
- (b) Save as provided above, a person who is not a party to this Charter has no right under the Third Parties Act to enforce or to enjoy the benefit of any term of this Charter.

**71 Law and dispute resolution**

- (a) This Charter and any non-contractual obligations arising from or in connection with it are in all respects governed by and shall be interpreted in accordance with English law and any dispute arising out of or in connection with this Agreement shall be referred to arbitration in London in accordance with the Arbitration Act 1996 or any statutory modification or re-enactment thereof save to the extent necessary to give effect to the provisions of this Clause.

- (b) The arbitration shall be conducted in accordance with the London Maritime Arbitrators Association (LMAA) Terms current at the time when the arbitration proceedings are commenced.
- (c) The reference shall be to three arbitrators. A party wishing to refer a dispute to arbitration shall appoint its arbitrator and send notice of such appointment in writing to the other party requiring the other party to appoint its own arbitrator within fourteen (14) calendar days of that notice and stating that it will appoint its arbitrator as sole arbitrator unless the other party appoints its own arbitrator and gives notice that it has done so within the fourteen (14) days specified. If the other party does not appoint its own arbitrator and give notice that it has done so within the fourteen (14) days specified, the party referring a dispute to arbitration may, without the requirement of any further prior notice to the other party, appoint its arbitrator as sole arbitrator and shall advise the other party accordingly. The award of a sole arbitrator shall be binding on both the Owners and the Charterers as if the sole arbitrator had been appointed by agreement.
- (d) Nothing herein shall prevent the parties agreeing in writing to vary these provisions to provide for the appointment of a sole arbitrator.

- (b) The Charterers consent generally in respect of any proceedings to the giving of any relief and the issue of any process in connection with such proceedings including (without limitation) the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment which is made or given in such proceedings. The Charterers agree that in any proceedings in England this waiver shall have the fullest scope permitted by the English State Immunity Act 1978 and that this waiver is intended to be irrevocable for the purposes of such Act.

## **73 Set-off**

Following the occurrence of a Termination Event which is continuing, the Owners may set off any matured and/or contingent obligation due from the Charterers under the Transaction Documents against any obligation (whether matured or not) owed by the Owners to the Charterers, regardless of the place of payment or currency of either obligation. If the obligations are in different currencies, the Owners may convert either

obligation at a market rate of exchange in their usual course of business for the purpose of the set-off.

#### 74 Value Maintenance Covenants

(a) In this Clause 74:

"**Value Maintenance Ratio**" means the ratio (expressed as a percentage) of:

- (i) the Market Value of the Vessel; to
- (ii) the aggregate of the Cost Balance then applicable as at the next applicable Hire Payment Date.

"**Value Maintenance Threshold**" means the ratio (expressed as a percentage) of:

- (A) at any time from the Actual Delivery Date up to and including the third (3<sup>rd</sup>) anniversary thereof, one hundred and thirty five per cent. (135%); and
- (B) at any time after the third (3<sup>rd</sup>) anniversary of the Actual Delivery Date, one hundred and thirty per cent. (130%).

(b)

(i) For the purposes of testing the Value Maintenance Ratio on a Valuation Date, the Market Value shall be determined by the Owners based on the most recent Valuation Report provided to the Owners in accordance with the requirements under this Clause 74 **provided that**:

- (A) in the absence of a Termination Event which is continuing, the Charterers shall arrange, deliver to the Owners and bear the cost of the issuance of each such Valuation Report once every six (6) months during the Charter Period, and any additional Valuation Report shall be at the Owners' cost; and
- (B) upon the occurrence of a Termination Event that is continuing, the Charterers shall arrange, deliver to the Owners and bear the cost of the issuance of all Valuation Reports as may be required by the Owners (acting in their sole discretion),

**provided further that** if the Charterers fail to deliver any Valuation Report in accordance with the requirements under this Clause 74, the Owners shall be entitled to arrange a Valuation Report at the Charterers' cost.

(ii) Each Valuation Report to be provided by the Charterers to the Owners for the purpose of sub-paragraph (i) above shall:

- (A) be issued by an Approved Broker on the relevant Valuation Date;

- (B) be made without physical inspection of the Vessel and on a desktop, charter-free basis;
  - (C) on the basis of a sale for prompt delivery for cash at arm's length on normal commercial terms as between a willing seller and a willing buyer; and
  - (D) upon occurrence of a Termination Event which is continuing, be delivered to the Owners within thirty (30) days from the day requested by the Owners to the Charterers in writing.
- (iii) If an Approved Broker determines that the Market Value shall fall within a range, the valuation as determined by such Approved Broker should be the lower value of such range.
  - (iv) Each valuation shall be provided by an Approved Broker in US Dollars.
  - (v) The Owners may test the Value Maintenance Ratio on any Valuation Date in accordance with the methodology described in subparagraph (b) above.
  - (vi) If, after conducting testing the Value Maintenance Ratio on the relevant Valuation Date, the Owners determine that the Value Maintenance Ratio is less than the Value Maintenance Threshold, then the Charterers shall, within thirty (30) days of the Owners' notice to the Charterers of the same, provide cash collateral in the amount of the shortfall and deposit the same in the Operating Account or any other account nominated by the Owners, for the purpose of and in order to restore the Value Maintenance Ratio to the Value Maintenance Threshold. For the avoidance of doubt, the Minimum Cash Balance shall not at any time be included in the determination of any satisfaction of the Value Maintenance Threshold. The Market Value of the Vessel shall be determined one (1) month following the provision of such cash collateral at the Charterers' cost and, if the Value Maintenance Threshold is evidenced to be met, the Owners shall immediately release such cash collateral to the Charterers and, if the Value Maintenance Threshold is not met as at such time, the Market Value of the Vessel shall be determined each month thereafter at the Charterers' cost.

## 75 Financial covenants

- (a) The Charterers shall procure that the Charter Guarantor will ensure that at all times during the Agreement Term, maintain the Free Liquidity in an amount of twenty million US Dollars (US\$20,000,000).

- (d) Each Compliance Certificate shall be signed by a director or the Chief Financial Officer of the Charter Guarantor.

Such MFN Amendment shall be reversed and the financial covenants restored to those that were in effect immediately prior to an MFN Amendment when (i) such other financial indebtedness containing the Additional Financial Covenant is repaid in full other than as a result of or in connection with an actual event of default (howsoever defined); or (ii) the original terms of an Additional Financial Covenant provided that it has ceased to apply. The Charterers shall promptly notify the Owners of any change or event that requires the incorporation or reverse of an MFN Amendment.   - (i) any law or regulation;
  - (ii) any fiduciary duty; or
  - (iii) any duty of confidentiality.
- (d) If a Party fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with Clause 76(a)(i) or Clause 76(a)(ii) (including, for the avoidance of doubt, where Clause 76(c) applies), then such Party shall be treated for the purposes of the Transaction Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the Party in question provides the requested confirmation, forms, documentation or other information.
- (e) Each Party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no Party shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction.

107 ~~inspection by a diver approved by the Classification Society prior to the delivery of the~~  
108 ~~Vessel. Such option shall be declared latest nine (9) days prior to the Vessel's intended~~  
109 ~~date of readiness for delivery as notified by the Sellers pursuant to Clause 5(b) of this~~  
110 ~~Agreement. The Sellers shall at their cost and expense make the Vessel available for~~  
111 ~~such inspection. This inspection shall be carried out without undue delay and in the~~  
112 ~~presence of a Classification Society surveyor arranged for by the Sellers and paid for by~~  
113 ~~the Buyers. The Buyers' representative(s) shall have the right to be present at the diver's~~  
114 ~~inspection as observer(s) only without interfering with the work or decisions of the~~  
115 ~~Classification Society surveyor. The extent of the inspection and the conditions under~~  
116 ~~which it is performed shall be to the satisfaction of the Classification Society. If the~~  
117 ~~conditions at the place of delivery are unsuitable for such inspection, the Sellers shall at~~  
118 ~~their cost and expense make the Vessel available at a suitable alternative place near to~~  
119 ~~the delivery port, in which event the Cancelling Date shall be extended by the additional~~  
120 ~~time required for such positioning and the subsequent re-positioning. The Sellers may~~  
121 ~~not tender Notice of Readiness prior to completion of the underwater inspection.~~

122 ~~(ii) If the rudder, propeller, bottom or other underwater parts below the deepest load line are~~  
123 ~~found broken, damaged or defective so as to affect the Vessel's class, then (1) unless~~  
124 ~~repairs can be carried out afloat to the satisfaction of the Classification Society, the~~  
125 ~~Sellers shall arrange for the Vessel to be drydocked at their expense for inspection by~~  
126 ~~the Classification Society of the Vessel's underwater parts below the deepest load line,~~  
127 ~~the extent of the inspection being in accordance with the Classification Society's rules (2)~~  
128 ~~such defects shall be made good by the Sellers at their cost and expense to the~~  
129 ~~satisfaction of the Classification Society without condition/recommendation\*\* and (3) the~~  
130 ~~Sellers shall pay for the underwater inspection and the Classification Society's~~  
131 ~~attendance.~~

132 ~~Notwithstanding anything to the contrary in this Agreement, if the Classification Society~~

133 do not require the aforementioned defects to be rectified before the next class  
134 drydocking survey, the Sellers shall be entitled to deliver the Vessel with these defects  
135 against a deduction from the Purchase Price of the estimated direct cost (of labour and  
136 materials) of carrying out the repairs to the satisfaction of the Classification Society;  
137 whereafter the Buyers shall have no further rights whatsoever in respect of the defects  
138 and/or repairs. The estimated direct cost of the repairs shall be the average of quotes  
139 for the repair work obtained from two reputable independent shipyards at or in the  
140 vicinity of the port of delivery, one to be obtained by each of the Parties within two (2)  
141 Banking Days from the date of the imposition of the condition/recommendation, unless  
142 the Parties agree otherwise. Should either of the Parties fail to obtain such a quote within  
143 the stipulated time then the quote duly obtained by the other Party shall be the sole basis  
144 for the estimate of the direct repair costs. The Sellers may not tender Notice of  
145 Readiness prior to such estimate having been established.

146 (iii) If the Vessel is to be drydocked pursuant to Clause 6(a)(ii) and no suitable dry docking  
147 facilities are available at the port of delivery, the Sellers shall take the Vessel to a port  
148 where suitable drydocking facilities are available, whether within or outside the delivery  
149 range as per Clause 5(a). Once drydocking has taken place the Sellers shall deliver the  
150 Vessel at a port within the delivery range as per Clause 5(a) which shall, for the purpose  
151 of this Clause, become the new port of delivery. In such event the Cancelling Date shall  
152 be extended by the additional time required for the drydocking and extra steaming, but  
153 limited to a maximum of fourteen (14) days.

154 (b)\* The Sellers shall place the Vessel in drydock at the port of delivery for inspection by the  
155 Classification Society of the Vessel's underwater parts below the deepest load line, the extent  
156 of the inspection being in accordance with the Classification Society's rules. If the rudder,  
157 propeller, bottom or other underwater parts below the deepest load line are found broken,  
158 damaged or defective so as to affect the Vessel's class, such defects shall be made good at the  
159 Sellers' cost and expense to the satisfaction of the Classification Society without  
160 condition/recommendation\*\*. In such event the Sellers are also to pay for the costs and  
161 expenses in connection with putting the Vessel in and taking her out of drydock, including the  
162 drydock dues and the Classification Society's fees. The Sellers shall also pay for these costs  
163 and expenses if parts of the tailshaft system are condemned or found defective or broken so as  
164 to affect the Vessel's class. In all other cases, the Buyers shall pay the aforesaid costs and  
165 expenses, dues and fees.

166 (e) If the Vessel is drydocked pursuant to Clause 6 (a)(ii) or 6 (b) above:

167 (i) The Classification Society may require survey of the tailshaft system, the extent of the  
168 survey being to the satisfaction of the Classification surveyor. If such survey is  
169 not required by the Classification Society, the Buyers shall have the option to require the  
170 tailshaft to be drawn and surveyed by the Classification Society, the extent of the survey  
171 being in accordance with the Classification Society's rules for tailshaft survey and  
172 consistent with the current stage of the Vessel's survey cycle. The Buyers shall declare  
173 whether they require the tailshaft to be drawn and surveyed not later than by the  
174 completion of the inspection by the Classification Society. The drawing and refitting of  
175 the tailshaft shall be arranged by the Sellers. Should any parts of the tailshaft system be  
176 condemned or found defective so as to affect the Vessel's class, those parts shall be  
177 renewed or made good at the Sellers' cost and expense to the satisfaction of  
178 Classification Society without condition/recommendation\*\*.

179 (ii) The costs and expenses relating to the survey of the tailshaft system shall be borne by  
180 the Buyers unless the Classification Society requires such survey to be carried out or if

181 parts of the system are condemned or found defective or broken so as to affect the  
182 Vessel's class, in which case the Sellers shall pay these costs and expenses.

183 (iii) The Buyers' representative(s) shall have the right to be present in the drydock, as  
184 observer(s) only without interfering with the work or decisions of the Classification  
185 Society surveyor.

186 (iv) The Buyers shall have the right to have the underwater parts of the Vessel cleaned  
187 and painted at their risk, cost and expense without interfering with the Sellers' or the  
188 Classification Society surveyor's work, if any, and without affecting the Vessel's timely  
189 delivery. If, however, the Buyers' work in drydock is still in progress when the  
190 Sellers have completed the work which the Sellers are required to do, the additional  
191 docking time needed to complete the Buyers' work shall be for the Buyers' risk, cost and  
192 expense. In the event that the Buyers' work requires such additional time, the Sellers  
193 may upon completion of the Sellers' work tender Notice of Readiness for delivery whilst  
194 the Vessel is still in drydock and, notwithstanding Clause 5(a), the Buyers shall be  
195 obliged to take delivery in accordance with Clause 3 (Payment), whether the Vessel is in  
196 drydock or not.

197 \*6 (a) and 6 (b) are alternatives; delete whichever is not applicable. In the absence of deletions,  
198 alternative 6 (a) shall apply.

199 \*\*Notes or memoranda, if any, in the surveyor's report which are accepted by the Classification  
200 Society without condition/recommendation are not to be taken into account.

- (c) The Sellers shall be fully responsible for the Buyers' fulfilment of physical delivery as new owner of the Vessel to the Sellers (as charterers) under the Bareboat Charter. The Payment Notice shall be issued by the Sellers to the Buyers after all the Pre-positioning Date CPs have been satisfied or waived to the satisfaction of the Buyers, which shall be on or before the date falling two (2) Banking Days prior to the proposed Pre-positioning Date.
- (b) On or before the Pre-positioning Date if the Buyers have received evidence (which may be in the form of confirmation that an MT199 message is acceptable to the Sellers' Bank and the Buyers (the "**Conditional Payment Message**")) that the Relevant Amount will be held to the order of the Buyers, and to be released to such person(s) as may be nominated by the sellers upon presentation to the Initial Sellers' Bank of a copy (transmitted by fax, email or otherwise) of each of (i) the protocol of delivery and acceptance under the Initial MOA which is duly signed by an authorised signatory of the Initial Sellers and an authorised signatory of the Sellers evidencing the delivery by the Initial Sellers and acceptance by the Sellers of the Vessel under the Initial MOA and (ii) the Release Letter which is signed by an authorised signatory of the Sellers which is named in the Conditional Payment Message and approved by the Buyers, the Buyers shall deposit with the Initial Sellers' Bank the Relevant Amount to be so held and so released, **provided that** the Buyers' obligation to deposit with the Initial Sellers' Bank the Relevant Amount is always subject to the Buyers being satisfied that all of the Pre-Positioning Date CPs have been satisfied.

The Sellers agree to release, discharge, defend, indemnify, waive and hold harmless the Buyers from and against any liability, obligation or claim which may be asserted, claimed or recovered against the Buyers for any reason directly arising out of the release or the failure to release (as the case may be) of any part of the Purchase Price by the Initial Sellers' Bank except if the same results from or is a direct consequence

of the Buyers' failure to perform their obligations under or in breach of any provisions under this Agreement or the Bareboat Charter.

- (d) Without prejudice to any other provisions under this Agreement, the Sellers shall pay to the Buyers:

- (b) for the avoidance of doubt, on the date of payment of the Relevant Amount, (A) the Buyers shall not be obliged to pay the Sellers and the Sellers shall not be entitled to receive from the Buyers an amount which is more than the difference between (i) the Purchase Price and (ii) the aggregate of the Advance Hire and the Arrangement Fee as set off in accordance with paragraph (a) above and (B) the Sellers shall not be obliged to pay the Buyers and the Buyers shall not be entitled to receive from the Sellers payments towards the Advance Hire as a result of this Clause 23 (*Partial set-off of Purchase Price*).

Unless otherwise expressly provided in the Plan, all designations, determinations, interpretations and other decisions under or with respect to the Plan or any Award shall be within the sole discretion of the Administrator, may be made at any time and shall be final, conclusive and binding upon all Persons (as defined below).

(b) General Right of Delegation. Except to the extent prohibited by applicable law, the applicable rules of a stock exchange or any charter, by-laws or other agreement governing the Administrator, the Administrator may delegate all or any part of its responsibilities to any Person or Persons selected by it; provided, however, that in no event shall an officer of the Company be delegated the authority to grant Awards to, or amend Awards held by, the following individuals: (i) individuals who are subject to Section 16 of the 1934 Act, to the extent applicable, or (ii) officers of the Company to whom authority to grant or amend Awards has been delegated hereunder or directors of the Company; provided, further, that any delegation of administrative authority shall only be permitted to the extent it is permissible under applicable securities laws (including, without limitation, Rule 16b-3, to the extent applicable) and the rules of any applicable stock exchange. Any delegation hereunder shall be subject to the restrictions and limits that the Administrator specifies at the time of such delegation, and the Administrator may at any time rescind the authority so delegated or appoint a new delegatee. At all times, the delegatee appointed under this Section 1.2(b) shall serve in such capacity at the pleasure of the Administrator.

(c) Indemnification. No member of the Board, the Administrator or any officer or employee of the Company or any Subsidiary or Affiliate or any of their agents (each such Person, a "Covered Person") shall be liable for any action taken or omitted to be taken or any determination made in good faith with respect to the Plan or any Award hereunder. Each Covered Person shall be indemnified and held harmless by the Company against and from (i) any loss, cost, liability or expense (including attorneys' fees) that may be imposed upon or incurred by such Covered Person in connection with or resulting from any action, suit or proceeding to which such Covered Person may be a party or in which such Covered Person may be involved by reason of any action taken or omitted to be taken under the Plan or any Award Agreement and (ii) any and all amounts paid by such Covered Person, with the Company's approval, in settlement thereof, or paid by such Covered Person in satisfaction of any judgment in any such action, suit or proceeding against such Covered Person; provided that the Company shall have the right, at its own expense, to assume and defend any such action, suit or proceeding and, once the Company gives notice of its intent to assume the defense, the Company shall have sole control over such defense with counsel of the Company's choice. The foregoing right of indemnification shall not be available to a Covered Person to the extent that a court of competent jurisdiction in a final judgment or other final adjudication, in either

case not subject to further appeal, determines that the acts or omissions of such Covered Person giving rise to the indemnification claim resulted from such Covered Person's bad faith, fraud or willful criminal act or omission or that such right of indemnification is otherwise prohibited by law or by the Company's articles of incorporation or bylaws (in each case, as amended and/or restated). The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which Covered Persons may be entitled under the Company's articles of incorporation or bylaws (in each case, as amended and/or restated), as a matter of law, or otherwise, or any other power that the Company may have to indemnify such Persons or hold them harmless.

(d) **Delegation of Authority to Senior Officers.** The Administrator may, in accordance with and subject to the terms of Section 1.2(b), delegate, on such terms and conditions as it determines, to one or more senior officers of the Company, the authority to make grants of Awards to Key Persons who are employees of the Company or any of its Subsidiaries or Affiliates (including any such prospective employee) or consultants or service providers to (including Persons who are employed by or provide services to any entity that is itself a consultant or service provider to) the Company or any of its Subsidiaries or Affiliates.

(e) **Awards to Non-Employee Directors.** Notwithstanding anything to the contrary contained herein, the Board may, in its sole discretion, at any time and from time to time, grant Awards to Non-Employee Directors or administer the Plan with respect to such Awards. In any such case, the Board shall have all the authority and responsibility granted to the Administrator herein with respect to such Awards.

### **1.3 Persons Eligible for Awards**

The Persons eligible to receive Awards under the Plan are those directors, officers and employees (including any prospective director, officer or employee) of the Company and/or its Subsidiaries and Affiliates and consultants and service providers to (including Persons who are employed by or provide services to any entity that is itself a consultant or service provider to) the Company and its Subsidiaries and Affiliates (collectively, "Key Persons") as the Administrator shall select.

### **1.4 Types of Awards**

Awards may be made under the Plan in the form of (a) non-qualified stock options (i.e., stock options that are not "incentive stock options" for purposes of Sections 421 and 422 of the Code (as defined below)), (b) stock appreciation rights, (c) restricted stock, (d) restricted stock units, (e) dividend equivalents, (f) cash awards, (g) unrestricted stock and (h) other equity-based or equity-related Awards, all as more fully set forth in the Plan. The term "Award" means any of the foregoing that are granted under the Plan.

### **1.5 Shares Available for Awards; Adjustments for Changes in Capitalization**

(a) **Maximum Number.** Subject to adjustment as provided in Section 1.5(c):

(i) the maximum aggregate number of shares of Class A common stock of the Company, par value \$0.01 ("Common Stock"), that may be delivered pursuant to Awards granted under the Plan shall be 3,412,500 (of which 684,568 have previously been delivered under the Original Plan (as defined in Section 3.12(a) hereof)). The following shares of

Common Stock shall again become available for Awards under the Plan: (i) any shares that are subject to an Award under the Plan and that remain unissued upon the cancellation or termination of such Award for any reason whatsoever; (ii) any shares of restricted stock forfeited pursuant to the Plan or the applicable Award Agreement; provided that any dividend equivalent rights with respect to such shares that have not theretofore been directly remitted to the grantee are also forfeited; and (iii) any shares in respect of which an Award is settled for cash without the delivery of shares to the grantee. Any shares that are held back to satisfy the exercise price or tax withholding obligation pursuant to any stock options or stock appreciation rights granted under the Plan shall again become available to be delivered pursuant to Awards under the Plan. Awards that are payable solely in cash shall not be counted against the aggregate number of shares of Common Stock available for Awards under the Plan; and

(ii) no Non-Employee Director of the Company may be granted options, stock appreciation rights, restricted stock, restricted stock units, dividend equivalents, unrestricted stock or other equity-based or equity-related Awards for more than 25,000 shares of Common Stock during any calendar year or cash awards under the Plan in excess of \$100,000 during any calendar year, inclusive of Board, committee or other service fees.

(b) Source of Shares. Shares issued pursuant to the Plan may be authorized but unissued Common Stock or treasury shares. The Administrator may direct that any stock certificate evidencing shares issued pursuant to the Plan shall bear a legend setting forth such restrictions on transferability as may apply to such shares.

(c) Adjustments.

(i) In the event that any dividend or other distribution (whether in the form of cash, Company shares, other securities or other property), stock split, reverse stock split, reorganization, merger, consolidation, split-up, combination, repurchase or exchange of Company shares or other securities of the Company, issuance of warrants or other rights to purchase Company shares or other securities of the Company, or other similar corporate transaction or event, other than an Equity Restructuring (as defined below), affects the Company shares such that an adjustment is determined by the Administrator to be appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan or with respect to an Award, then the Administrator shall, in such manner as it may deem equitable, adjust any or all of the number of shares or other securities of the Company (or number and kind of other securities or property) with respect to which Awards may be granted under the Plan.

(ii) The Administrator shall make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or infrequently occurring events (including the events described in Section 1.5(c)(i) or the occurrence of a Change in Control (as defined below), other than an Equity Restructuring) affecting the Company, any Affiliate, or the financial statements of the Company or any Affiliate, or of changes in applicable rules, rulings, regulations or other requirements of any governmental body or securities exchange, accounting principles or law, whenever the Administrator determines that such adjustments are appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan or with respect to

an Award, including providing for (A) adjustment to (1) the number of shares or other securities of the Company (or number and kind of other securities or property) subject to outstanding Awards or to which outstanding Awards relate and (2) the Exercise Price (as defined below) with respect to any Award and (B) a substitution or assumption of Awards, accelerating the exercisability or vesting of, or lapse of restrictions on, Awards, or accelerating the termination of Awards by providing for a period of time for exercise prior to the occurrence of such event, or, if deemed appropriate or desirable, providing for a cash payment to the holder of an outstanding Award in consideration for the cancellation of such Award (it being understood that, in such event, any option or stock appreciation right having a per share Exercise Price equal to, or in excess of, the Fair Market Value (as defined below) of a share subject to such option or stock appreciation right may be cancelled and terminated without any payment or consideration therefor); provided, however, that with respect to options and stock appreciation rights, unless otherwise determined by the Administrator, such adjustment shall be made in accordance with the provisions of Section 424(h) of the Code.

(iii) In the event of (x) a dissolution or liquidation of the Company, (y) a sale of all or substantially all the Company's assets or (z) a merger, reorganization or consolidation involving the Company or one of its Subsidiaries, the Administrator shall have the power to:

(A) provide that outstanding options, stock appreciation rights, restricted stock units (including any related dividend equivalent right) and/or other Awards granted under the Plan shall either continue in effect, be assumed or an equivalent award shall be substituted therefor by the successor entity or a parent entity or subsidiary entity;

(B) cancel, effective immediately prior to the occurrence of such event, options, stock appreciation rights, restricted stock units (including each dividend equivalent right related thereto) and/or other Awards granted under the Plan outstanding immediately prior to such event (whether or not then exercisable) and, in full consideration of such cancellation, pay to the holder of such Award a cash payment in an amount equal to the excess, if any, of the Fair Market Value (as of a date specified by the Administrator) of the shares subject to such Award (or the value of such Award, as determined by the Administrator, if not based on the Fair Market Value of shares) over the aggregate Exercise Price of such Award (or the grant price of such Award, if any, if applicable) (it being understood that, in such event, any option or stock appreciation right having a per share Exercise Price equal to, or in excess of, the Fair Market Value of a share subject to such option or stock appreciation right may be cancelled and terminated without any payment or consideration therefor); or

(C) notify the holder of an option or stock appreciation right in writing or electronically that each option and stock appreciation right shall be fully vested and exercisable for a period of 30 days from the date of such notice, or such shorter period as the Administrator may determine to be reasonable, and the option or stock appreciation right shall terminate upon the expiration of such period (which period shall expire no later than immediately prior to the consummation of the corporate transaction).

(iv) In connection with the occurrence of any Equity Restructuring, and notwithstanding anything to the contrary in this Section 1.5(c):

(A) The number and type of securities or other property subject to each outstanding Award and the Exercise Price or grant price thereof, if applicable, shall be equitably adjusted; and

(B) The Administrator shall make such equitable adjustments, if any, as the Administrator may deem appropriate to reflect such Equity Restructuring with respect to the aggregate number and kind of shares that may be issued under the Plan (including, but not limited to, adjustment of the limitation set forth in Section 1.5(a)). The adjustments provided under this Section 1.5(c)(iv) shall be nondiscretionary and shall be final and binding on the affected participant and the Company.

## 1.6 Definitions of Certain Terms

(a) “Affiliate” shall mean (i) any entity that, directly or indirectly, is controlled by, controls or is under common control with, the Company and (ii) any entity in which the Company has a significant equity interest, in either case as determined by the Administrator.

(b) Unless otherwise specifically set forth in the applicable Award Agreement, in connection with a termination of employment or consultancy/service relationship or a dismissal from Board membership, for purposes of the Plan, the term “for Cause” shall be defined as follows:

(i) if there is an employment, severance, consulting, service or other agreement governing the relationship between the grantee, on the one hand, and the Company or any Subsidiary or Affiliate, on the other hand, that contains a definition of “cause” (or similar phrase), for purposes of the Plan, the term “for Cause” shall mean those acts or omissions that would constitute “cause” under such agreement; or

(ii) if the preceding clause (i) is not applicable to the grantee, for purposes of the Plan, the term “for Cause” shall mean any of the following:

(A) any failure by the grantee substantially to perform the grantee’s employment or consulting/service or Board membership duties;

(B) any excessive unauthorized absenteeism by the grantee;

(C) any refusal by the grantee to obey the lawful orders of the Board or any other Person to whom the grantee reports;

(D) any act or omission by the grantee that is or may be injurious to the Company or any Subsidiary or Affiliate, whether monetarily, reputationally or otherwise;

(E) any act by the grantee that is inconsistent with the best interests of the Company or any Subsidiary or Affiliate;

(F) the grantee’s gross negligence that is injurious to the Company or any Subsidiary or Affiliate, whether monetarily, reputationally or otherwise;

(G) the grantee's material violation of any of the policies of the Company or any Subsidiary or Affiliate, as applicable, including, without limitation, those policies relating to discrimination or sexual harassment;

(H) the grantee's material breach of his or her employment or service contract with the Company or any Subsidiary or Affiliate;

(I) the grantee's unauthorized (1) removal from the premises of the Company or any Subsidiary or Affiliate of any document (in any medium or form) relating to the Company or any Subsidiary or Affiliate or the customers or clients of the Company or any Subsidiary or Affiliate or (2) disclosure to any Person of any of the Company's, or any Subsidiary's or Affiliate's, confidential or proprietary information;

(J) the grantee's being convicted of, or entering a plea of guilty or nolo contendere to, any crime that constitutes a felony or involves moral turpitude; and

(K) the grantee's commission of any act involving dishonesty or fraud.

Any rights the Company or any Subsidiary or Affiliate may have under the Plan in respect of the events giving rise to a termination or dismissal "for Cause" shall be in addition to any other rights the Company or any Subsidiary or Affiliate may have under any other agreement with a grantee or at law or in equity. Any determination of whether a grantee's employment or consultancy/service relationship is (or is deemed to have been) terminated "for Cause" shall be made by the Administrator, provided that, if there is an employment, severance, consulting, service or other agreement governing the relationship between the grantee, on the one hand, and the Company or any Subsidiary or Affiliate, on the other hand, that contains a definition of "cause" (or similar phrase), for purposes of the Plan, any determination of whether such grantee's employment or consultancy/service relationship is (or is deemed to have been) terminated "for Cause" shall be made as provided in such agreement. If, subsequent to a grantee's voluntary termination of employment or consultancy/service relationship or involuntary termination of employment or consultancy/service relationship without Cause, it is discovered that the grantee's employment or consultancy/service relationship could have been terminated "for Cause", the Administrator may deem such grantee's employment or consultancy/service relationship to have been terminated "for Cause" upon such discovery and determination by the Administrator, provided that, if there is an employment, severance, consulting, service or other agreement governing the relationship between the grantee, on the one hand, and the Company or any Subsidiary or Affiliate, on the other hand, that contains a definition of "cause" (or similar phrase), for purposes of this sentence, any determination of whether such grantee's employment or consultancy/service relationship may be deemed to have been terminated "for Cause" shall be made by the person(s) responsible for determining whether "cause" (or similar phrase) existed under such agreement.

(c) "Code" shall mean the Internal Revenue Code of 1986, as amended.

(d) Unless otherwise specifically set forth in the applicable Award Agreement, "Disability" shall mean the grantee's being unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can be expected to result in

death or can be expected to last for a continuous period of not less than 12 months, or the grantee receiving income replacement benefits for a period of not less than three months under an accident and health plan covering employees of the grantee's employer by reason of any medically determinable physical or mental impairment that can be expected to result in death or can be expected to last for a continuous period of not less than 12 months; provided that if there is an employment, severance, consulting, service or other agreement governing the relationship between the grantee, on the one hand, and the Company or any Subsidiary or Affiliate, on the other hand, that contains a definition of "disability" (or similar phrase), for purposes of the Plan, the term "Disability" shall have the meaning ascribed to "disability" (or such similar phrase) under such agreement. The existence of a Disability shall be determined by the Administrator; provided that, if there is an employment, severance, consulting, service or other agreement governing the relationship between the grantee, on the one hand, and the Company or any Subsidiary or Affiliate, on the other hand, that contains a definition of "disability" (or similar phrase), for purposes of the Plan, any determination of whether a "Disability" exists for purposes of the Plan in respect of such grantee shall be made as provided in such agreement.

(e) "Equity Restructuring" shall mean a non-reciprocal transaction between the Company and its stockholders, such as a stock dividend, stock split, spin-off, rights offering or recapitalization through a large, nonrecurring cash dividend, that affects the shares of Common Stock (or other securities of the Company) or the share price thereof and causes a change in the per share value of the shares underlying outstanding Awards.

(f) "Exercise Price" shall mean (i) in the case of options, the price specified in the applicable Award Agreement as the price-per-share at which such share can be purchased pursuant to the option or (ii) in the case of stock appreciation rights, the price specified in the applicable Award Agreement as the reference price-per-share used to calculate the amount payable to the grantee.

(g) The "Fair Market Value" of a share of Common Stock on any day shall be the closing price on the New York Stock Exchange, or such other primary stock exchange upon which such shares are then listed, as reported for such day in The Wall Street Journal (or, if not reported in The Wall Street Journal, such other reliable source as the Administrator may determine), or, if no such price is reported for such day, the average of the high bid and low asked price of Common Stock as reported for such day. If no quotation is made for the applicable day, the Fair Market Value of a share of Common Stock on such day shall be determined in the manner set forth in the preceding sentence for the next preceding trading day. Notwithstanding the foregoing, if there is no reported closing price or high bid/low asked price that satisfies the preceding sentences, or if otherwise deemed necessary or appropriate by the Administrator, the Fair Market Value of a share of Common Stock on any day shall be determined by such methods and procedures as shall be established from time to time by the Administrator. The "Fair Market Value" of any property other than Common Stock shall be the fair market value of such property determined by such methods and procedures as shall be established from time to time by the Administrator.

(h) "Person" shall mean any individual, firm, corporation, partnership, limited liability company, trust, incorporated or unincorporated association, joint venture, joint stock company, governmental body or other entity of any kind.

(i) “Repricing” shall mean (i) lowering the Exercise Price of an option or a stock appreciation right after it has been granted, (ii) the cancellation of an option or a stock appreciation right in exchange for cash or another Award when the Exercise Price exceeds the Fair Market Value of the underlying shares subject to the Award and (iii) any other action with respect to an option or a stock appreciation right that is treated as a repricing under (A) generally accepted accounting principles or (B) any applicable stock exchange rules.

(j) “Subsidiary” shall mean any entity in which the Company, directly or indirectly, has a 50% or more equity interest.

## ARTICLE II.

### Awards Under The Plan

#### 2.1 Agreements Evidencing Awards

Each Award granted under the Plan shall be evidenced by a written certificate (“Award Agreement”), which shall contain such provisions as the Administrator may deem necessary or desirable and which may, but need not, require execution or acknowledgment by a grantee. The Award shall be subject to all of the terms and provisions of the Plan and the applicable Award Agreement.

#### 2.2 Grant of Stock Options and Stock Appreciation Rights

(a) Stock Option Grants. The Administrator may grant non-qualified stock options (“options”) to purchase shares of Common Stock from the Company to such Key Persons, and in such amounts and subject to such vesting and forfeiture provisions and other terms and conditions, as the Administrator shall determine, subject to the provisions of the Plan. No option will be treated as an “incentive stock option” for purposes of the Code. It shall be the intent of the Administrator to not grant an Award in the form of stock options to any Key Person who is then subject to the requirements of Section 409A of the Code with respect to such Award if the Common Stock underlying such Award does not then qualify as “service recipient stock” for purposes of Section 409A. Furthermore, it shall be the intent of the Administrator, in granting options to Key Persons who are subject to Section 409A and/or Section 457A of the Code, to structure such options so as to comply with the requirements of Section 409A and/or Section 457A of the Code, as applicable.

(b) Stock Appreciation Right Grants; Types of Stock Appreciation Rights. The Administrator may grant stock appreciation rights to such Key Persons, and in such amounts and subject to such vesting and forfeiture provisions and other terms and conditions, as the Administrator shall determine, subject to the provisions of the Plan. The terms of a stock appreciation right may provide that it shall be automatically exercised for a payment upon the happening of a specified event that is outside the control of the grantee and that it shall not be otherwise exercisable. Stock appreciation rights may be granted in connection with all or any part of, or independently of, any option granted under the Plan. It shall be the intent of the Administrator to not grant an Award in the form of stock appreciation rights to any Key Person (i) who is then subject to the requirements of Section 409A of the Code with respect to such Award if the Common Stock underlying such Award does not then qualify as “service recipient stock” for purposes of Section 409A or (ii) if such Award would create adverse tax consequences for such Key

Person under Section 457A of the Code. Furthermore, it shall be the intent of the Administrator, in granting stock appreciation rights to Key Persons who are subject to Section 409A and/or Section 457A of the Code, to structure such stock appreciation rights so as to comply with the requirements of Section 409A and/or Section 457A of the Code, to the extent applicable.

(c) Nature of Stock Appreciation Rights. The grantee of a stock appreciation right shall have the right, subject to the terms of the Plan and the applicable Award Agreement, to receive from the Company an amount equal to (i) the excess of the Fair Market Value of a share of Common Stock on the date of exercise of the stock appreciation right over the Exercise Price of the stock appreciation right, multiplied by (ii) the number of shares with respect to which the stock appreciation right is exercised. Each Award Agreement with respect to a stock appreciation right shall set forth the Exercise Price of such Award and, unless otherwise specifically provided in the Award Agreement, the Exercise Price of a stock appreciation right shall equal the Fair Market Value of a share of Common Stock on the date of grant; provided that in no event may such Exercise Price be less than the greater of (A) the Fair Market Value of a share of Common Stock on the date of grant and (B) the par value of a share of Common Stock. Payment upon exercise of a stock appreciation right shall be in cash or in shares of Common Stock (valued at their Fair Market Value on the date of exercise of the stock appreciation right) or any combination of both, all as the Administrator shall determine. Repricing of stock appreciation rights granted under the Plan shall not be permitted (1) to the extent such action could cause adverse tax consequences to the grantee under Section 409A or Section 457A of the Code or (2) without prior shareholder approval, to the extent such approval would be required to be obtained by the Company pursuant to the applicable rules of any applicable stock exchange on which the Common Stock is then listed, and any action that would be deemed to result in a Repricing of a stock appreciation right shall be deemed null and void if it would cause such adverse tax consequences or if any requisite shareholder approval related thereto is not obtained prior to the effective time of such action. Upon the exercise of a stock appreciation right granted in connection with an option, the number of shares subject to the option shall be reduced by the number of shares with respect to which the stock appreciation right is exercised. Upon the exercise of an option in connection with which a stock appreciation right has been granted, the number of shares subject to the stock appreciation right shall be reduced by the number of shares with respect to which the option is exercised.

(d) Option Exercise Price. Each Award Agreement with respect to an option shall set forth the Exercise Price of such Award and, unless otherwise specifically provided in the Award Agreement, the Exercise Price of an option shall equal the Fair Market Value of a share of Common Stock on the date of grant; provided that in no event may such Exercise Price be less than the greater of (i) the Fair Market Value of a share of Common Stock on the date of grant and (ii) the par value of a share of Common Stock. Repricing of options granted under the Plan shall not be permitted (1) to the extent such action could cause adverse tax consequences to the grantee under Section 409A or Section 457A of the Code or (2) without prior shareholder approval, to the extent such approval would be required to be obtained by the Company pursuant to the applicable rules of any applicable stock exchange on which the Common Stock is then listed, and any action that would be deemed to result in a Repricing of an option shall be deemed null and void if it would cause such adverse tax consequences or if any requisite shareholder approval related thereto is not obtained prior to the effective time of such action.

### **2.3 Exercise of Options and Stock Appreciation Rights**

Subject to the other provisions of this Article II and the Plan, each option and stock appreciation right granted under the Plan shall be exercisable as follows:

(a) Timing and Extent of Exercise. Options and stock appreciation rights shall be exercisable at such times and under such conditions as determined by the Administrator and set forth in the corresponding Award Agreement, but in no event shall any portion of such Award be exercisable subsequent to the tenth anniversary of the date on which such Award was granted. Unless the applicable Award Agreement otherwise specifically provides, an option or stock appreciation right may be exercised from time to time as to all or part of the shares as to which such Award is then exercisable.

(b) Notice of Exercise. An option or stock appreciation right shall be exercised by the filing of a written notice with the Company or the Company's designated exchange agent (the "Exchange Agent"), on such form and in such manner as the Administrator shall prescribe.

(c) Payment of Exercise Price. Any written notice of exercise of an option shall be accompanied by payment for the shares being purchased. Such payment shall be made: (i) by certified or official bank check (or the equivalent thereof acceptable to the Company or its Exchange Agent) for the full option Exercise Price; (ii) with the consent of the Administrator, which consent shall be given or withheld in the sole discretion of the Administrator, by delivery of shares of Common Stock having a Fair Market Value (determined as of the exercise date) equal to all or part of the option Exercise Price and a certified or official bank check (or the equivalent thereof acceptable to the Company or its Exchange Agent) for any remaining portion of the full option Exercise Price; or (iii) at the sole discretion of the Administrator and to the extent permitted by law, by such other provision, consistent with the terms of the Plan, as the Administrator may from time to time prescribe (whether directly or indirectly through the Exchange Agent), or by any combination of the foregoing payment methods.

(d) Delivery of Certificates Upon Exercise. Subject to Sections 3.2, 3.4 and 3.13, promptly after receiving payment of the full option Exercise Price, or after receiving notice of the exercise of a stock appreciation right for which the Administrator determines payment will be made partly or entirely in shares, the Company or its Exchange Agent shall (i) deliver to the grantee, or to such other Person as may then have the right to exercise the Award, a certificate or certificates for the shares of Common Stock for which the Award has been exercised or, in the case of stock appreciation rights, for which the Administrator determines will be made in shares or (ii) establish an account evidencing ownership of the stock in uncertificated form. If the method of payment employed upon an option exercise so requires, and if applicable law permits, an optionee may direct the Company or its Exchange Agent, as the case may be, to deliver the stock certificate(s) to the optionee's stockbroker.

(e) No Stockholder Rights. No grantee of an option or stock appreciation right (or other Person having the right to exercise such Award) shall have any of the rights of a stockholder of the Company with respect to shares subject to such Award until the issuance of a stock certificate to such Person for such shares or an account in the name of the grantee evidences ownership of stock in uncertificated form. Except as otherwise provided in Section 1.5(c), no adjustment shall be made for dividends, distributions or other rights (whether ordinary or extraordinary, and whether in cash, securities or other property) for which the record date is prior to the date such stock certificate is

issued or the date an account evidencing ownership of the stock in uncertificated form notes receipt of such stock.

## **2.4 Termination of Employment/Service; Death Subsequent to a Termination of Employment/Service**

(a) **General Rule.** Except to the extent otherwise provided in paragraphs (b), (c), (d), (e) or (f) of this Section 2.4 or Section 3.5(b)(iii), or unless otherwise specifically set forth in the applicable Award Agreement or the grantee's relevant employment, severance or consulting agreement with the Company or a Subsidiary or Affiliate, a grantee who incurs a termination of employment or consultancy/service relationship with the Company and its Subsidiaries, Affiliates, consultants and service providers may exercise any outstanding option or stock appreciation right on the following terms and conditions: (i) exercise may be made only to the extent that the grantee was entitled to exercise the Award on the date of termination of employment or consultancy/service relationship, as applicable; and (ii) exercise must occur within three months after termination of employment or consultancy/service relationship but in no event after the original expiration date of the Award; it being understood that (A) then outstanding options and stock appreciation rights shall not be affected by a change of employment or consultancy/service relationship with Company and its Subsidiaries, Affiliates, consultants and service providers so long as the grantee continues to be a director, officer or employee of, or a consultant or service provider to (or a Person employed by or providing services to any entity that is itself a consultant or service provider to), the Company or any of its Subsidiaries or Affiliates and (B) neither sick-leave or military conscription, alone and without termination of employment or consultancy/service relationship with Company and its Subsidiaries, Affiliates, consultants and service providers, shall be treated as a termination of employment or consultancy/service relationship with Company and its Subsidiaries, Affiliates, consultants and service providers.

(b) **Dismissal "for Cause".** If a grantee incurs a termination of employment or consultancy/service relationship with Company and its Subsidiaries, Affiliates, consultants and service providers "for Cause", all options and stock appreciation rights not theretofore exercised (whether vested or unvested) shall immediately terminate upon such termination of employment or consultancy/service relationship.

(c) **Retirement.** If a grantee incurs a termination of employment or consultancy/service relationship with Company and its Subsidiaries, Affiliates, consultants and service providers as the result of his or her retirement (as defined below), then any outstanding option or stock appreciation right shall, to the extent exercisable at the time of such retirement, remain exercisable for a period of three years after such retirement; provided that in no event may such option or stock appreciation right be exercised following the original expiration date of the Award. For this purpose, unless otherwise specifically set forth in the applicable Award Agreement, "retirement" shall mean a grantee's resignation of employment or consultancy/service relationship with Company and its Subsidiaries, Affiliates, consultants and service providers (i) on or after his or her 65th birthday, (ii) on or after the date on which he or she has attained age 60 and completed at least five years of service with the Company or one or more of its Subsidiaries or Affiliates (using any method of calculation the Administrator deems appropriate) or (iii) if approved by the Administrator, on or after his or her having completed at least 20 years of service with the Company or one or more of its Subsidiaries or Affiliates (using any method of calculation the Administrator deems appropriate).

(d) Disability. If a grantee incurs a termination of employment or consultancy/service relationship with Company and its Subsidiaries, Affiliates, consultants and service providers by reason of a Disability, then any outstanding option or stock appreciation right shall, to the extent exercisable at the time of such termination, remain exercisable for a period of one year after such termination; provided that in no event may such option or stock appreciation right be exercised following the original expiration date of the Award.

(e) Death.

(i) *Termination of Employment/Service as a Result of Grantee's Death*. If a grantee incurs a termination of employment or consultancy/service relationship with Company and its Subsidiaries, Affiliates, consultants and service providers as the result of his or her death, then any outstanding option or stock appreciation right shall, to the extent exercisable at the time of such death, remain exercisable for a period of one year after such death; provided that in no event may such option or stock appreciation right be exercised following the original expiration date of the Award.

(ii) *Restrictions on Exercise Following Death*. Any exercise of an Award following a grantee's death shall be made only by the grantee's executor or administrator or other duly appointed representative reasonably acceptable to the Administrator, unless the grantee's will specifically disposes of such Award, in which case such exercise shall be made only by the recipient of such specific disposition. If a grantee's personal representative or the recipient of a specific disposition under the grantee's will shall be entitled to exercise any Award pursuant to the preceding sentence, such representative or recipient shall be bound by all the terms and conditions of the Plan and the applicable Award Agreement which would have applied to the grantee.

(f) Administrator Discretion. The Administrator may, in writing, waive or modify the application of the foregoing provisions of this Section 2.4, subject to Section 3.1(c).

## **2.5 Transferability of Options and Stock Appreciation Rights**

Except as otherwise specifically provided in this Plan or the applicable Award Agreement evidencing an option or stock appreciation right, during the lifetime of a grantee, each such Award granted to a grantee shall be exercisable only by the grantee, and no such Award may be sold, assigned, transferred, pledged or otherwise encumbered or disposed of other than by will or by the laws of descent and distribution. The Administrator may, in any applicable Award Agreement evidencing an option or stock appreciation right, permit a grantee to transfer all or some of the options or stock appreciation rights to (a) the grantee's spouse, children or grandchildren ("Immediate Family Members"), (b) a trust or trusts for the exclusive benefit of such Immediate Family Members, (c) companies and other legal entities (including partnerships and trusts) that are substantially controlled by or for the benefit of the grantee and/or any of the Immediate Family Members or (d) other parties approved by the Administrator. Following any such transfer, any transferred options and stock appreciation rights shall continue to be subject to the same terms and conditions as were applicable immediately prior to the transfer.

## **2.6 Grant of Restricted Stock**

(a) Restricted Stock Grants. The Administrator may grant restricted shares of Common Stock to such Key Persons, in such amounts and subject to such vesting and forfeiture provisions and other terms and conditions as the Administrator shall determine, subject to the provisions of the Plan. A grantee of a restricted stock Award shall have no rights with respect to such Award unless such grantee accepts the Award within such period as the Administrator shall specify by accepting delivery of a restricted stock Award Agreement in such form as the Administrator shall determine.

(b) Issuance of Stock Certificate. Promptly after a grantee accepts a restricted stock Award in accordance with Section 2.6(a), subject to Sections 3.2, 3.4 and 3.13, the Company or its Exchange Agent shall issue to the grantee a stock certificate or stock certificates for the shares of Common Stock covered by the Award or shall establish an account evidencing ownership of the stock in uncertificated form. Upon the issuance of such stock certificates, or establishment of such account, the grantee shall have the rights of a stockholder with respect to the restricted stock, subject to: (i) the nontransferability restrictions and forfeiture provisions described in the Plan (including paragraphs (d) and (e) of this Section 2.6); (ii) in the Administrator's sole discretion, a requirement, as set forth in the Award Agreement, that any dividends paid on such shares shall be held in escrow and, unless otherwise determined by the Administrator, shall remain forfeitable until all restrictions on such shares have lapsed; and (iii) any other restrictions and conditions contained in the applicable Award Agreement.

(c) Custody of Stock Certificate. Unless the Administrator shall otherwise determine, any stock certificates issued evidencing shares of restricted stock shall remain in the possession of the Company (or such other custodian as may be designated by the Administrator) until such shares are free of any restrictions specified in the applicable Award Agreement. The Administrator may direct that such stock certificates bear a legend setting forth the applicable restrictions on transferability.

(d) Nontransferability. Shares of restricted stock may not be sold, assigned, transferred, pledged or otherwise encumbered or disposed of prior to the lapsing of all restrictions thereon, except as otherwise specifically provided in this Plan or the applicable Award Agreement. The Administrator at the time of grant shall specify the date or dates (which may depend upon or be related to the attainment of performance goals and other conditions) on which the nontransferability of the restricted stock shall lapse.

(e) Consequence of Termination of Employment/Service. Unless otherwise specifically set forth in the applicable Award Agreement or the grantee's relevant employment, severance or consulting agreement with the Company or a Subsidiary or Affiliate, (i) a grantee's termination of employment or consultancy/service relationship with Company and its Subsidiaries, Affiliates, consultants and service providers for any reason other than death or Disability shall cause the immediate forfeiture of all shares of restricted stock that have not yet vested as of the date of such termination of employment or consultancy/service relationship and (ii) if a grantee incurs a termination of employment or consultancy/service relationship with Company and its Subsidiaries, Affiliates, consultants and service providers as the result of his or her death or Disability, all shares of restricted stock that have not yet vested as of the date of such termination shall immediately vest as of such date; it being understood that (A) then outstanding restricted stock Awards shall not be affected by a change of employment or consultancy/service relationship with Company and its Subsidiaries, Affiliates, consultants and service providers so long as the grantee continues to be a director, officer or employee of, or a consultant or service provider to (or a Person employed by or

providing services to any entity that that is itself a consultant or service provider to), the Company or any of its Subsidiaries or Affiliates and (B) neither sick-leave or military conscription, alone and without termination of employment or consultancy/service relationship with Company and its Subsidiaries, Affiliates, consultants and service providers, shall be treated as a termination of employment or consultancy/service relationship with Company and its Subsidiaries, Affiliates, consultants and service providers. Unless otherwise determined by the Administrator, all dividends paid on shares forfeited under this Section 2.6(e) that have not theretofore been directly remitted to the grantee shall also be forfeited, whether by termination of any escrow arrangement under which such dividends are held or otherwise. The Administrator may, in writing, waive or modify the application of the foregoing provisions of this Section 2.6(e), subject to Section 3.1(c).

## **2.7 Grant of Restricted Stock Units**

(a) Restricted Stock Unit Grants. The Administrator may grant restricted stock units to such Key Persons, and in such amounts and subject to such vesting and forfeiture provisions and other terms and conditions, as the Administrator shall determine, subject to the provisions of the Plan. A restricted stock unit granted under the Plan shall confer upon the grantee a right to receive from the Company, conditioned upon the occurrence of such vesting event as shall be determined by the Administrator and specified in the Award Agreement, the number of such grantee's restricted stock units that vest upon the occurrence of such vesting event multiplied by the Fair Market Value of a share of Common Stock on the date of vesting. Payment upon vesting of a restricted stock unit shall be in cash or in shares of Common Stock (valued at their Fair Market Value on the date of vesting) or both, all as the Administrator shall determine, and such payments shall be made to the grantee at such time as provided in the Award Agreement, which the Administrator shall intend to be (i) if Section 409A of the Code is applicable to the grantee, within the period required by Section 409A such that it qualifies as a "short-term deferral" pursuant to Section 409A and the Treasury Regulations issued thereunder, unless the Administrator shall provide for deferral of the Award intended to comply with Section 409A, (ii) if Section 457A of the Code is applicable to the grantee, within the period required by Section 457A(d)(3) (B) such that it qualifies for the exemption thereunder, or (iii) if Sections 409A and 457A of the Code are not applicable to the grantee, at such time as determined by the Administrator.

(b) Dividend Equivalents. The Administrator may include in any Award Agreement with respect to a restricted stock unit a dividend equivalent right entitling the grantee to receive amounts equal to the ordinary dividends that would be paid, during the time such Award is outstanding and unvested, and/or, if payment of the vested Award is deferred, during the period of such deferral following such vesting event, on the shares of Common Stock underlying such Award if such shares were then outstanding. In the event such a provision is included in a Award Agreement, the Administrator shall determine whether such payments shall be (i) paid to the holder of the Award, as specified in the Award Agreement, either (A) at the same time as the underlying dividends are paid, regardless of the fact that the restricted stock unit has not theretofore vested, (B) at the time at which the Award's vesting event occurs, conditioned upon the occurrence of the vesting event, (C) once the Award has vested, at the same time as the underlying dividends are paid, regardless of the fact that payment of the vested restricted stock unit has been deferred, and/or (D) at the time at which the corresponding vested restricted stock units are paid, (ii) made in cash, shares of Common Stock or other property and (iii) subject to such other vesting and forfeiture provisions and other terms and conditions as the Administrator shall deem appropriate and as shall be set forth in the Award Agreement.

(c) No Stockholder Rights. No grantee of a restricted stock unit shall have any of the rights of a stockholder of the Company with respect to such Award unless and until a stock certificate is issued with respect to such Award upon the vesting of such Award or an account in the name of the grantee evidences ownership of stock in uncertificated form (it being understood that the Administrator shall determine whether to pay any vested restricted stock unit in the form of cash or Company shares or both), which issuance shall be subject to Sections 3.2, 3.4 and 3.13. Except as otherwise provided in Section 1.5(c), no adjustment to any restricted stock unit shall be made for dividends, distributions or other rights (whether ordinary or extraordinary, and whether in cash, securities or other property) for which the record date is prior to the date such stock certificate, if any, is issued or the date an account evidencing ownership of the stock in uncertificated form notes receipt of such stock.

(d) Nontransferability. No restricted stock unit granted under the Plan may be sold, assigned, transferred, pledged or otherwise encumbered or disposed of, except as otherwise specifically provided in this Plan or the applicable Award Agreement.

(e) Consequence of Termination of Employment/Service. Unless otherwise specifically set forth in the applicable Award Agreement or the grantee's relevant employment, severance or consulting agreement with the Company or a Subsidiary or Affiliate, (i) a grantee's termination of employment or consultancy/service relationship with Company and its Subsidiaries, Affiliates, consultants and service providers for any reason other than death or Disability shall cause the immediate forfeiture of all restricted stock units that have not yet vested as of the date of such termination of employment or consultancy/service relationship and (ii) if a grantee incurs a termination of employment or consultancy/service relationship with Company and its Subsidiaries, Affiliates, consultants and service providers as the result of his or her death or Disability, all restricted stock units that have not yet vested as of the date of such termination shall immediately vest as of such date; it being understood that (A) then outstanding restricted stock units shall not be affected by a change of employment or consultancy/service relationship with Company and its Subsidiaries, Affiliates, consultants and service providers so long as the grantee continues to be a director, officer or employee of, or a consultant or service provider to (or a Person employed by or providing services to any entity that that is itself a consultant or service provider to), the Company or any of its Subsidiaries or Affiliates and (B) neither sick-leave or military conscription, alone and without termination of employment or consultancy/service relationship with Company and its Subsidiaries, Affiliates, consultants and service providers, shall be treated as a termination of employment or consultancy/service relationship with Company and its Subsidiaries, Affiliates, consultants and service providers. Unless otherwise determined by the Administrator, any dividend equivalent rights on any restricted stock units forfeited under this Section 2.7(e) that have not theretofore been directly remitted to the grantee shall also be forfeited, whether by termination of any escrow arrangement under which such dividends are held or otherwise. The Administrator may, in writing, waive or modify the application of the foregoing provisions of this Section 2.7(e), subject to Section 3.1(c).

## **2.8 Grant of Cash Awards**

The Administrator may grant Awards that are payable solely in cash to such Key Persons and in such amounts and subject to such terms, conditions, restrictions and forfeiture provisions as the Administrator shall determine. Cash awards may be thus granted in respect of past services or other valid consideration.

## **2.9 Grant of Unrestricted Stock**

The Administrator may grant (or sell at a purchase price at least equal to par value) shares of Common Stock free of restrictions under the Plan to such Key Persons and in such amounts and subject to such forfeiture provisions as the Administrator shall determine. Shares may be thus granted or sold in respect of past services or other valid consideration.

## **2.10 Other Stock-Based Awards**

Subject to the provisions of the Plan (including, without limitation, Section 3.16), the Administrator shall have the sole and complete authority to grant to Key Persons other equity-based or equity-related Awards in such amounts and subject to such terms and conditions as the Administrator shall determine; provided that any such Awards must comply with applicable law and, to the extent deemed desirable by the Administrator, Rule 16b-3.

## **2.11 Dividend Equivalents**

Subject to the provisions of the Plan (including, without limitation, Section 3.16), in the discretion of the Administrator, an Award, other than an option or stock appreciation right, may provide the Award recipient with dividends or dividend equivalents, payable in cash, shares, other securities, other Awards or other property, on a current or deferred basis, on such terms and conditions as may be determined by the Administrator, including, without limitation, payment directly to the Award recipient, withholding of such amounts by the Company subject to vesting of the Award, or reinvestment in additional shares, restricted shares or other Awards.

# **ARTICLE III.**

## **Miscellaneous**

### **3.1 Amendment of the Plan; Modification of Awards**

(a) Amendment of the Plan. The Board may from time to time suspend, discontinue, revise or amend the Plan in any respect whatsoever, except that no such amendment shall materially impair any rights or materially increase any obligations under any Award theretofore made under the Plan without the consent of the grantee (or, upon the grantee's death, the Person having the rights to the Award). For purposes of this Section 3.1, any action of the Board or the Administrator that in any way alters or affects the tax treatment of any Award shall not be considered to materially impair any rights of any grantee.

(b) Stockholder Approval Requirement. If required by applicable rules or regulations of a national securities exchange or the SEC, the Company shall obtain stockholder approval with respect to any amendment to the Plan that (i) expands the types of Awards available under the Plan, (ii) materially increases the aggregate number of shares which may be issued under the Plan, except as permitted pursuant to Section 1.5(c), (iii) materially increases the benefits to participants under the Plan, including any material change to (A) permit, or that has the effect of, a Repricing of any outstanding Award, (B) reduce the price at which shares or options to purchase shares may be offered or (C) extend the duration of the Plan, or (iv) materially expands the class of Persons eligible to receive Awards under the Plan.

(c) **Modification of Awards.** The Administrator may cancel any Award under the Plan. The Administrator also may amend any outstanding Award Agreement, including, without limitation, by amendment which would: (i) accelerate the time or times at which the Award becomes unrestricted, vested or may be exercised; (ii) waive or amend any goals, restrictions or conditions set forth in the Award Agreement; or (iii) waive or amend the operation of Section 2.4, Section 2.6(e) or Section 2.7(e) with respect to the termination of the Award upon termination of employment or consultancy/service relationship or dismissal from the Board; provided, however, that no such amendment shall be made without shareholder approval if such approval is necessary to comply with any tax or regulatory requirement applicable to the Award. However, any such cancellation or amendment (other than an amendment pursuant to Section 1.5, Section 3.5 or Section 3.16) that materially impairs the rights or materially increases the obligations of a grantee under an outstanding Award shall be made only with the consent of the grantee (or, upon the grantee's death, the Person having the rights to the Award). In making any modification to an Award (e.g., an amendment resulting in a direct or indirect reduction in the Exercise Price or a waiver or modification under Section 2.4(f), Section 2.6(e) or Section 2.7(e)), the Administrator may consider the implications, if any, of such modification under the Code with respect to Sections 409A and 457A of the Code in respect of Awards granted under the Plan to individuals subject to such provisions of the Code.

### 3.2 Consent Requirement

(a) **No Plan Action Without Required Consent.** If the Administrator shall at any time determine that any Consent (as defined below) is necessary or desirable as a condition of, or in connection with, the granting of any Award under the Plan, the issuance or purchase of shares or other rights thereunder, or the taking of any other action thereunder (each such action being hereinafter referred to as a "Plan Action"), then such Plan Action shall not be taken, in whole or in part, unless and until such Consent shall have been effected or obtained to the full satisfaction of the Administrator.

(b) **Consent Defined.** The term "Consent" as used herein with respect to any Plan Action means (i) any and all listings, registrations or qualifications in respect thereof upon any securities exchange or under any federal, state or local law, rule or regulation, (ii) any and all written agreements and representations by the grantee with respect to the disposition of shares, or with respect to any other matter, which the Administrator shall deem necessary or desirable to comply with the terms of any such listing, registration or qualification or to obtain an exemption from the requirement that any such listing, qualification or registration be made and (iii) any and all consents, clearances and approvals in respect of a Plan Action by any governmental or other regulatory bodies or any other Person.

### 3.3 Nonassignability

Except as provided in Section 2.4(e), Section 2.5, Section 2.6(d) or Section 2.7(e), (a) no Award or right granted to any Person under the Plan or under any Award Agreement shall be assignable or transferable other than by will or by the laws of descent and distribution and (b) all rights granted under the Plan or any Award Agreement shall be exercisable during the life of the grantee only by the grantee or the grantee's legal representative or the grantee's permissible successors or assigns (as authorized and determined by the Administrator). All terms and conditions of the Plan and the applicable Award Agreements will be binding upon any permitted successors or assigns.

### 3.4 Taxes

(a) Withholding. A grantee or other Award holder under the Plan shall be required to pay, in cash, to the Company, and the Company and its Subsidiaries and Affiliates shall have the right and are hereby authorized to withhold from any Award, from any cash or other payment due or transfer made under any Award or under the Plan or from any compensation or other amount owing to such grantee or other Award holder, the amount of any applicable withholding taxes in respect of an Award, its grant, its exercise, its vesting, or any payment or transfer under an Award or under the Plan up to the maximum statutory rates in the applicable jurisdiction with respect to the Award, as determined by the Company, and to take such other action as may be necessary in the opinion of the Company to satisfy all obligations for payment of such taxes. Whenever shares of Common Stock are to be delivered pursuant to an Award under the Plan, with the approval of the Administrator, which the Administrator shall have sole discretion whether or not to give, the grantee may satisfy the foregoing condition by electing to have the Company withhold from delivery shares having a value equal to the amount of the applicable withholding taxes as determined in accordance with this Section 3.4(a). Such shares shall be valued at their Fair Market Value as of the date on which the amount of tax to be withheld is determined. Fractional share amounts shall be settled in cash. Such a withholding election may be made with respect to all or any portion of the shares to be delivered pursuant to an Award as may be approved by the Administrator in its sole discretion.

(b) Liability for Taxes. Grantees and holders of Awards are solely responsible and liable for the satisfaction of all taxes and penalties that may arise in connection with Awards (including, without limitation, any taxes arising under Sections 409A and 457A of the Code) and the Company shall not have any obligation to indemnify or otherwise hold any such Person harmless from any or all of such taxes. The Administrator shall have the discretion to organize any deferral program, to require deferral election forms, and to grant or, notwithstanding anything to the contrary in the Plan or any Award Agreement, to unilaterally modify any Award in a manner that (i) conforms with the requirements of Sections 409A and 457A of the Code (to the extent applicable), (ii) voids any participant election to the extent it would violate Section 409A or Section 457A of the Code (to the extent applicable) and (iii) for any distribution event or election that could be expected to violate Section 409A of the Code, make the distribution only upon the earliest of the first to occur of a “permissible distribution event” within the meaning of Section 409A of the Code or a distribution event that the participant elects in accordance with Section 409A of the Code. The Administrator shall have the sole discretion to interpret the requirements of the Code, including, without limitation, Sections 409A and 457A, for purposes of the Plan and all Awards.

### 3.5 Change in Control

(a) Change in Control Defined. Unless otherwise specifically set forth in the applicable Award Agreement, for purposes of the Plan, “Change in Control” shall mean the occurrence of any of the following (provided that if there is an employment, severance, consulting, service or other agreement governing the relationship between the grantee, on the one hand, and the Company or any Subsidiary or Affiliate, on the other hand, that contains a definition of “change in control” (or similar phrase), for purposes of the Plan, the term “Change in Control” shall have the meaning ascribed to “change in control” (or such similar phrase) under such agreement):

- (i) any “person” (as defined in Section 13(d)(3) of the 1934 Act), company or other entity acquires “beneficial ownership” (as defined in Rule 13d-3 under the 1934 Act),

directly or indirectly, of more than 40% of the aggregate voting power of the capital stock ordinarily entitled to elect directors of the Company; provided, however, that no Change in Control shall have occurred in the event of such an acquisition by (A) the Company, (B) any trustee or other fiduciary holding securities under an employee benefit plan of the Company or any Subsidiary or Affiliate, or (C) any company or other entity owned, directly or indirectly, by the holders of the voting stock ordinarily entitled to elect directors of the Company in substantially the same proportions as their ownership of the aggregate voting power of the capital stock ordinarily entitled to elect directors of the Company immediately prior to such acquisition;

(ii) the sale of all or substantially all the Company's assets in one or more related transactions to any "person" (as defined in Section 13(d)(3) of the 1934 Act), company or other entity; provided, however, that no Change in Control shall have occurred in the event of such a sale (A) to a Subsidiary which does not involve a material change in the equity holdings of the Company, or (B) to an entity (the "Acquiring Entity") which has acquired all or substantially all the Company's assets if, immediately following such sale, 60% or more of the aggregate voting power of the capital stock ordinarily entitled to elect directors of the Acquiring Entity (or, if applicable, the ultimate parent entity that directly or indirectly has beneficial ownership of more than 60% of the aggregate voting power of the capital stock ordinarily entitled to elect directors of the Acquiring Entity) is beneficially owned by the holders of the voting stock ordinarily entitled to elect directors of the Company immediately prior to such sale in substantially the same proportions as the aggregate voting power of the capital stock ordinarily entitled to elect directors of the Company immediately prior to such sale;

(iii) any merger, consolidation, reorganization or similar event of the Company or any Subsidiary; provided, however, that no Change in Control shall have occurred in the event 60% or more of the aggregate voting power of the capital stock ordinarily entitled to elect directors of the surviving entity (or, if applicable, the ultimate parent entity that directly or indirectly has beneficial ownership of more than 60% of the aggregate voting power of the capital stock ordinarily entitled to elect directors of the surviving entity) is beneficially owned by the holders of the voting stock ordinarily entitled to elect directors of the Company immediately prior to such event in substantially the same proportions as the aggregate voting power of the capital stock ordinarily entitled to elect directors of the Company immediately prior to such event;

(iv) the approval by the Company's stockholders of a plan of complete liquidation or dissolution of the Company; or

(v) during any period of 24 consecutive calendar months, individuals:

(A) who were directors of the Company on the first day of such period, or

(B) whose election or nomination for election to the Board was recommended or approved by at least a majority of the directors then still in office who were directors of the Company on the first day of such period, or whose election or nomination for election were so approved,

shall cease to constitute a majority of the Board.

Notwithstanding the foregoing, unless otherwise specifically set forth in the applicable Award Agreement, for each Award subject to Section 409A of the Code, to the extent necessary to prevent the imposition of taxes or penalties under Section 409A of the Code, a Change in Control shall be deemed to have occurred under this Plan with respect to such Award only if a change in the ownership or effective control of the Company or a change in the ownership of a substantial portion of the assets of the Company shall also be deemed to have occurred under Section 409A of the Code.

(b) Effect of a Change in Control. Unless otherwise specifically provided in an Award Agreement or any applicable employment, severance or consulting agreement entered into between the grantee and the Company or any Subsidiary or Affiliate, upon the occurrence of a Change in Control:

(i) notwithstanding any other provision of this Plan, any Award then outstanding shall become fully vested and any forfeiture provisions thereon imposed pursuant to the Plan and the applicable Award Agreement shall lapse and any Award in the form of an option or stock appreciation right shall be immediately exercisable;

(ii) to the extent permitted by law and not otherwise limited by the terms of the Plan, the Administrator may amend any Award Agreement in such manner as it deems appropriate;

(iii) a grantee who incurs a termination of employment or consultancy/service relationship for any reason, other than a termination or dismissal "for Cause", concurrent with or within one year following the Change in Control may exercise any outstanding option or stock appreciation right, but only to the extent that the grantee was entitled to exercise the Award on the date of his or her termination of employment or consultancy/service relationship, until the earlier of (A) the original expiration date of the Award and (B) the later of (x) the date provided for under the terms of Section 2.4 without reference to this Section 3.5(b)(iii) and (y) the first anniversary of the grantee's termination of employment or consultancy/service relationship.

(c) Miscellaneous. Whenever deemed appropriate by the Administrator, any action referred to in paragraph (b)(ii) of this Section 3.5 may be made conditional upon the consummation of the applicable Change in Control transaction.

### **3.6 Operation and Conduct of Business**

Nothing in the Plan or any Award Agreement shall be construed as limiting or preventing the Company or any Subsidiary or Affiliate from taking any action with respect to the operation and conduct of its business that it deems appropriate or in its best interests, including any or all adjustments, recapitalizations, reorganizations, exchanges or other changes in the capital structure of the Company or any Subsidiary or Affiliate, any merger or consolidation of the Company or any Subsidiary or Affiliate, any issuance of Company shares or other securities or subscription rights, any issuance of bonds, debentures, preferred or prior preference stock ahead of or affecting the Common Stock or other securities or rights thereof, any dissolution or liquidation of the Company

or any Subsidiary or Affiliate, any sale or transfer of all or any part of the assets or business of the Company or any Subsidiary or Affiliate, or any other corporate act or proceeding, whether of a similar character or otherwise.

### **3.7 No Rights to Awards**

No Key Person or other Person shall have any claim to be granted any Award under the Plan.

### **3.8 Right of Discharge Reserved**

Nothing in the Plan or in any Award Agreement shall confer upon any grantee the right to continue his or her employment with the Company or any Subsidiary or Affiliate, his or her consultancy/service relationship with the Company or any Subsidiary or Affiliate, or his or her position as a director of the Company or any Subsidiary or Affiliate, or affect any right that the Company or any Subsidiary or Affiliate may have to terminate such employment or consultancy/service relationship or service as a director.

### **3.9 Non-Uniform Determinations**

The Administrator's determinations and the treatment of Key Persons and grantees and their beneficiaries under the Plan need not be uniform and may be made and determined by the Administrator selectively among Persons who receive, or who are eligible to receive, Awards under the Plan (whether or not such Persons are similarly situated). Without limiting the generality of the foregoing, the Administrator shall be entitled, among other things, to make non-uniform and selective determinations, and to enter into non-uniform and selective Award Agreements, as to (a) the Persons to receive Awards under the Plan, (b) the types of Awards granted under the Plan, (c) the number of shares to be covered by, or with respect to which payments, rights or other matters are to be calculated with respect to, Awards and (d) the terms and conditions of Awards.

### **3.10 Other Payments or Awards**

Nothing contained in the Plan shall be deemed in any way to limit or restrict the Company from making any award or payment to any Person under any other plan, arrangement or understanding, whether now existing or hereafter in effect.

### **3.11 Headings**

Any section, subsection, paragraph or other subdivision headings contained herein are for the purpose of convenience only and are not intended to expand, limit or otherwise define the contents of such section, subsection, paragraph or subdivision.

### **3.12 Effective Date and Term of Plan**

(a) Adoption. The Plan was initially adopted by the Board on February 4, 2019 (the "Original Plan") and was amended and restated on September 29, 2021.

(b) Termination of Plan. The Board may terminate the Plan at any time. All Awards made under the Plan prior to its termination shall remain in effect until such Awards have been

satisfied or terminated in accordance with the terms and provisions of the Plan and the applicable Award Agreements. No Awards may be granted under the Plan following the tenth anniversary of the date on which the Plan was adopted by the Board.

### **3.13 Restriction on Issuance of Stock Pursuant to Awards**

The Company shall not permit any shares of Common Stock to be issued pursuant to Awards granted under the Plan unless such shares of Common Stock are fully paid and non-assessable under applicable law. Notwithstanding anything to the contrary in the Plan or any Award Agreement, at the time of the exercise of any Award, at the time of vesting of any Award, at the time of payment of shares of Common Stock in exchange for, or in cancellation of, any Award, or at the time of grant of any unrestricted shares under the Plan, the Company and the Administrator may, if either shall deem it necessary or advisable for any reason, require the holder of an Award (a) to represent in writing to the Company that it is the Award holder's then-intention to acquire the shares with respect to which the Award is granted for investment and not with a view to the distribution thereof or (b) to postpone the date of exercise until such time as the Company has available for delivery to the Award holder a prospectus meeting the requirements of all applicable securities laws; and no shares shall be issued or transferred in connection with any Award unless and until all legal requirements applicable to the issuance or transfer of such shares have been complied with to the satisfaction of the Company and the Administrator. The Company and the Administrator shall have the right to condition any issuance of shares to any Award holder hereunder on such Person's undertaking in writing to comply with such restrictions on the subsequent transfer of such shares as the Company or the Administrator shall deem necessary or advisable as a result of any applicable law, regulation or official interpretation thereof, and all share certificates delivered under the Plan shall be subject to such stop transfer orders and other restrictions as the Company or the Administrator may deem advisable under the Plan, the applicable Award Agreement or the rules, regulations and other requirements of the SEC, any stock exchange upon which such shares are listed, and any applicable securities or other laws, and certificates representing such shares may contain a legend to reflect any such restrictions. The Administrator may refuse to issue or transfer any shares or other consideration under an Award if it determines that the issuance or transfer of such shares or other consideration might violate any applicable law or regulation or entitle the Company to recover the same under Section 16(b) of the 1934 Act, and any payment tendered to the Company by a grantee or other Award holder in connection with the exercise of such Award shall be promptly refunded to the relevant grantee or other Award holder. Without limiting the generality of the foregoing, no Award granted under the Plan shall be construed as an offer to sell securities of the Company, and no such offer shall be outstanding, unless and until the Administrator has determined that any such offer, if made, would be in compliance with all applicable requirements of any applicable securities laws.

### **3.14 Requirement of Notification of Election Under Section 83(b) of the Code**

If an Award recipient, in connection with the acquisition of Company shares under the Plan, makes an election under Section 83(b) of the Code (to include in gross income in the year of transfer the amounts specified in Section 83(b) of the Code), the grantee shall notify the Administrator of such election within ten days of filing notice of the election with the U.S. Internal Revenue Service, in addition to any filing and notification required pursuant to regulations issued under Section 83(b) of the Code.

### **3.15 Severability**

If any provision of the Plan or any Award is or becomes or is deemed to be invalid, illegal, or unenforceable in any jurisdiction or as to any Person or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Administrator, such provision shall be construed or deemed amended to conform to the applicable laws or, if it cannot be construed or deemed amended without, in the determination of the Administrator, materially altering the intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction, Person or Award and the remainder of the Plan and any such Award shall remain in full force and effect.

### **3.16 Sections 409A and 457A**

To the extent that the above amounts exceed and cover the statutory severance payment provided by Greek labour law (pursuant to Law 2112/1920 in conjunction with Law 3198/1955), it is clarified that the Executive shall not be entitled to receive such statutory severance payment. In any event, it is expressly agreed and accepted by the Executive that any statutory severance entitlement under Greek labour law shall be set-off against the Severance Payment agreed in this clause 16.1.

- (B) In addition, the Company shall use reasonable endeavors to procure that (i) the Executive receives the full benefit of any awards under the Stock Incentive Plan and/or any Cash Award Agreement (including, without limitation, any acceleration of vesting or extension of the post-termination exercise term of the Executive's awards as provided for in the applicable award agreement) and (ii) he is treated as being a "Good Leaver" (as defined in the relevant scheme(s) and subject always to the rules and provisions of such scheme(s)) for the purposes of any other applicable bonus or incentive scheme (besides the Stock Incentive Plan) which is operated by the Company, the Listed Company or any other Group Company from time to time and in which the Executive is participating as at the Termination Date.
- 16.2 For the avoidance of doubt, any Severance Payment payable under clause 16.1 shall be in addition to any payments, rights or benefits accrued in respect of services already provided, including, without limitation, (a) any Basic Net Annual Salary paid, and provision of contractual benefits, to the Executive up to the Termination Date, including any Basic Net Annual Salary paid, and provision of contractual benefits, to the Executive during any part of his contractual notice period which he is required to work or during which he is placed on garden leave; and (b) the payment of a pro-rated portion of the Executive's "Performance Bonus" (as defined in the applicable Bonus Scheme Agreement) on the basis of the days of the calendar year during which the Executive was employed up to the Termination Date; and (c) any other unpaid bonus in accordance with the terms of the Bonus Scheme Agreement or otherwise; and (d) any payment in lieu of notice made to the Executive pursuant to clause 3.3. If the Company is required to deduct or withhold Employment Taxes with respect to amounts paid under clauses 16.1 and 16.2, then the Company shall pay to the Executive, in addition to the Severance Payment and the amounts under this clause 16.2, such additional amount as is necessary to ensure that the net amount actually received by the Executive (after the deduction or withholding of Employment Taxes) equals the Severance Payment and the amounts in this clause 16.2.
- 16.3 The Company's obligations under clause 16.1 are subject to and conditional on:
- (A) the Executive entering into, and complying with the terms of, a settlement agreement with the Company in a form reasonably satisfactory to the Company and the Executive pursuant to which the Executive will waive all claims that he may have against the Company, the Listed Company or any other Group Company arising from his employment or its termination and any directorships or other offices and their termination; and
  - (B) the Executive's compliance with his material obligations under this Agreement (including, but not limited to, his obligations under clause 13). In the event that the Executive commits any breach of such material obligations, the Company shall be released from its obligations under clause 16.1, and in the event that the Executive commits any such breach following receipt of any payment pursuant to clause 16.1, or the Company becomes aware of any such breach following the Executive having received a payment under clause 16.1, an amount equal to the payment made under clause 16.1 shall be immediately repayable by the Executive to the Company as a debt.

16.4 In the event of a dispute between the Parties as to whether there was Cause to terminate Executive's employment or there was Good Reason for Executive to resign, the full amount of termination payments under clause 16.1 shall be placed into escrow until such time that there is a judgment by a court of competent jurisdiction that Cause or Good Reason existed, or the Parties otherwise agree in writing that the amount may be released.

16.5 In the event of death of the Executive, the Company's obligations hereunder shall automatically cease and terminate; provided, however, that within fifteen (15) days the Company shall pay to the Executive's heirs or personal representatives the Executive's basic salary and any unpaid bonuses (in accordance with the terms of the applicable Bonus Scheme Agreement) accrued to the date of death including, for the avoidance of doubt, the Severance Payment and any other amounts payable to the Executive under this Agreement as if the Executive had resigned for Good Reason; until the final determination of the identity of the heirs, the Company shall have the right to deposit any such amount with a third party escrow agent appointed by the Company or with the Greek Deposits and Loans Fund.

10.1 In the event of illness or other incapacity beyond his control as a result of which he is unable to perform his duties, the Executive shall remain entitled to receive his salary in full for any continuous period of 3 months or an aggregate period of 90 days' absence in any consecutive 12 month period subject to:

- (A) compliance with the Company's procedures relating to sickness notification, statutory sick pay and self-certification to cover absence from work due to sickness or other incapacity and to the provision of medical certificates and/or (at the Company's discretion) undergoing a medical examination by a doctor appointed by the Company. The Executive shall co-operate in ensuring the prompt delivery of such report to the Company and authorize his own medical practitioner to supply all such information as may be required by that doctor and, if so requested by the Company, authorize his medical practitioner to disclose to the Company his opinion of the Executive's state of health;
- (B) a deduction (at the Company's discretion) from his salary of an amount or amounts equal to any statutory sick pay or social security benefits to which the Executive is entitled; and
- (C) a deduction (at the Company's discretion) from his salary of an amount or amounts equal to any payment made to the Executive under any health

insurance arrangements effected from time to time by the Company and/or any Group Company on his behalf.

**11. VACATION DAYS**

The Executive, despite his senior management position, shall be entitled to 25 working days of vacation (in addition to the official public holidays in Greece) in each calendar year commencing on 1 January in each year (which shall accrue on a monthly basis). - 11.2 If at the end of the calendar year the Executive has accrued vacation entitlement which he has not used he shall be entitled to carry forward an absolute maximum of up to 10 days into the following calendar year.
- 11.3 The Company reserves the right, at its absolute discretion, to require the Executive to take any outstanding vacation days during any notice period.
- 11.4 On termination of the Executive's employment (howsoever occasioned), if the Executive has taken more or less than his annual vacation entitlement an appropriate adjustment shall be made to any payment of salary or benefits from the Company to the Executive. In this event the calculation shall be made on the basis that each day of vacation is worth 1/260 of his basic salary as set out in clause 5.1.

**12. [INTENTIONALLY OMITTED]**

**13. CONFIDENTIAL AND BUSINESS INFORMATION**

- 13.1 In addition to and without prejudice to the Executive's obligations to keep information secret under applicable law, the Executive shall not (except for the purpose of performing his duties hereunder or unless ordered to do so by a court of competent jurisdiction) either during his employment or after its termination directly or indirectly use, disclose or communicate Confidential and Business Information and he shall use his best endeavors to prevent the improper use, disclosure or communication of Confidential and Business Information:
  - (A) concerning the business of the Company, the Listed Company or any other Group Company and which comes to the Executive's attention during the course of or in connection with his employment or provision of services to the Company, the Listed Company or any other Group Company from any source within the Company, the Listed Company or any other Group Company; or

- 13.4 The obligations of the Executive under this clause 13 shall continue to apply after the termination of the Executive's employment (howsoever terminated).

**DATA PROTECTION**

- 14.1 The Parties hereby confirm and agree that they are committed to complying with the principles and requirements of the EU General Data Protection Regulation (GDPR).
- 14.2 The Executive hereby acknowledges that:
- (A) the Company will collect and process information about the Executive, such as the Executive's name and contact details as well as more sensitive information, for various purposes in connection with the Executive's employment, including to manage benefits and payments, to manage expenses, to manage recruitment and on-boarding, to manage absences, for security purposes, to handle claims and disciplinary actions, to monitor performance and use of the IT systems, to conduct certain background checks and to comply with the Company's legal obligations;
  - (B) the Company will collect from the Executive and store personal data about the Executive's next of kin, such as their name and contact details, for use in emergency situations, and the Executive agrees that he has informed such individuals that their details have been provided to the Company;
  - (C) the Company may pass the Executive's information to third parties such as the Executive's previous employers, companies for which the Executive provided services, public authorities, law enforcement agencies, fraud prevention agencies and regulators who use it in connection with the purposes set out above. - 14.3 The Listed Company's privacy notice, which shall also be applicable to the employment of the Executive by the Company gives more details of the personal information about the Executive and the Executive's next of kin that the Company collects and processes. The Executive confirms that he has read the notice. The privacy notice does not form part of the terms and conditions of the Employment, and the Company reserves the right to amend it from time to time and to update the uses of personal data listed above and in the privacy notice.
- 14.4 The Executive shall comply with Company, the Listed Company and other Group Company policies relating to data privacy when handling personal data in the course of the employment, including personal data relating to any employee, customer, client, supplier or agent of the Company. 15. [INTENTIONALLY OMITTED]

16. **TERMINATION**

16.1 If the Executive resigns for Good Reason, or the Company terminates Executive's employment for any reason whatsoever other than for Cause (as defined below in clause 17.1):

(A) the Executive will (subject to clause 16.3), be entitled to receive within 7 days of the Termination Date a net severance payment (the "**Severance Payment**") of an amount equal to:

(i) his latest Basic Net Annual Salary; and

(ii) the "Performance Bonus" (as defined in the applicable Bonus Scheme Agreement); and

(iii) any "Additional Bonus" (as defined in the applicable Bonus Scheme Agreement) that the Executive had been awarded for the year preceding the termination of the Executive's employment under this clause 16.1, prorated daily on the basis of the days for which the Executive was employed during the year of his termination; and

(iv) the cost of the Company of the provision of contractual benefits to the Executive for 12 months following the Termination Date.

To the extent that the above amounts exceed and cover the statutory severance payment provided by Greek labour law (pursuant to Law 2112/1920 in conjunction with Law 3198/1955), it is clarified that the Executive shall not be entitled to receive such statutory severance payment. In any event, it is expressly agreed and accepted by the Executive that any statutory severance entitlement under Greek labour law shall be set-off against the Severance Payment agreed in this clause 16.1.

(B) In addition, the Company shall use reasonable endeavors to procure that (i) the Executive receives the full benefit of any awards under the Stock Incentive Plan and/or any Cash Award Agreement (including, without limitation, any acceleration of vesting or extension of the post-termination exercise term of the Executive's awards as provided for in the applicable award agreement) and (ii) he is treated as being a "Good Leaver" (as defined in the relevant scheme(s) and subject always to the rules and provisions of such scheme(s)) for the purposes of any other applicable bonus or incentive scheme (besides the Stock Incentive Plan) which is operated by the

Company, the Listed Company or any other Group Company from time to time and in which the Executive is participating as at the Termination Date.

- 16.2 For the avoidance of doubt, any Severance Payment payable under clause 16.1 shall be in addition to any payments, rights or benefits accrued in respect of services already provided, including, without limitation, (a) any Basic Net Annual Salary paid, and provision of contractual benefits, to the Executive up to the Termination Date, including any Basic Net Annual Salary paid, and provision of contractual benefits, to the Executive during any part of his contractual notice period which he is required to work or during which he is placed on garden leave; and (b) the payment of a pro-rated portion of the Executive's "Performance Bonus" (as defined in the applicable Bonus Scheme Agreement) on the basis of the days of the calendar year during which the Executive was employed up to the Termination Date; and (c) any other unpaid bonus in accordance with the terms of the Bonus Scheme Agreement or otherwise; and (d) any payment in lieu of notice made to the Executive pursuant to clause 3.3. If the Company is required to deduct or withhold Employment Taxes with respect to amounts paid under clauses 16.1 and 16.2, then the Company shall pay to the Executive, in addition to the Severance Payment and the amounts under this clause 16.2, such additional amount as is necessary to ensure that the net amount actually received by the Executive (after the deduction or withholding of Employment Taxes) equals the Severance Payment and the amounts in this clause 16.2.
- 16.3 The Company's obligations under clause 16.1 are subject to and conditional on:
- (A) the Executive entering into, and complying with the terms of, a settlement agreement with the Company in a form reasonably satisfactory to the Company and the Executive pursuant to which the Executive will waive all claims that he may have against the Company, the Listed Company or any other Group Company arising from his employment or its termination and any directorships or other offices and their termination; and
  - (B) the Executive's compliance with his material obligations under this Agreement (including, but not limited to, his obligations under clause 13). In the event that the Executive commits any breach of such material obligations, the Company shall be released from its obligations under clause 16.1, and in the event that the Executive commits any such breach following receipt of any payment pursuant to clause 16.1, or the Company becomes aware of any such breach following the Executive having received a payment under clause 16.1, an amount equal to the payment made under clause 16.1 shall be immediately repayable by the Executive to the Company as a debt.
- 16.4 In the event of a dispute between the Parties as to whether there was Cause to terminate Executive's employment or there was Good Reason for Executive to resign, the full amount of termination payments under clause 16.1 shall be placed into escrow until such time that there is a judgment by a court of competent jurisdiction that Cause or Good Reason existed, or the Parties otherwise agree in writing that the amount may be released.

- 16.5 In the event of death of the Executive, the Company's obligations hereunder shall automatically cease and terminate; provided, however, that within fifteen (15) days the Company shall pay to the Executive's heirs or personal representatives the Executive's basic salary and any unpaid bonuses (in accordance with the terms of the applicable Bonus Scheme Agreement) accrued to the date of death including, for the avoidance of doubt, the Severance Payment and any other amounts payable to the Executive under this Agreement as if the Executive had resigned for Good Reason; until the final determination of the identity of the heirs, the Company shall have the right to deposit any such amount with a third party escrow agent appointed by the Company or with the Greek Deposits and Loans Fund.

**17. SUMMARY TERMINATION**

- 17.1 The employment of the Executive may be terminated by the Company without notice or payment (to the fullest extent permitted under the law, in which case, for the avoidance of doubt, the provision of art. 5(1) second sentence of Law 3198/1955 shall be applicable) for "Cause", which shall mean:
- (A) the Executive is guilty of misconduct or commits any serious breach or nonobservance of any of the provisions of this Agreement or of his obligations to the Company, the Listed Company or any other Group Company (whether under this Agreement or otherwise) or of any lawful acts or directions of the Board or relevant rules and/or codes issued by or on behalf of any Relevant Stock Exchange or is guilty of any continued or successive breaches or non-observance of any of such provisions, obligations, acts or directions, rules and/or codes, in spite of written warning to the contrary by the Board;

  - (C) the Executive is adjudged bankrupt;
  - (D) the Executive is guilty of any fraud or dishonesty or acts in any manner which in the reasonable opinion of the Board of the Listed Company or the Executive Chairman brings or is likely to bring the Company, the Listed Company or any other Group Company into disrepute or is materially adverse to the interests of the Company, the Listed Company or any other Group Company;
  - (E) the Executive performs any act or omission which in the reasonable opinion of the Board of the Listed Company or the Executive Chairman may seriously damage the interests of the Company, the Listed Company or any other Group Company or willfully or negligently breaches any legislation or any regulation to which the Company, the Listed Company or other Group Company may be subject, which may result in any penalties being

imposed on him or any Directors of the Company, the Listed Company or other Group Company.

- (F) the Executive becomes prohibited by law or is disqualified from being a director or officer of a company;
  - (G) the Executive is convicted of any criminal offense by a court of competent jurisdiction (other than a minor offense for which a fine or other noncustodial penalty is imposed);
  - (H) the Executive commits any act of deliberate discrimination or harassment on grounds of race, sex, disability, sexual orientation, religion or belief or age;
  - (I) the Executive is adjudged of unsound mind or a patient for the purpose of any statute relating to mental health; or the Executive commits any other act warranting summary termination under applicable law including (but not limited to) any act justifying dismissal without notice in the terms of the Company's generally-applicable Disciplinary Rules in place from time to time.
- 17.2 The Company shall not terminate Executive's employment for Cause unless Executive is provided written notice of the alleged grounds for Cause under sub-clauses (A), (B), (C), (E), or (J) and a thirty (30) day period to cure.
- 17.3 The termination of the Executive's employment hereunder for whatsoever reason shall not affect those terms of this Agreement which are expressed to have effect after such termination and shall be without prejudice to any accrued rights or remedies of the Parties.
- 17.4 On the termination of the Executive's employment either summarily or otherwise, or at any other time in accordance with instructions given to him by the Board of the Listed Company or the Executive Chairman, the Executive will immediately return to the Company all equipment, correspondence, records, specifications, software, models, notes, reports and other documents and any copies thereof and any other property belonging to the Company, the Listed Company or any other Group Company (including but not limited to credit cards, keys and passes) which are in the Executive's possession or under his control.
- 17.5 On the termination of the Executive's employment either summarily or otherwise, or at any other time in accordance with instructions given to him by the Board of the Listed Company or the Executive Chairman, the Executive will immediately irretrievably delete any information relating to the business of the Company, the Listed Company or any other Group Company stored on any magnetic or optical disk or memory and all matter derived from such sources which is in his possession or under his control outside the premises of the Company, the Listed Company or any other Group Company.

- 17.6 Upon the request of the Board of the Listed Company, the Executive will provide a signed written statement that he has fully complied with his obligations under clauses 17.4 and/or 17.5 and the Company may withhold any sums owing to the Executive on the Termination Date until the obligations in clause 17.4 and/or 17.5 have been complied with.

## 18. INVENTIONS AND IMPROVEMENTS

- 18.1 For the purposes of this clause 18 the following words and expressions shall have the following meanings:

**"Intellectual Property Rights"** means (i) copyright, patents, know-how, confidential information, database rights, and rights in trademarks and designs (whether registered or unregistered), (ii) applications for registration, and the right to apply for registration, for any of the same, and (iii) all other intellectual property rights and equivalent or similar forms of protection existing anywhere in the world;

**"Invention"** means any method, idea, concept, experimental work, theme, invention, discovery, process, model, formula, prototype, sketch, drawing, plan, composition, design, configuration, improvement or modification of any kind conceived, developed, discovered, devised or produced by the Executive alone or with one or more other employees of the Company (or the Listed Company or any other Group Company) during his employment and which pertains to or is actually or potentially useful to the activities from time to time of the Company (or the Listed Company or any other Group Company) or any product or service of the Company (or the Listed Company or any other Group Company).

- 18.2 The Executive shall promptly disclose and deliver to the Company in confidence full details of each Invention (whether or not it was made, devised or discovered during normal working hours or using the facilities of the Company or the Listed Company), to enable the Company to determine whether rights to such Invention vest in the Company, upon the making, devising or discovering of the same and shall at the expense of the Company give all such explanations, demonstrations and instructions as the Company may deem appropriate to enable the full and effectual working, production and use of the same.
- 18.3 The Executive hereby assigns (in so far as title has not automatically vested in the Company through the Executive's employment) to the Company with full title guarantee by way of future assignment all copyright, database right, design right and other similar rights for the full terms (including any extension or renewals thereof) thereof throughout the world in respect of all works, designs or materials (including, without limitation, source code and object code for software) originated, conceived, written or made by the Executive during the period of his employment (except only those works or designs originated, conceived, written or made by the Executive wholly outside his normal working hours which are wholly unconnected with any business activity undertaken or planned to be undertaken by the Company, the Listed Company or any other Group Company) to hold unto the Company absolutely. The aforementioned assignment shall include the right to sue for damages and/or other remedies in respect of any infringement (including prior to the date hereof).

- 18.4 The Executive hereby irrevocably and unconditionally waives in favor of the Company for any work in which copyright or design right is vested in the Company whether by this clause 18 or otherwise.
- 18.5 The Executive shall, without additional payment to him (except to the extent provided by applicable law) at the request and expense of the Company and whether or not during the continuance of his employment, promptly execute all documents and do all acts, matters and things as may be necessary or desirable to enable the Company or its nominee to obtain, maintain, protect and enforce any Intellectual Property Right vested in the Company in any or all countries relating to the Intellectual Property Right and to enable the Company to exploit any Intellectual Property Right vested in the Company.
- 18.6 The Executive shall not do anything (whether by omission or commission) during his employment or at any time thereafter to affect or imperil the validity of any Intellectual Property Right obtained, applied for or to be applied for by the Company, the Listed Company or their nominees, and in particular the Executive shall not disclose or make use of any Invention which is the property of the Company or the Listed Company without the prior written consent of the Company. The Executive shall during or after the termination of his employment with the Company, at the request and expense of the Company, provide all reasonable assistance in obtaining, maintaining and enforcing such Intellectual Property Right or in relation to any proceeding relating to the Company's or the Listed Company's right, title or interest in any such Intellectual Property Right.
- 18.7 Without prejudice to the generality of the above clauses, the Executive hereby irrevocably authorizes the Company to appoint a person to be his attorney in his name and on his behalf to execute any documents and do any acts, matters or things as may be necessary for or incidental to grant the Company the full benefit of the provisions of this clause 18.
- 18.8 The obligations of the Executive under this clause 18 shall continue to apply after the termination of his employment (howsoever terminated).
- 18.9 For the avoidance of doubt, nothing in this Agreement shall oblige the Company (or the Listed Company or any other Group Company) to seek protection for or exploit any Intellectual Property Right.

**19. GRIEVANCE AND DISCIPLINARY PROCEDURES**

- 19.1 In the event of the Executive wishing to seek redress of any grievance relating to his employment he should lay his grievance before the Board or the board of directors of the parent company of any group of which the Company or the Listed Company is a member from time to time (in this clause 19, "Ultimate Board") in writing, who will afford the Executive the opportunity of a full hearing before the board or a committee of the board or the Ultimate Board (as appropriate) whose decision on such grievance shall be final and binding.

- 19.2 The Company's and the Listed Company's usual disciplinary procedures do not apply to the Executive. In the event that any disciplinary action is to be taken against the Executive, any hearing in respect thereof will be conducted by such director of the Company, the Listed Company or the parent company of any group of which the Company or the Listed Company is a member from time to time as the Board or the Ultimate Board may in its reasonable discretion nominate. If the Executive seeks to appeal against any disciplinary action taken against him he should do so to the Ultimate Board submitting full written grounds for his appeal to the Chairman of the Ultimate Board within 7 days of the action appealed against. The decision of the Ultimate Board or a delegated committee thereof shall be final and binding. For the avoidance of doubt, the Executive has no contractual right to either a disciplinary hearing or appeal.
- 19.3 The Company may in its absolute discretion suspend the Executive from some or all of his duties (and if applicable, from the Board) and/or require him to remain away from work during any investigation conducted into an allegation relating to the Executive's conduct or performance. During such period, the Executive's salary will continue to be paid and he will continue to be entitled to all benefits provided to him, including participating in any relevant bonus or share option schemes subject always to the rules of those schemes.

**20. GENERAL**

- 20.1 No failure or delay by either party in exercising any right, power or privilege under this Agreement shall operate as a waiver thereof nor shall any single or partial exercise by either party of any right, power or privilege hereunder preclude any further exercise thereof or the exercise of any other right, power or privilege.
- 20.2 The Executive shall have no claim against the Company, the Listed Company or any other Group Company in respect of the termination of his employment hereunder in relation to any provision in any Stock Incentive Plan which has the effect of requiring the Executive to sell, transfer or give up any shares, securities, options or rights issued to him thereunder at any price or which causes any options or other rights granted to him thereunder to become prematurely exercisable or to lapse by reason of his termination or because he has given or received notice of termination.

- 20.5 If any clause or provision in this Agreement is found by a court of competent jurisdiction or other competent authority to be invalid, unlawful or unenforceable then

such clause or provision shall be severed from the remainder of the Agreement or clause and that remainder shall continue to be valid and enforceable to the fullest extent permitted by law. In that case, the Parties shall negotiate in good faith to replace any invalid, unlawful or unenforceable clause or provision with a suitable substitute clause or provision which maintains as far as possible the purpose and effect of this Agreement.

- 20.6 This Agreement may be executed in any number of counterparts, each of which when executed, shall be an original, and all the counterparts together shall constitute one and the same instrument. Delivery of an executed signature page of a counterpart by facsimile transmission or by electronic mail in Adobe TM Portable Document Format (PDF), shall take effect as delivery of an executed counterpart of this Agreement.
- 20.7 No term of this Agreement is enforceable by a third party who is not a party to this Agreement.
- 20.8 No amendment, modification or waiver of this Agreement or any of its provisions shall be binding upon the Parties hereto unless made in writing and duly signed by the Parties.

The arbitration shall be conducted in accordance with the London Maritime Arbitrators Association (LMAA) Terms current at the time when the arbitration proceedings are commenced.

The reference shall be to three arbitrators. A party wishing to refer a dispute to arbitration shall appoint its arbitrator and send notice of such appointment in writing to the other party requiring the other party to appoint its own arbitrator within 14 calendar days of that notice and stating that it will appoint its arbitrator as sole arbitrator unless the other party appoints its own arbitrator and gives notice that it has done so within the 14 days specified. If the other party does not appoint its own arbitrator and gives notice that it has done so within the 14 days specified, the party referring a dispute to arbitration may, without the requirement of any further prior notice to the other party, appoint its arbitrator as sole arbitrator and shall advise the other party accordingly. The award of a sole arbitrator shall be binding on both parties as if he had been appointed by agreement.

Nothing herein shall prevent the parties agreeing in writing to vary these provisions to provide for the appointment of a sole arbitrator.

In cases where neither the claim nor any counterclaim exceeds the sum of USD50,000 (or such other sum as the parties may agree) the arbitration shall be conducted in accordance with the LMAA Small Claims Procedure current at the time when the arbitration proceedings are commenced.

The mediation shall be conducted in such place and in accordance with such procedure and on such terms as the parties may agree or, in the event of disagreement, as may be set by the mediator.
- (iv) If the other party does not agree to mediate, that fact may be brought to the attention of the Tribunal and may be taken into account by the Tribunal when allocating the costs of the

arbitration as between the parties.

- (v) The mediation shall not affect the right of either party to seek such relief or take such steps as it considers necessary to protect its interest.
- (vi) Either party may advise the Tribunal that they have agreed to mediation. The arbitration procedure shall continue during the conduct of the mediation but the Tribunal may take the mediation timetable into account when setting the timetable for steps in the arbitration.
- (vii) Unless otherwise agreed or specified in the mediation terms, each party shall bear its own costs incurred in the mediation and the parties shall share equally the mediator's costs and expenses.

- (a) This Agreement shall be governed by and construed in accordance with English law and any dispute arising out of or in connection with this Agreement shall be referred to arbitration in London in accordance with the Arbitration Act 1996 or any statutory modification or re-enactment thereof save to the extent necessary to give effect to the provisions of this Clause.

The arbitration shall be conducted in accordance with the London Maritime Arbitrators Association (LMAA) Terms current at the time when the arbitration proceedings are commenced.

The reference shall be to three arbitrators. A party wishing to refer a dispute to arbitration shall appoint its arbitrator and send notice of such appointment in writing to the other party requiring the other party to appoint its own arbitrator within 14 calendar days of that notice and stating that it will appoint its arbitrator as sole arbitrator unless the other party appoints its own arbitrator and gives notice that it has done so within the 14 days specified. If the other party does not appoint its own arbitrator and gives notice that it has done so within the 14 days specified, the party referring a dispute to arbitration may, without the requirement of any further prior notice to the other party, appoint its arbitrator as sole arbitrator and shall advise the other party accordingly. The award of a sole arbitrator shall be binding on both parties as if he had been appointed by agreement.

Nothing herein shall prevent the parties agreeing in writing to vary these provisions to provide for the appointment of a sole arbitrator.

In cases where neither the claim nor any counterclaim exceeds the sum of USD50,000 (or such other sum as the parties may agree) the arbitration shall be conducted in accordance with the LMAA Small Claims Procedure current at the time when the arbitration proceedings are commenced.

The mediation shall be conducted in such place and in accordance with such procedure and on such terms as the parties may agree or, in the event of disagreement, as may be set by the mediator.
- (iv) If the other party does not agree to mediate, that fact may be brought to the attention of the Tribunal and may be taken into account by the Tribunal when allocating the costs of the arbitration as between the parties.
- (v) The mediation shall not affect the right of either party to seek such relief or take such steps as it considers necessary to protect its interest.
- (vi) Either party may advise the Tribunal that they have agreed to mediation. The arbitration procedure shall continue during the conduct of the mediation but the Tribunal may take the mediation timetable into account when setting the timetable for steps in the arbitration.
- (vii) Unless otherwise agreed or specified in the mediation terms, each party shall bear its own costs incurred in the mediation and the parties shall share equally the mediator's costs and expenses.
- (viii) The mediation process shall be without prejudice and confidential and no information or documents disclosed during it shall be revealed to the Tribunal except to the extent that they are disclosable under the law and procedure governing the arbitration.
